

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO

Civil Action No. 14-cv-03137-CMA-MEH

ALCIN MALVEAUX

Plaintiff,

v.

PUBLIC SERVICE COMPANY OF COLORADO, d/b/a XCEL ENERGY,

Defendant.

MINUTE ORDER

Entered by Michael E. Hegarty, United States Magistrate Judge, on December 1, 2015.

Plaintiff's Unopposed Motion to Modify the Scheduling Order to Extend the Deadline for Plaintiff to Depose an Employee of the Defendant [filed November 30, 2015; docket #56] is **denied without prejudice**. While Plaintiff has provided good cause for the extension, the request to extend discovery to allow for the outstanding deposition of a witness currently on disability leave "to up to three weeks before trial" lacks specificity to a determined date. As the Scheduling Order presents dates certain, proposed deadlines must also provide a date certain.
