MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on July 27, 2010.

Plaintiff's Motion for Protective Order Re: Rule 35 Psychiatric Evaluation [filed July 14, 2010; docket #123] is **denied without prejudice**. According to Defendants, it is possible that certain issues raised in the motion may be resolved by the parties. Therefore, the Court finds the matter is not ripe for disposition and the parties have not completed the conferral process required by Fed. R. Civ. P. 26(c) and D.C. Colo. LCivR 7.1A.
