**MINUTE ORDER**

---

**ENTERED BY MAGISTRATE JUDGE KRISTEN L. MIX**

This matter is before the Court on Plaintiff's **Request [for] a [Clarification] of Court Order** [Docket No. 25; Filed June 25, 2012] (the "Motion to Clarify"). Plaintiff, who proceeds as an incarcerated *pro se* litigant, states that he has not yet been given notice that his case has been assigned to a district judge. Plaintiff seeks assignment of a district judge or, if he has already been assigned to one, the name of the judge who will be trying his case.

IT IS HEREBY **ORDERED** that the Motion to Clarify [#25] is **GRANTED**. Thus, the Court notes that on May 29, 2012 the case was assigned to District Judge R. Brooke Jackson.
