(a) Borrower has good and marketable fee simple title to the Project, subject only to the Permitted Exceptions.

(b) Except as previously disclosed to Lender in writing, no litigation or proceedings are pending, or to the best of Borrower's knowledge threatened, against Borrower or any Guarantor, which could, if adversely determined, cause a Material Adverse Change with respect to Borrower, any Guarantor or the Project. There are no pending Environmental Proceedings and Borrower has no knowledge of any threatened Environmental Proceedings or any facts or circumstances which may give rise to any future Environmental Proceedings.

(c) Borrower is a duly organized and validly existing limited liability company and has full power and authority to execute, deliver and perform all Loan Documents to which Borrower is a party, and such execution, delivery and performance have been duly authorized by all requisite action on the part of Borrower.

(d) No consent, approval or authorization of or declaration, registration or filing with any Governmental Authority or nongovernmental person or entity, including any creditor, partner, or member of Borrower or any Guarantor, is required in connection with the execution, delivery and performance of this Agreement or any of the Loan Documents other than the recordation of the Mortgage, Assignment of Leases and Rents and the filing of UCC-1 Financing Statements, except for such consents, approvals or authorizations of or declarations or filings with any Governmental Authority or non-governmental person or entity where the failure to so obtain would not have an adverse effect on Borrower or such Guarantor or which have been obtained as of any date on which this representation is made or remade.

(e) The execution, delivery and performance of this Agreement, the execution and payment of the Note and the granting of the Mortgage and other security interests under the other Loan Documents have not constituted and will not constitute, upon the giving of notice or lapse of time or both, a breach or default under any other agreement to which Borrower or Guarantor is a party or may be bound or affected, or a violation of any law or court order which may affect the Project, any part thereof, any interest therein, or the use thereof.

(f) There is no default under this Agreement or the other Loan Documents, nor any condition which, after notice or the passage of time or both, would constitute a default or an Event of Default under said documents.

Borrower is unaware of any other such costs, expenses or fees which are material and are not covered by the Budget.

(i) Neither the construction of the Improvements nor the use of the Project when completed and the contemplated accessory uses will violate (i) any Laws (including subdivision, zoning, building, environmental protection and wetland protection Laws), or (ii) any building permits, restrictions of record, or agreements affecting the Project or any part thereof. Project has never been used (whether by Borrower or, to the best knowledge of Borrower, by any other person or entity) for any activities involving, directly or indirectly, the use, generation, treatment, storage, transportation, or disposal of any Hazardous Material; (iii) neither the Project nor Borrower is subject to any existing, pending, or, to the best of Borrower's knowledge, threatened investigation or inquiry by any Governmental Authority, and the Project is not subject to any remedial obligations under any applicable Laws pertaining to health or the environment; and (iv) there are no underground tanks, vessels, or similar facilities for the storage, containment or accumulation of Hazardous Materials of any sort on, under or affecting the Project.

(n) The Project is taxed separately without regard to any other property and for all purposes the Project may be mortgaged, conveyed and otherwise dealt with as an independent parcel.

(o) Except for Leases which have been provided to and approved by Lender in writing, Borrower and its agents have not entered into any Leases, subleases or other arrangements for occupancy of space within the Project. True, correct and complete copies of all Leases, as amended, have been delivered to Lender. All Leases are in full force and effect. Borrower agrees that all of the representations and warranties set forth in Section 3.1 and elsewhere in this Agreement are true as of the date hereof, will be true at the Loan Opening and, except for matters which have been disclosed by Borrower and approved by Lender in writing, at all times thereafter. Each request for a disbursement under the Loan Documents shall constitute a reaffirmation of such representations and warranties, as deemed modified in accordance with the disclosures made and approved as aforesaid, as of the date of such request. It shall be a condition precedent to the Loan Opening and each subsequent disbursement that each of said representations and warranties is true and correct as of the date of such requested disbursement. Each disbursement of Loan proceeds shall be deemed to be a reaffirmation by Borrower that each of the representations and warranties is true and correct as of the date of such disbursement. In addition, at Lender's request, Borrower shall reaffirm such representations and warranties in writing prior to each disbursement hereunder.

## **ARTICLE 4 LOAN AND LOAN DOCUMENTS**

### **4.1 Agreement to Borrow and Lend; Lender's Obligation to Disburse.**

Subject to the terms, provisions and conditions of this Agreement and the other Loan Documents, Borrower agrees to borrow from Lender and Lender agrees to lend to Borrower the Loan, for the purposes and subject to all of the terms, provisions and conditions contained in this Agreement. If Lender consists of more than one party, the obligations of each such party with respect to the amount it has agreed to loan to Borrower shall be several (and not joint and several) and shall be limited to its proportionate share of the Loan and of each advance.

