Plaintiff(s) WINNA VANDER LAAN v. Defendant(s) WARREN ROBERTS, MD	
Case Number: 2012CV842 Division: 3 Courtroom:	
Order granting mtn to strike	

The information about patient E.P. and the Medical Board proceedings may, or may not, be admissible at trial. It is too early in this litigation to make that determination. Plaintiff may file a motion at the appropriate time to request such a determination.

In the meantime, the Court will GRANT the motion to strike since Complaints are public documents.
