

Dear ,Honorable Judge Richard P.Matsch

I am communicating with you regarding the concern with my Tsgli claim ,Case No:11-cv-2550.

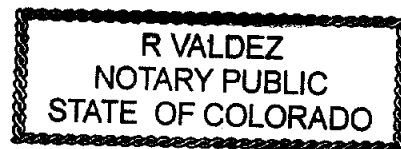

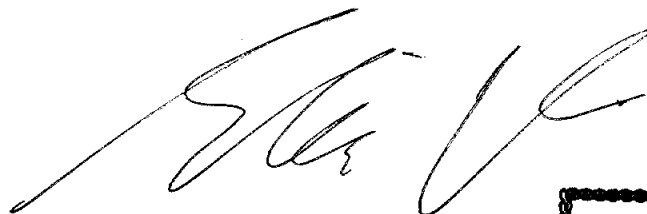

These issues are such as :Constant Illegal interferences and unlawful and fraudulent and invalid governmental interferences ,negligences ,disobedience and disregard of all or any federal and state laws that applies to me as a U.S Citizen and a service member of the U.S Armed forces ,violating of my civil and constitutional rights, harassment, discrimination, prejudice, biase, mostly by governmental sabotages, in this case and all my other cases with all U.S governmental agencies ,misuse and abuses of power, deception ,dishonesty and lies maid by U.S federal attorney and my own previous attorneys committing sabotages to gain favors from the criminals in the U.S governmental agencies mostly the (FBI)criminals involved in my cases behind the scene fraudulently .Furthermore: Frequent governmental gangster and offensive behavior in my life for over six and half years to cause me and my daughter harm and damages that they have done sofar to date.It is obvious that these governmental criminals would have soon enough invaded and attack you and your court aswell ,which they did .your court dignity and integrity and your orders have been violated.

Please allow me to come in, and explain ,and speak with you regarding the ongoing issues I stated above.

Sincerely,

S.Mark Amirinoor.
