**ORDER STAYING BRIEFING DEADLINES**

---

On August 21, 2014, the Court granted the Parties' joint motion to stay briefing deadlines regarding the merits of this matter in light of the Forest Service's withdrawal of its Decision Memo that had approved the Surface Use Plan of Operations for SG Interests' Federal 11-90-9 #3 well. ECF No. 32.

The parties continue to seek to settle this matter without further Court involvement and have made substantial progress since the time of their first joint

motion to stay briefing deadlines that was filed on August 20, 2014 (ECF No. 31).

The parties agree that a further stay of all briefing deadlines in this matter is appropriate to pursue the possibility of settlement of this matter. Accordingly, the Court GRANTS the parties' Second Motion To Stay (ECF No. 34) and stays the current briefing deadlines for approximately 45 days and enters the following briefing deadlines:

1. Respondents' Response Brief Due: November 24, 2014.
2. Intervenors' Response Brief Due: December 4, 2014.
3. Petitioners' Reply Brief (If Any) Due: December 18, 2014.

DATED: October 1, 2014
