MINUTE ORDER

ORDER ENTERED BY SENIOR JUDGE WILEY Y. DANIEL

Plaintiff's Motion for District Court to Take Jurisdiction of Proceeding (ECF No. 64) is **STRICKEN** from the record for failure to comply with D.C.COLO.LCivR 7.1.A, which states that "[t]he court will not consider any motion, other than a motion under Fed. R. Civ. P. 12 or 56, unless counsel for the moving party or a pro se party, before filing the motion, has conferred or made reasonable, good-faith efforts to confer with opposing counsel or a pro se party to resolve the disputed matter." Here, Plaintiff's counsel indicated that he sent opposing counsel a draft of the motion indicating that "he would be happy to hear Defendants' position by e-mail or telephone (but could not participate extensively in a telephone conversation due to laryngitis). Opposing counsel did not respond in any manner." (Mot. at 1). I do not find this language to be sufficient evidence of either a conferral or a good faith effort to confer as required by the Court's governing rules.
