MINUTE ORDER

Entered by Magistrate Judge Michael J. Watanabe

It is hereby ORDERED that:

- Defendants' unopposed Motion to Clarify Scope of Discovery, Expert Reports, and Dispositive Motions (Docket No. 286) is GRANTED: and
- The current Scheduling Order in this case (Docket No. 181) is clarified as follows: Pursuant to the Court's original order granting class certification, discovery of the individual Class members (other than the named plaintiffs), including but not limited to depositions and Rule 34 inspections, and any expert reports and dispositive motions addressing any claims of individual Class members, will be deferred until after individual Class members assert liability and damages claims if Chief Judge Krieger's ruling on the four legal issues would allow such claims to be asserted.
