**MINUTE ORDER<sup>1</sup>**

---

The plaintiff's **Information for Temporary Restraining Order** [#12] filed May 3, 2011, has been docketed in the court's CM/ECF<sup>2</sup> system as a motion for temporary restraining order. The content of this document [#12], however, does not constitute a motion for temporary restraining order or a motion of any kind. To the extent the plaintiff's **Information for Temporary Restraining Order** [#12] filed May 3, 2011, can be read as a motion, it is denied as moot. The court reads the plaintiffs' **Application for Temporary Restraining Order / Motion for Preliminary Injunction** [#9], which was filed initially in state court, as containing the substance of the plaintiffs' request for injunctive relief.

Dated: May 4, 2011
