ENTERED BY MAGISTRATE JUDGE KRISTEN L. MIX

This matter is before the Court on **Plaintiff's Motion to Amend Complaint** [Docket No. 62; Filed December 24, 2009] (the "Motion"). Plaintiff included in his motion a certification of conferral, as required by D.C.COLO.LCivR 7.1A. According to this certification, Plaintiff's counsel conferred with counsel for the individual defendants who are members of the Board of Commissioners of Lake County, Colorado and those defendants do not object. Plaintiff makes no mention of conferring with counsel for the United States Defendants. Presumably, this omission is due to the fact that the amendments proposed primarily concern the Lake County Board of Commissioners and not the United States. However, Plaintiff's counsel did not comply with the rule fully and the Court will not grant the motion based on an assumption that the unmentioned co-Defendants do not object. Accordingly,

IT IS HEREBY **ORDERED** that the Motion is **DENIED without prejudice**. Plaintiff's counsel may re-file the Motion with a certification of conferral including all Defendants'

positions on the Motion.