(a) The principal amount of the Loan shall not exceed the lesser of (i) Two Million Five Hundred Twelve Thousand Five Hundred and 00/100 Dollars (\$2,512,500.00), (ii) 75% of the fair market value of the Project as set out in the appraisal of the Project, or (iii) 69.31% of the total cost of the Project as set out in the Budget approved by Lender hereunder.

(b) Lender agrees, upon Borrower's compliance with and satisfaction of all conditions precedent to the Loan Opening and provided the Loan is In Balance, no Material Adverse Change has occurred with respect to Borrower, any Guarantor or Tenant, or the Project and no default or Event of Default has occurred and is continuing hereunder, to Open the Loan to reimburse Borrower for a portion of the costs incurred by Borrower in connection with the development of the Project and the construction of the Improvements, to the extent provided for in the Budget.

(c) After the Opening of the Loan, Borrower shall be entitled to receive further successive disbursements of the proceeds of the Loan in accordance with Articles 9, 12 and 13 within ten (10) Business Days after compliance with all conditions precedent thereto, provided that (i) the Loan remains In Balance; (ii) Borrower has complied with all conditions precedent to disbursement from time to time including the requirements of Section 3.2 and Articles 8, 9, 12 and 13; (iii) no Material Adverse Change has occurred with respect to Borrower, any Guarantor or Tenant, or the Project and (iv) no Event of Default and no material default exists hereunder or under any other Loan Document or Lease.

(d) To the extent that Lender may have acquiesced in noncompliance with any requirements precedent to the Opening of the Loan or precedent to any subsequent disbursement of Loan proceeds, such acquiescence shall not constitute a waiver by Lender, and Lender may at any time after such acquiescence require Borrower to comply with all such requirements.

(e) Borrower shall, prior to the Opening of the Loan, open an Operating Account. Borrower authorizes Lender to disburse Loan proceeds by crediting the Operating Account; provided, however, that Lender shall not be obligated to use such method. Lender is further authorized to pay any principal or interest due upon the Note when and as same shall become due by debiting funds on deposit in the Operating Account.

#### **4.2 Loan Documents.**

Borrower agrees that it will, on or before the Loan Opening Date, execute and deliver or cause to be executed and delivered to Lender the following documents in form and substance acceptable to Lender:

- (a) The Note.
- (b) The Mortgage.
- (c) The Assignment of Rents.
- (d) The Performance and Completion Guaranty.

(i) Intentionally omitted.

(j) Such other documents, instruments or certificates as Lender and its counsel may reasonably require, including such documents as Lender in its sole discretion deems necessary or appropriate to effectuate the terms and conditions of this Agreement and the Loan Documents, and to comply with any Laws.

#### **4.3 Term of the Loan.**

All principal, interest and other sums due under the Loan Documents shall be due and payable in full on the Maturity Date without relief from valuation and appraisal laws.

(a) All principal, interest and other sums due under the Loan Documents shall be due and payable in full on the Maturity Date. All references herein to the Maturity Date shall mean Initial Maturity Date, provided that Borrower shall have the one-time right to extend the Maturity Date for one additional six (6) month term (the "Extension Option"), thereby extending the Maturity Date to the six month anniversary of the Initial Maturity Date (the "Extended Maturity Date").

(b) Borrower may only exercise the Extension Option upon satisfying the following conditions:

- (i) Borrower shall have delivered to Lender written notice of such election no earlier than sixty (60) days and no later than thirty (30) prior to the Initial Maturity Date;
- (ii) Lender shall have received Borrower's and Guarantors' current financial statements, certified as correct by Borrower and Guarantor. There must be no material adverse change in Borrower's or Guarantor's financial condition;
- (iii) Construction of the Improvements has been completed in accordance with all requirements of this Loan Agreement;
- (iv) Such notice is accompanied by an extension fee in the amount of 25 basis points (.25%) of the maximum amount of the Loan;
- (v) No Event of Default exists under the Loan Documents, nor any event which would be an Event of Default if not cured within the time allowed; and

- (vi) For the Extended Term, the Debt Service Coverage Ratio is not less than 1.25; 1.00; and
- (vii) For the Extended Term, the Project is at least 93% occupied by Tenants acceptable to Lender under Leases providing for rents no less than pro forma rents set out in the Appraisal approved by Lender hereunder.

