MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on October 1, 2014.

For exceptional cause shown, Plaintiff's fourth Unopposed Motion to Modify the Schedul[ing] Order with Respect to Deadlines [filed October 1, 2014; docket #114] is **granted**. The Scheduling Order shall be modified as follows:

Initial expert designation: October 20, 2014
Rebuttal expert designation: November 20, 2014
Discovery cutoff: December 17, 2014
Dispositive motions due: January 29, 2015

The Court understands that the technical difficulties with Defendants' counsel's computer were out of the parties' control and have caused the majority of delays, and now have been fixed. Based upon the age of this case, this Court will be very reluctant to grant any further extensions of these deadlines; accordingly, the parties shall work diligently to complete discovery within the deadlines set forth in this order.
