MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on June 1, 2009.

Plaintiffs' "Notice" (Motion) for Court Order [[filed May 28, 2009; docket #71](#)] is **denied**. The request for relief relates in no way to the allegations raised in the Second Amended Complaint, and the Court has no jurisdiction over the day-to-day matters of the prison facility. As for the Plaintiffs' request for an expedited decision on "our request for a [sic] evidentiary hearing," the Court will adjudicate the Motion for Temporary Restraining Order and Preliminary Injunction once it is fully briefed.

Notably, the within motion is apparently filed by a Plaintiff in this matter; however, although

signed, the movant is not identified. Plaintiffs are reminded of their obligation to file specific, non-frivolous pleadings that comply with both local and federal court rules.