#### **4.4 Prepayments.**

Borrower shall have the right to make prepayments of the Loan, in whole or in part, without prepayment penalty, upon not less than seven (7) days' prior written notice to Lender. No prepayment of all or part of the Loan shall be permitted unless same is made together with the payment of all interest accrued on the Loan through the date of prepayment and an amount equal to all Breakage Costs and attorneys' fees and disbursements incurred by Lender as a result of the prepayment.

#### **4.5 Required Principal Payments.**

All principal shall be paid on or before the Maturity Date. On the first day of each month during the Extended Term, Borrower shall make mortgage-style principal and interest payments based on the assumed term and interest rate used in calculating the Debt Service Coverage Ratio.

#### **4.6 Late Charge.**

Any and all amounts due hereunder or under the other Loan Documents which remain unpaid more than ten (10) days after the date said amount was due and payable shall incur a fee (the "Late Charge") equal to the greater of (a) ten percent (10%) of said amount or (b) \$25.00, which payment shall be in addition to all of Lender's other rights and remedies under the Loan Documents, provided that no Late Charge shall apply to the final payment of principal on the Maturity Date.

### **ARTICLE 5 INTEREST**

#### **5.1 Interest Rate.**

(a) The Loan will bear interest at the Applicable Rate, unless the Default Rate is applicable. The Adjusted Prime Rate shall be the "Applicable Rate", except that the Adjusted LIBOR Rate shall be the "Applicable Rate" with respect to portions of the Loan as to which a LIBOR Rate Option is then in effect. Borrower shall pay interest in arrears on the first day of every calendar month in the amount of all interest accrued and unpaid in accordance with the terms of the Note.

(b) Provided that no Event of Default exists, Borrower shall have the option (the "LIBOR Rate Option") to elect from time to time in the manner and subject to the conditions hereinafter set forth an Adjusted LIBOR Rate as the Applicable Rate for all or any portion of the Loan which would otherwise bear interest at the Adjusted Prime Rate.

(c) The only manner in which Borrower may exercise the LIBOR Rate Option is by giving Lender irrevocable notice (which may be verbal notice provided that Borrower delivers to Lender facsimile confirmation in the form of Exhibit E attached hereto within twenty-four (24) hours) of such exercise not later than 11:00 a.m. Cincinnati time on the second LIBOR Business Day prior to the proposed commencement of the relevant LIBOR Rate Interest Period, which written notice shall specify: (i) the portion of the Loan with respect to which Borrower is electing the LIBOR Rate Option, (ii) the LIBOR Business Day upon which the applicable LIBOR Rate Interest Period is to commence and (iii) the duration of the applicable LIBOR Rate Interest Period. The Applicable Rate for any portion of the Loan with respect to which Borrower has elected the LIBOR Rate Option shall revert to the Adjusted Prime Rate as of the last day of the LIBOR Rate Interest Period applicable thereto (unless Borrower again exercises the LIBOR Rate Option for such portion of the Loan). Lender shall be under no duty to notify Borrower that the Applicable Rate on any portion of the Loan is about to revert from an Adjusted LIBOR Rate to the Adjusted Prime Rate. The LIBOR Rate Option may be exercised by Borrower only with respect to any portion of the Loan equal to or in excess of \$250,000.00. At no time may there be more than four (4) LIBOR Rate Interest Periods in effect with respect to the Loan.

(d) If Lender determines (which determination shall be conclusive and binding upon Borrower, absent manifest error) (i) that Dollar deposits in an amount approximately equal to the portion of the Loan for which Borrower has exercised the LIBOR Rate Option for the designated LIBOR Rate Interest Period are not generally available at such time in the London interbank market for deposits in Dollars, (ii) that the rate at which such deposits are being offered will not adequately and fairly reflect the cost to Lender of maintaining a LIBOR Rate on such portion of the Loan or of funding the same for such LIBOR Rate Interest Period due to circumstances affecting the London interbank market generally, (iii) that reasonable means do not exist for ascertaining a LIBOR Rate, or (iv) that an Adjusted LIBOR Rate would be in excess of the maximum interest rate which Borrower may by law pay, then, in any such event, Lender shall so notify Borrower and all portions of the Loan bearing interest at an Adjusted LIBOR Rate that are so affected shall, as of the date of such notification with respect to an event described in clause (ii) or (iv) above, or as of the expiration of the applicable LIBOR Rate Interest Period with respect to an event described in clause (i) or (iii) above, bear interest at the Adjusted Prime Rate until such time as the situations described above are no longer in effect or can be avoided by Borrower exercising a LIBOR Rate Option for a different LIBOR Rate Interest Period.

