Court calls case. Appearances of counsel.

The court addresses the parties regarding the defendant's Unopposed MOTION to Amend/Correct/Modify #23 Scheduling Order to Extend the Discovery Deadline (Docket No. 37, filed on 5/17/2012).

Discussion between the court and Ms. Cochran regarding the unopposed motion she filed, serving and deposing federal agents and other individuals (i.e. physician), Judge Jackson not allowing the dispositive motions deadline to be extended, the October trial date not being moved, serving subpoena decus tecum in accordance with Rule 45, whether this case could be resolved before the filing of dispositive motions (through summary judgment), Judge Jackson's practice standards, Rule 56, Rule 33 and Rule 34, Rule 26(g), and releases being sent to individuals (dentist, masseuse, and doctor related to Ms. Garcia's high blood pressure) who are not going to be deposed.

Mr. Salazar informs the court that they agreed to extending the discovery deadline pertaining to

depositions and releases only. Mr. Salazar further advises the court that their discovery has been completed since April.

The court addresses the parties regarding the standard set forth in Rule 16(b).
