MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on October 8, 2009.

Plaintiff Preacher's Motion for Sanctions and Motion to Compell (sic) [filed October 7, 2009; docket #301] is **denied without prejudice**. Plaintiff appears to seek relief for recent incidents for which he alleges injury to himself. As he knows, Plaintiff must seek such relief pursuant to Fed. R. Civ. P. 15 and all other applicable rules and regulations. Should Plaintiff decide to pursue such relief, he is directed once again that any such motion **must** be signed by all Plaintiffs in the action; otherwise, the motion will be stricken and the Court may impose sanctions, including a recommendation for dismissal of this action for failure to comply with Court orders.
