Plaintiff's request for expedited briefing of its Motion to Compel . . . [filed December 22, 2010; docket #564] is **denied**. The Court finds that Plaintiff does not demonstrate good cause necessitating expedited briefing, given the governing schedule and that the event about which Plaintiff complains occurred two weeks prior to the filing of this motion. The Court sets the following briefing schedule: Defendant NVIDIA shall respond on or before **January 11, 2011**. Plaintiff may reply on or before **January 21, 2011**.
