LISA GREGORY, and
Five John/Jane Does,

Defendants.

MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on December 24, 2014.

Plaintiff's Motion to Compel Service of Documents and ... Motion for an Extension of Time to Respond [filed December 22, 2014; docket #120] is **granted in part and denied in part as follows**. It appears that Defendant Gregory properly attached certificates of service to her dispositive motions reflecting service on the Plaintiff at his current address. However, to the extent that the Plaintiff did not receive copies of the motions, the Court directs Defendant to re-serve copies of the motions to the Plaintiff. The Plaintiff shall file responses to the motions on or before January 30, 2015 and the Defendant may file reply briefs in support of the motions within fourteen (14) days after the responses are served.
