

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO

Civil Action No. 14-cv-01699-MEH

MELEAHA R. GLAPION,

Plaintiff,

v.

SHAUN DONOVAN, Secretary, U.S. Department of Housing and Urban Development,

Defendant.

MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on October 14, 2014.

Plaintiff's Motion to Compel [filed October 12, 2014; docket #45] is **denied without prejudice**. The Motion states that Defendant intends to produce the requested documents by "next Thursday," which is October 23, 2014. Discovery cut-off in this case is January 30, 2015; thus, Defendant's proposed production date will not affect the Court's Scheduling Order (docket #38) and the Court does not otherwise find an urgency for Defendant's production of the documents.

Additionally, Plaintiff requests sixty days to respond to Defendant's Requests for Productions "without seeking a written extension from the Defendant or Court." The Court does not understand this request, as it appears to be both a request for an extension of time and a request not to have an extension of time. Plaintiff may file a motion for an extension of time or re-file a motion to compel production in the event Defendant fails to produce the requested documents on or before October 23, 2014.
