AMAZON.COM VENDOR MANUAL ACKNOWLEDGEMENT LETTER

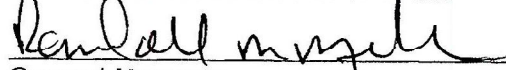

Dear Video Professor

Welcome to Amazon.com! Our mission is to be the place where our customers can find, discover and buy anything online. We are a truly customer-centric company, which means we are constantly focused on a common goal — customer delight. All of our vendors play an important role in meeting the goal of customer delight, which is why we have implemented the Amazon.com Vendor Manual.

The Vendor Manual contains Amazon.com's standard procedures and requirements for merchandise planning and product flow, which are necessary for us to service our customers and run our operations in the most efficient manner possible. Our objective is to lead the industry in the field of operations and collaboration with our vendors. Your agreement to the procedures and requirements contained in the Vendor Manual is the first step toward us reaching that objective.

Amazon.com views the Vendor Manual as a critical part of doing business with our vendors. This letter, when countersigned by you, will acknowledge that Vendor has received, reviewed and accepts the requirements of the Vendor Manual (and other documents named below). **Please sign below and return the countersigned letter to your buyer representative as soon as possible.** Should you have any questions regarding the Vendor Manual, please contact your buyer representative.

Sincerely,
AMAZON.COM Inc. and its affiliates
