BY THE COURT:

William J. Martinez

United States District Judge

must be noted that the Court's Revised Practice Standard III.B, provides that "[a]II requests...must be contained in a separate, written motion" and also D.C.COLO.LCivR 7.1 requiring that "a motion shall be made in a separate paper." Here, the Court notes that the request for administrative closure also included a status report. The Court waives compliance with the above practice rules, in this instance. However, should the Parties seek to reopen this case for any reason, and provide a status report simultaneously, such documents should be filed in separate filings so to comport with the above practice rules.