(e) Interest at the Applicable Rate (or Default Rate) shall be calculated for the actual number of days elapsed on the basis of a 360-day year, including the first date of the applicable period to, but not including, the date of repayment.

(f) Borrower shall pay all Breakage Costs incurred from time to time by Lender upon demand.

(g) If the introduction of or any change in any Law, regulation or treaty, or in the interpretation thereof by any Governmental Authority charged with the administration or interpretation thereof, shall make it unlawful for Lender to maintain the Applicable Rate at an Adjusted LIBOR Rate with respect to the Loan or any portion thereof, or to fund the Loan or any portion thereof in Dollars in the London interbank market, or to give effect to its obligations regarding the LIBOR Rate Option as contemplated by the Loan Documents, then (1) Lender shall notify Borrower that Lender is no longer able to maintain the Applicable Rate at an Adjusted LIBOR Rate, (2) the LIBOR Rate Option shall immediately terminate, (3) the Applicable Rate for any portion of the Loan for which the Applicable Rate is then an Adjusted LIBOR Rate shall automatically be converted to the Adjusted Prime Rate, and (4) Borrower shall pay to Lender the amount of Breakage Costs (if any) incurred in connection with such conversion. Thereafter, Borrower shall not be entitled to exercise the LIBOR Rate Option until such time as the situation described herein is no longer in effect or can be avoided by Borrower exercising a LIBOR Rate Option for a LIBOR Rate Interest Period.

## **5.2 Interest Rate Agreements.**

(a) If Borrower purchases an Interest Rate Protection Product from Lender, Borrower shall enter into such party's customary form of agreement ("Interest Rate Agreement") relating to such Interest Rate Protection Product. Any indebtedness incurred pursuant to an Interest Rate Agreement entered into by Borrower and Lender shall constitute indebtedness evidenced by the Note and secured by the Mortgage and the other Loan Documents to the same extent and effect as if the terms and provisions of such Interest Rate Agreement were set forth herein, whether or not the aggregate of such indebtedness, together with the disbursements made by Lender of the proceeds of the Loan, shall exceed the face amount of the Note.

(b) Borrower hereby collaterally assigns to agent for the benefit of Lender any and all Interest Rate Protection Products purchased or to be purchased by Borrower in connection with the Loan, as additional security for the Loan, and agrees to provide Lender with any additional documentation requested by Lender in order to confirm or perfect such security interest during the term of the Loan. If Borrower obtains an Interest Rate Protection Product from a party other than Lender, Borrower shall deliver to Lender such third party's consent to such collateral assignment. No Interest Rate Protection Product purchased from a third party may be secured by an interest in Borrower or the Project.

(c) Borrower shall, as a condition to the Opening of the Loan if required by Lender and otherwise within five (5) Business Days after Lender's request, institute an interest rate hedging program through the purchase of an interest rate swap, cap or such other interest rate protection product ("Interest Rate Protection Product") with respect to the Loan. The Interest Rate Protection Product, the portion of the Loan (if less than the entire Loan Amount) to which such Interest Rate Protection Product shall apply, and the financial institution providing the Interest Rate Protection Product, shall be subject to Lender's prior written approval in its sole discretion. Borrower shall afford Lender a right of first opportunity to provide all Interest Rate Protection Products but shall not be required to purchase such Interest Rate Protection Product from Lender.

## ARTICLE 6 COSTS OF MAINTAINING LOAN

### 6.1 Increased Costs and Capital Adequacy.

(a) Borrower recognizes that the cost to Lender of maintaining the Loan or any portion thereof may fluctuate and, Borrower agrees to pay Lender additional amounts to compensate Lender for any increase in its actual costs incurred in maintaining the Loan or any portion thereof outstanding or for the reduction of any amounts received or receivable from Borrower as a result of:

- (i) any change after the date hereof in any applicable Law, regulation or treaty, or in the interpretation or administration thereof, or by any domestic or foreign court, (A) changing the basis of taxation of payments under this Agreement to Lender (other than taxes imposed on all or any portion of the overall net income or receipts of Lender), or (B) imposing, modifying or applying any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, credit extended by, or any other acquisition of funds for loans by Lender (which includes the Loan or any applicable portion thereof) (provided, however, that Borrower shall not be charged again the Reserve Percentage already accounted for in the definition of the Adjusted LIBOR Rate), or (C) imposing on Lender, or the London interbank market generally, any other condition affecting the Loan, provided that the result of the foregoing is to increase the cost to Lender of maintaining the Loan or any portion thereof or to reduce the amount of any sum received or receivable from Borrower by Lender under the Loan Documents; or
- (ii) the maintenance by Lender of reserves in accordance with reserve requirements promulgated by the Board of Governors of the Federal Reserve System of the United States with respect to "Eurocurrency Liabilities" of a similar term to that of the applicable portion of the Loan (without duplication for reserves already accounted for in the calculation of a LIBOR Rate pursuant to the terms hereof).

