

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO**
Judge John L. Kane

Civil Action No. **1:11-cv-00211-JLK**

RIGHTHAVEN LLC, a Nevada Limited Liability Company

Plaintiff,

v.

BRIAN D. HILL, an individual,

Defendant.

ORDER

Pursuant to Fed. R. Civ. P. 41(a)(1)(A)(i), Plaintiff has filed a Notice of Voluntary Dismissal (doc. 17) of its complaint against Defendant Brian D. Hill. As Plaintiff properly notes, no court order is required to effectuate this dismissal. The majority of Plaintiff's Notice of Voluntary Dismissal is, however, immaterial and impertinent. Pursuant to my authority under Fed. R. Civ. P. Rule 12(f), those portions of Plaintiff's Notice of Voluntary Dismissal which are immaterial and impertinent, namely all text following Plaintiff's statement that "The notice closes the file for this case," are STRICKEN.
