

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLORADO**

Civil Action No. 15-cv-01350-JLK

TREY SHEETS,

Plaintiff,

v.

STEAMBOAT SPRINGS, COLORADO, and
ROSS BLANK,

Defendants.

ORDER

The Court declines to enter a protective order because there is no indication given of what categories of information are sought to be protected. This is a public lawsuit in a public court. Absent a showing that privacy interests in particular genres outweighs the public nature of a lawsuit, the need to keep information protected is not justified.

Accordingly, the Unopposed Motion for Entry of Stipulation and Protective Order (Doc. 26) is DENIED.

DATED this 28th day of December, 2015.

BY THE COURT:

JOHN L. KANE
SENIOR U.S. DISTRICT COURT JUDGE