(b) If the application of any Law, rule, regulation or guideline adopted or arising out of the July, 1988 report of the Basle Committee on Banking Regulations and Supervisory Practices entitled "International Convergence of Capital Measurement and Capital Standards", or the adoption after the date hereof of any other Law, rule, regulation or guideline regarding capital adequacy, or any change after the date hereof in any of the foregoing, or in the interpretation or administration thereof by any domestic or foreign Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Lender, with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has the effect of reducing the rate of return on Lender's capital to a level below that which Lender would have achieved but for such application, adoption, change or compliance (taking into consideration the policies of Lender with respect to capital adequacy), then, from time to time Borrower shall pay to Lender such additional amounts as will compensate Lender for such reduction with respect to any portion of the Loan outstanding.

(c) Any amount payable by Borrower under subsection (a) or subsection (b) of this Section 6.1 shall be paid within five (5) days of receipt by Borrower of a certificate signed by an authorized officer of Lender setting forth the amount due and the basis for the determination of such amount, which statement shall be conclusive and binding upon Borrower, absent manifest error. Failure on the part of Lender to demand payment from Borrower for any such amount attributable to any particular period shall not constitute a waiver of Lender's right to demand payment of such amount for any subsequent or prior period. Lender shall use reasonable efforts to deliver to Borrower prompt notice of any event described in subsection (a) or (b) above, of the amount of the reserve and capital adequacy payments resulting therefrom and the reasons therefor and of the basis of calculation of such amount; provided, however, that any failure by Lender to so notify Borrower shall not affect Borrower's obligation to pay the reserve and capital adequacy payment resulting therefrom.

## **6.2 Borrower Withholding.**

If by reason of a change in any applicable Laws occurring after the date hereof, Borrower is required by Law to make any deduction or withholding in respect of any taxes (other than taxes imposed on or measured by the net income of Lender or any franchise tax imposed on Lender), duties or other charges from any payment due under the Note to the maximum extent permitted by law, the sum due from Borrower in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, Lender receives and retains a net sum equal to the sum which it would have received had no such deduction or withholding been required to be made.

## **ARTICLE 10 BUDGET AND CONTINGENCY FUND**

### **10.1 Budget.**

Disbursement of the Loan shall be governed by the Budget for the Project, in form and substance acceptable to Lender in Lender's reasonable discretion. The Budget shall specify the amount of cash equity invested in the Project, and all costs and expenses of every kind and nature whatever to be incurred by Borrower in connection with the Project. The Budget shall include, in addition to the Budget Line Items described in Section 10.2 below, the Contingency Fund described in Section 10.3 below, and amounts satisfactory to Lender for soft costs and other reserves acceptable to Lender. The initial Budget is attached hereto as Exhibit H and made

a part hereof. Once the Budget is approved by Lender all changes to the Budget shall in all respects be subject to the prior written approval of Lender.

#### **10.2 Budget Line Items.**

The Budget shall include as line items ("Budget Line Items"), to the extent determined to be applicable by Lender in its reasonable discretion, the cost of all labor, materials, equipment, fixtures and furnishings needed for the completion of the Construction, and all other costs, fees and expenses relating in any way whatsoever to the Construction of the Improvements, leasing commissions, tenant improvements and tenant allowances, operating deficits, real estate taxes, and all other sums due in connection with Construction and operation of the Project, the Loan, and this Agreement. Borrower agrees that all Loan proceeds disbursed by Lender shall be used only for the Budget Line Items for which such proceeds were disbursed.

Borrower shall have the right to reallocate cost savings effected by final Change Order or other appropriate final documentation to other Budget Line Items subject to Lender's prior written consent not to be unreasonably withheld.

Lender shall not be obligated to disburse any amount for any category of costs set forth as a Budget Line Item which is greater than the amount set forth for such category in the applicable Budget Line Item. Borrower shall pay as they become due all amounts set forth in the Budget with respect to costs to be paid for by Borrower. The developer fee of \$100,000.00 in the Budget will be advanced as follows: (i) \$50,000.00 shall be disbursed to Borrower at the time all the tenants under the Required Leases have taken occupancy and begun to pay their base rent; and (ii) the remaining \$50,000.00 shall be disbursed to Borrower at the time Borrower has obtained and accepted a take-out commitment that would repay the Loan in full.

