MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on May 14, 2012.

Pending before the Court is Plaintiff[']s Request [for] Reconsideration of the Court's Denial to (sic) Plaintiff's Preliminary Injunction (Doc #55) [filed May 10, 2012; docket #63]. I construe Plaintiff's "Request" as a Motion to Reconsider my Order dated April 27, 2012, which denied Plaintiff's Motion for Preliminary Injunction on the ground that Plaintiff did not properly serve the motion on all parties. Because Plaintiff has provided colorable evidence that he in fact served the Motion for Preliminary Injunction, Docket #57 is withdrawn and, to that extent, Docket #63 is **granted**. Each Defendant shall file a response to Plaintiff's Motion for Preliminary Injunction [docket #55] on or before **June 4, 2012**. Plaintiff may file a single reply in support of the Motion fourteen (14) days after the last response is served.
