

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO

Civil Action No. 08-cv-02209-REB-MJW

TROY A. SHORT,

Plaintiff,

v.

CAPTAIN A. J. TRUJILLO, et al

Defendants.

MINUTE ORDER

Entered by Magistrate Judge Michael J. Watanabe

The Declaration of Plaintiff (Docket No. 76) was docketed as a motion. It does not appear, however, as though plaintiff is seeking any relief from this court in that document. Therefore, to the extent that the Declaration is construed as a motion, it is hereby

ORDERED that the Declaration of Plaintiff (Docket No. 76) is denied inasmuch as plaintiff does not seek relief from the court in that document.