#### **10.3 Contingency Fund.**

The Budget shall contain a Budget Line Item designated for the Contingency Fund. Borrower may from time to time request that the Contingency Fund be reallocated to pay needed costs of the Project. Such requests shall be subject to Lender's written approval in its reasonable discretion.

Borrower agrees that the decision with respect to utilizing portions of the Contingency Fund in order to keep the Loan In Balance shall be made by Lender in its reasonable discretion, and that Lender may require Borrower to make a Deficiency Deposit even if funds remain in the Contingency Fund. Once the Project begins to generate Net Operating Income, Borrower may only borrow from the Loan interest in excess of the Net Operating Income so generated.

#### **10.4 Optional Method for Payment of Interest.**

For Borrower's benefit, the Budget includes a Budget Line Item for interest payments on the Loan and, at Lender's option, amounts due from Borrower under any Interest Rate Agreement with respect to the Loan. Borrower hereby authorizes Lender from time to time, for the mutual convenience of Lender and Borrower, to disburse Loan proceeds to pay all the then accrued interest on the Note and to pay amounts due from Borrower under any Interest Rate Agreement with respect to the Loan, regardless of whether Borrower shall have specifically requested a disbursement of such amount. Any such disbursement, if made, shall be added to the

outstanding principal balance of the Note and shall, when disbursed, bear interest at the Adjusted Prime Rate. The authorization hereby granted, however, shall not obligate Lender to make disbursements of the Loan for interest payments or any amount due under any Interest Rate Agreement (except upon Borrower's qualifying for and requesting disbursement of that portion of the proceeds of the Loan allocated for such purposes in the Budget) nor prevent Borrower from paying accrued interest or amounts due under any Interest Rate Agreement from its own funds.

## **ARTICLE 11 SUFFICIENCY OF LOAN**

### **11.1 Loan In Balance.**

Anything contained in this Agreement to the contrary notwithstanding, it is expressly understood and agreed that the Loan shall at all times be "In Balance", on a Budget Line Item and an aggregate basis. A Budget Line Item shall be deemed to be "In Balance" only if Lender in its reasonable discretion determines that amount of such Budget Line Item is sufficient for its intended purpose. The Loan shall be deemed to be "In Balance" in the aggregate only when the total of the undisbursed portion of the Loan less the Contingency Fund (subject to Borrower's reallocation rights under Section 10.3), equals or exceeds the aggregate of (a) the costs required to complete the construction of the Project in accordance with the Plans and Specifications and the Budget, including, without limitation, all Tenant Work required to be performed by Borrower or tenant allowances to be paid for by Borrower under Leases or reasonably anticipated for unleased space; (b) the amounts to be paid as retainages to persons who have supplied labor or materials to the Project; (c) the amount in excess of the projected Net Operating Income required to pay interest on the Loan through the Maturity Date; and (d) all other hard and soft costs not yet paid for in connection with the Project, as such costs and amounts described in clauses (a), (b), (c) and (d) may be estimated and/or approved in writing by Lender from time to time. Borrower agrees that if for any reason, in Lender's reasonable discretion, the amount of such undistributed Loan proceeds shall at any time be or become insufficient for such purpose regardless of how such condition may be caused, Borrower will, within ten (10) days after written request by Lender, deposit the deficiency with Lender ("Deficiency Deposit"). The Deficiency Deposit shall first be exhausted before any further disbursement of Loan proceeds shall be made. Lender shall not be obligated to make any Loan disbursements if and for as long as the Loan is not In Balance.

## **ARTICLE 12 CONSTRUCTION PAYOUT REQUIREMENTS**

### **12.1 Applicability of Sections.**

The provisions contained in this Article 12 shall apply to the Opening of the Loan and to all disbursements of proceeds during Construction.

## **12.2 Monthly Payouts.**

After the Opening of the Loan, further disbursements shall be made during Construction from time to time as the Construction progresses, but no more frequently than once in each calendar month. At Lender's option, disbursements may be made by Lender into an escrow and subsequently disbursed to Borrower by the Title Insurer. If such option is exercised, those Loan proceeds shall be deemed to be disbursed to Borrower from the date of deposit into that escrow and interest shall accrue on those proceeds from that date, regardless of the date such proceeds are released by the Title Insurer.

