MINUTE ORDER

---

Entered by Michael E. Hegarty, United States Magistrate Judge, on November 2, 2009.

Certain Defendants' Motion to File an Amended Answer Adding Counterclaims Against Plaintiffs [filed October 30, 2009; docket #66] is **denied without prejudice** for an apparent inconsistency. The motion is brought on behalf of all Defendants, but the proposed amended pleading lists only certain Defendants.

The Court reminds Defendants that proposed pleadings are not to be filed separately on the Court's ECF docket system, but must be attached to the motion for the Court's review, unless the pleading is filed as a "proposed" or "tendered" document. The Clerk of the Court is directed to strike the Amended Answer (docket #68), which has not been approved for filing.
