Discussion held on Stipulated Motion to Modify Scheduling Order [48] filed on June 30, 2015. The Parties indicate that because of the upcoming private mediation and the scope and cost of expert witness designation, they request that the Scheduling Order to be modified to allow fact discovery to close prior to expert discovery. Given the trademark issues raised in this case may require surveys to be completed prior to an expert report, the court finds good cause to permit the Parties to revise the Scheduling Order to have expert discovery conducted after the close of fact discovery.

**ORDERED: Stipulated Motion to Modify Scheduling Order [48] is GRANTED in PART and DENIED in PART. The court allows an extension of thirty days. The Scheduling Order is modified as follows:**

**Fact Discovery cut-off: September 25, 2015;**