## **12.3 Documents to be Furnished for Each Disbursement.**

As a condition precedent to each disbursement of the Loan proceeds (including the initial disbursement at the Opening of the Loan), Borrower shall furnish or cause to be furnished to Lender the following documents covering each disbursement, in form and substance satisfactory to Lender:

(a) A completed Borrower's Certificate in the form of Exhibit I attached hereto and made a part hereof and a completed Soft and Hard Cost Requisition Form in the form of Exhibit J attached hereto and made a part hereof, each executed by the Authorized Representative of Borrower;

(b) A completed standard AIA Form G702 and Form G703 signed by the General Contractor, subcontractors, and the Project engineer, together with General Contractor's sworn statements and unconditional waivers of lien, and all subcontractors', material suppliers' and laborers' conditional waivers of lien, covering all work, paid with the proceeds of the prior draw requests, together with such invoices, contracts or other supporting data as Lender may require to evidence that all costs for which disbursement is sought have been incurred;

(c) Paid invoices or other evidence satisfactory to Lender that fixtures and equipment, if any, have been paid for and are free of any lien or security interest therein;

(d) An endorsement to the Title Policy issued to Lender covering the date of disbursement and showing the Mortgage as a first, prior and paramount lien on the Project subject only to the Permitted Exceptions and real estate taxes that have accrued but are not yet due and payable and particularly that nothing has intervened to affect the validity or priority of the Mortgage;

(e) Copies of any proposed or executed Change Orders on standard AIA G701 form which have not been previously furnished to Lender and which require and are not valid without the signatures of the General Contractor, Borrower and Architect;

(f) Copies of all construction contracts (including subcontracts) which have been executed since the last disbursement, together with any Bonds obtained or required to be obtained with respect thereto;

(g) All Required Permits;

(h) Satisfactory evidence that all Government Approvals have been obtained for development of the Project; and

(i) Such other instruments, documents and information as Lender or the Title Insurer may reasonably request.

Disbursements shall be made approximately ten (10) days after receipt of all information required by Lender to approve the requested disbursements.

#### **12.4 Retainages.**

At the time of each disbursement of Loan proceeds, ten percent (10%) of the total amount then due the General Contractor and the various contractors, subcontractors and material suppliers for costs of the Construction shall be withheld from the amount disbursed. The retained Loan amounts for the Construction costs will be disbursed only at the time of the final disbursement of Loan proceeds under Article 13 below; provided, however, upon the satisfactory completion of one hundred percent (100%) of the work with respect to any trade (including any trade performed by the General Contractor) or the delivery of all materials pursuant to a purchase order in accordance with the Plans and Specifications as certified by the Architect and the Lender's Consultant, Lender may decide on a case by case basis (but shall not be obligated) to permit retainages with respect to such trade or order, as the case may be, to be disbursed to Borrower upon the Lender's Consultant's approval of all work and materials and Lender's receipt of a final waiver of lien with respect to such completed work or delivered materials.

#### **12.5 Disbursements for Materials Stored On-Site.**

Any requests for disbursements which in whole or in part relate to materials, equipment or furnishings which Borrower owns and which are not incorporated into the Improvements as of the date of the request for disbursement, but are to be temporarily stored at the Project, shall be made in an aggregate amount not to exceed \$25,000.00. Any such request must be accompanied by evidence satisfactory to Lender that (i) such stored materials are included within the coverages of insurance policies carried by Borrower, (ii) the ownership of such materials is vested in Borrower free of any liens and claims of third parties, (iii) such materials are properly insured and protected against theft or damage, (iv) the materials used in the Construction are not commodity items but are uniquely fabricated for the Construction, (v) the Lender's Consultant has viewed and inspected the stored materials, and (vi) in the opinion of the Lender's consultant the stored materials are physically secured and can be incorporated into the Project within forty five (45) days. Lender may require separate Uniform Commercial Code financing statements to cover any such stored materials.

#### **12.6 Disbursements for Offsite Materials.**

Lender may in its sole discretion, but shall not be obligated to, make disbursements for materials stored off-site, in which event all of the requirements of Section 12.5 shall be applicable to such disbursement as well as any other requirements which Lender may, in its sole discretion, determine are appropriate under the circumstances.

## **12.7 Disbursements For Tenant Work and Allowances.**

(a) Lender shall make disbursements for tenant allowances or Tenant Work based on the percentage of the Construction complete at the time of the disbursement request, subject to the retainages set forth in Section 12.4.

