**MINUTE ORDER**

---

**ENTERED BY MAGISTRATE JUDGE KRISTEN L. MIX**

This matter is before the Court on Plaintiff's **Unopposed Motion for Relief** [Docket No. 38; Filed June 26, 2012] (the "Motion"). Plaintiff's request for relief is indecipherable. It appears that he may be seeking to correct certain monetary statements or requests; however, he does not refer to any docket number which he is trying to correct, and there appears to be no corresponding section in his Second Amended Complaint [#7]. It is unclear what relief he is seeking from the Court on the basis of this filing. Accordingly,

IT IS HEREBY **ORDERED** that the Motion [#38] is **DENIED WITHOUT PREJUDICE**.
