

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO**

Civil Action No. 12-cv-02839-JLK-MJW

SECURITIES AND EXCHANGE COMMISSION,

Plaintiff,

v.

ROGER PARKER,

Defendant.

MINUTE ORDER

Judge John L. Kane ORDERS

Attached to this Minute Order are the Jury Instructions containing my revisions. They include my rulings on the objections contained in the parties' proposed instructions (Doc. 194) and Defendant's additional submissions (Docs. 206 & 212). I have fully rewritten the substantive instructions with the goal of making them less repetitive and easier for the jury to understand. At the Final Trial Preparation Conference on July 26, 2017, I will address any further revisions or modifications to the Instructions, and counsel will be afforded an opportunity to argue their positions and make their record on objections.
