Defendants.

---

**ORDER DISMISSING PARTIES**

---

**Blackburn, J.**

The matter is before me on the **Stipulation of Dismissal of the Blackberry Defendants** [#530]<sup>1</sup> filed December 2, 2015. After careful review of the stipulation and the file, the court concludes that the stipulation should be approved.

---

<sup>1</sup> “[#530]” is an example of the convention the court uses to identify the docket number assigned to a specific paper by the court’s case management and electronic case filing system (CM/ECF). The court uses this convention throughout this order.

**THEREFORE, IT IS ORDERED** as follows:

1. That the **Stipulation of Dismissal of the BlackBerry Defendants** is approved;
2. That the claims of the plaintiff/counter-defendant, Potter Voice Technologies, LLC, against the BlackBerry Defendants (defendants and counterclaimants BlackBerry Limited (f/k/a Research In Motion Limited) and BlackBerry Corporation (f/k/a Research In Motion Corporation)) are dismissed with prejudice;
3. That the BlackBerry Defendants' counterclaims against the plaintiff/counter-defendant are dismissed without prejudice;
4. That the parties shall pay their own attorney fees and costs associated with the claims addressed in this order;
5. That the plaintiff has not released, and nothing in the stipulation shall be construed as a release or discharge of any claim the plaintiff has or may have in the future against any other defendant named in this action; and
6. That the defendants BlackBerry Limited (f/k/a Research In Motion Limited) and BlackBerry Corporation (f/k/a Research In Motion Corporation) are dropped as parties to this action, and the caption shall be amended accordingly.

Dated December 15, 2015, at Denver, Colorado.

**BY THE COURT:**

Robert E. Blackburn  
United States District Judge
