MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on August 28, 2009.

Pending before the Court is another document filed by Plaintiff Preacher reflecting that Mr. Preacher has characterized himself as a “court” and has issued an “order” for the Clerk of the Court to enter default against Defendants [filed August 27, 2009; docket #260]. Such document is improperly filed in this case and, therefore, is **stricken**. To the extent that Mr. Preacher requests entry of default against the Defendants in this case, the request is denied for the same reasons set forth in this Court’s previous orders. *See* dockets #204, #226, #230, and #237.
