CLERK

ORDER OF DISMISSAL

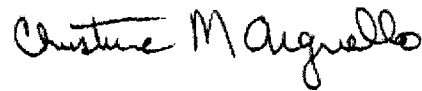

Reginald D. Hodges currently resides in Denver, Colorado. Mr. Hodges, acting *pro se*, initiated this action by submitting a Prisoner Complaint and a Motion and Affidavit for Leave to Proceed Pursuant to 28 U.S.C. § 1915 to the Court. On February 23, 2010, Magistrate Judge Boyd N. Boland directed the Clerk of the Court to commence a civil action and instructed Mr. Hodges to cure certain deficiencies if he wished to pursue his claims. Specifically, Magistrate Judge Boland ordered Mr. Hodges to submit his claims on a Court-approved Complaint form used by nonprisoners and to provide a properly notarized § 1915 Motion and Affidavit. Mr. Hodges was warned that the action would be dismissed without further notice if he failed to cure the deficiencies within thirty days.

Mr. Hodges has failed subsequently to communicate with the Court, and he has failed to cure the deficiencies within the time allowed. Accordingly, it is

ORDERED that the action is dismissed without prejudice for failure to cure the deficiencies within the time allowed.

DATED: March 30, 2010.
