**MINUTE ORDER**

---

**Entered by Michael E. Hegarty, United States Magistrate Judge, on February 9, 2015.**

Defendant's Unopposed Motion for Clarification [[filed February 5, 2015; docket #68](#)] is **granted in part and denied in part**. In light of the Court's ruling granting the Motion to Declare Plaintiff a Vexatious Litigant, the Court's order that Plaintiff submit documents to assist the Court in resolving that motion is discharged. To the extent Plaintiff seeks a statement from this Court regarding her allegation that the documents submitted by defense counsel are fraudulent, the Court declines to do so. Such a request entails factual findings on the merits of the case, and the case is closed.
