3.11 Location of Aircraft. The Debtor shall cause the primary location and base of the Aircraft to be the State of Ohio, unless the Debtor shall have given the Secured Party at least thirty (30) days written notice of its intention to change such primary location and base.

3.12 Air Carrier. The Debtor is an air carrier and holds an air carrier operating certificate issued under 49 U.S.C. § 44705.

4. Default. The term "Event of Default" for all purposes of this Agreement shall mean any Event of Default under (and as defined in) the Loan Agreement.

5. Remedies. If an Event of Default exists, the Secured Party shall have all of the rights and remedies under the Loan Agreement.

6. Insurance.

(a) All risk of loss, damage or destruction of the Aircraft shall at all times be on Debtor. Debtor will maintain at its own expense during the terms of this Agreement policies of insurance against any loss or damage to the Aircraft, in amounts and form satisfactory to Secured Party and against such risks and hazards as may be required from time to time by Secured Party, including, without limitation property damage, public liability, combined single-limit and all-risk aviation insurance as follows:

(i) all-risk aircraft hull insurance coverage and all-risk property damage insurance, which shall include, without limitation, all-risk ground, taxiing and in-flight insurance;

(ii) fire and extended coverage with respect to any Engine, Part or Propeller when not installed on any Aircraft;

(iii) aircraft liability insurance, including airport liability, combined bodily injury and property damage liability, contractual liability in amounts not less than that acceptable to Secured Party; and

(iv) cargo insurance.

(b) In the event that the Aircraft is operated outside the continental United States, the Hawaiian Islands or Canada, special war risk coverage and insurance against confiscation, requisition by a Governmental Authority for a period in excess of 90 days, hijacking and seizure covering all places and routes where any Aircraft is operated, on any flights operated to or from any point outside the continental United States, the Hawaiian Islands and Canada. All public liability and property damage insurance shall insure against liability that either Debtor or Secured Party might incur by reason of the operations of any Aircraft over water (including the high seas). Debtor will pay or cause to be paid all premiums on all such insurance as and when such premiums become due and payable. Debtor shall give to Secured Party prompt notice of any material damage to or loss of any material part of the Aircraft. Debtor shall not

cancel any insurance required by the terms of this Agreement. At any time that any insurance required by any provision of this Agreement shall not be in effect with respect to any Aircraft, Debtor shall promptly ground such Aircraft and shall not permit the same to be flown until such insurance is in effect.

(c) All insurance maintained by Debtor pursuant to clause (a) above shall, (i) in the case of property insurance, name Secured Party as sole loss payee thereunder, and, in the case of liability insurance, name Secured Party as additional insured; (ii) provide that all insurance proceeds payable under any policy shall be paid directly to Secured Party by the insurer thereunder or to whomsoever Secured Party shall instruct the insurer in writing; (iii) insure the interest of Secured Party regardless of any breach of violation by Debtor or any lessee of any of the Aircraft of any warranties, declarations or conditions contained in such policies; (iv) provide that the insurance shall not be invalidated by any action or inaction of Debtor or any lessee of any of the Aircraft; and (v) prohibit Debtor, without the prior written consent of Secured Party, from pledging, hypothecating, selling, assigning or transferring its interest in any insurance policies required to be maintained under clause (a) above or the proceeds thereof to any Person, including any insurer or insurance agent pursuant to any premium installment payment plan. Such insurance may not be canceled (or allowed to lapse) for any reason whatsoever by the insurer or materially changed until 30 days after receipt by Secured Party from the insurer of a written notice its intention to cancel or change materially such insurance; provided, however, that Secured Party shall not be liable for the payment of any premiums or assessments. Each liability policy shall be primary, without right of contribution from any other insurance that is carried by Debtor, any lessee of any of the Aircraft or any other Person with respect to its interests as such in the Aircraft and shall expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. Each policy shall provide that rights of subrogation are waived against Secured Party. Any Aircraft that is missing and unreported for 60 days following the commencement of a flight shall be considered as having been destroyed. All payments under insurance policies shall be made in U.S. Dollars.

(d) Debtor shall deliver to Secured Party, promptly upon request of Secured Party, the originals of all insurance policies, or certificates thereof, with respect to any of the Aircraft which Debtor is required to maintain pursuant to clause (a) above, together with evidence as to the payment of all premiums then due thereon.

(e) Within 30 days after the end of each calendar year, Debtor shall furnish to Secured Party a certificate certifying that the insurance policies required to be maintained pursuant to clause (a) above are maintained and are in full force and effect and all premiums due thereon have been paid in full and stating the premiums, if any, which are payable within 1 year of the date of such certificate. Debtor shall advise Secured Party in writing (i) promptly of any default in the payment of any premiums and of any other act or omission on the part of Debtor that might invalidate or render unenforceable any such insurance, (ii) promptly of any notice or other communication received from any such insurer by which such insurer indicates that it has suspended or terminated, or may seek to suspend or terminate, any such insurance, and (iii) at least 30 days prior thereto, the termination of any such insurance by reason of Debtor's failure to renew such insurance.

(f) If Debtor should, for any reason, fail to renew or cause to be renewed any policy of insurance required by this Agreement, Secured Party shall have the option (but shall not be under any obligation) to pay the premiums on any such policy, or to take out new insurance in such amounts, types, coverages and terms as Secured Party may determine to be prudent, and any sums paid therefor shall constitute part of the Obligations, shall be payable to Debtor to Secured Party on demand, and shall be secured by all of the Aircraft.

(g) Debtor shall not use or permit any of the Aircraft to be used in any manner or for any purposes excepted from or contrary to the requirements of any insurance policy or policies required to be carried and maintained under this Agreement or the Loan Agreement or for any purpose excepted or exempted from or contrary to said insurance policies, or do any other act or permit anything to be done that could reasonably be expected to invalidate or limit recovery under any such insurance policy.

(h) Debtor hereby assigns to Secured Party any and all monies including, without limitation, proceeds of insurance and returns of unearned premiums) that may become due under any policies insuring the Aircraft and all awards payable in connection with the condemnation, requisition or seizure of the Aircraft, and directs the insurance company issuing such policy or agency making such award to make payment thereof directly to Secured Party, as its interest may appear.