(b) The first request for disbursement for Tenant Work in connection with a specific leased space in the Project shall be accompanied by the following, all of which shall be subject to the approval of Lender:

- (i) copies of all contracts, if not previously delivered to Lender, for the performance of such Tenant Work;
- (ii) a cost breakdown for each trade performing Tenant Work in such leased space, and an estimated commencement and completion date;
- (iii) an estimate of all direct costs of the Tenant Work to be performed in such leased space which has not been contracted for or made subject to a work order or order to proceed;
- (iv) plans and specifications for the leased space, together with a certificate from an architect acceptable to Lender that such plans and specifications comply with all Laws affecting the Project and the lease covering such leased space; and
- (v) a fully executed Lease approved by Lender covering such leased space.

## **ARTICLE 13 FINAL DISBURSEMENT FOR CONSTRUCTION**

### **13.1 Final Disbursement for Construction.**

Lender will advance to Borrower the final disbursement for the cost of the Construction (including retainages) when the following conditions have been complied with, provided that all other conditions in this Agreement for disbursements have been complied with:

(a) The Improvements have been fully completed and equipped in accordance with the Plans and Specifications free and clear of mechanics' liens and security interests and are ready for occupancy;

(b) Borrower shall have furnished to Lender "all risks" casualty insurance in form and amount and with companies satisfactory to Lender in accordance with the requirements contained herein;

(c) Borrower shall have furnished to Lender copies of all licenses and permits required by any Governmental Authority having jurisdiction for the occupancy of the Improvements and the operation thereof, including a certificate of occupancy from the

(h) Borrower shall have furnished to Lender a certificate from the Architect or other evidence satisfactory to Lender dated at or about the Completion Date stating that (i) the Improvements have been completed in accordance with the Plans and Specifications, and (ii) the Improvements as so completed comply with all applicable Laws; and

(i) Lender shall have received a certificate from the Lender's Consultant for the sole benefit of Lender that the Improvements have been satisfactorily completed in accordance with the Plans and Specifications.

If Borrower fails to comply with and satisfy any of the final disbursement conditions contained in this Section 13.1 within sixty (60) days after the Completion Date, such failure shall constitute an Event of Default hereunder.

## **ARTICLE 15 OTHER COVENANTS**

### **15.1 Borrower further covenants and agrees as follows:**

(a) Opening of Loan on or Prior to Loan Opening Date. All conditions precedent to the Opening of the Loan shall be complied with on or prior to the Loan Opening Date. If the Loan Opening Date has not occurred on or before ninety (90) days from the date of this

Agreement, Lender may at its sole option terminate Lender's obligation to fund the Loan by written notice to Borrower.

(b) Construction of Improvements. The Improvements shall be constructed and fully equipped in a good and workmanlike manner with materials of high quality, strictly in accordance with the Plans and Specifications (or in accordance with any changes therein that may be approved in writing by Lender or as to which Lender's approval is not required), and such construction and equipping will be commenced on or before the Construction Commencement Date and prosecuted with due diligence and continuity in accordance with the Construction Schedule and fully completed not later than the Completion Date. The Completion Date shall be extended in writing by Lender by the number of days resulting from any Unavoidable Delay in the construction of the Project, (but under no circumstances shall Lender be obligated to extend the Completion Date beyond thirty (30) days), provided that Lender shall not be obligated to grant any such extension unless (a) Borrower gives notice of such delay to Lender within ten (10) days of learning of the event resulting in such delay, (b) after giving effect to the consequences of such delay, the Loan shall remain "In Balance" and (c) such delay is permitted under each of the Leases, or Borrower obtains a written extension from each Tenant whose Lease does not permit such delay.

(c) Changes in Plans and Specifications. No changes will be made in the Plans and Specifications without the prior written approval of Lender; provided, however, that Borrower may make changes to the Plans and Specifications if (i) Borrower notifies Lender in writing of such change within seven (7) days thereafter; (ii) Borrower obtains the approval of all parties whose approval is required, including any Tenants under Leases, sureties, and any Governmental Authority to the extent approval from such parties is required; (iii) the structural integrity of the Improvements is not impaired; (iv) no material change in architectural appearance is effected; (v) the performance of the mechanical, electrical, and life safety systems of the Improvements is not affected; (vi) the cost of or reduction resulting from such change (x) does not exceed \$25,000 and (y) when added to all other changes which have not been approved in writing by Lender, the resulting aggregate cost or reduction does not exceed \$25,000. Changes in the scope of construction work or to any construction related contract must be documented with a change order on the AIA Form G701 or equivalent form.

(d) Inspection by Lender. Borrower will cooperate with Lender in arranging for inspections by representatives of Lender of the progress of the Construction from time to time including an examination of (i) the Improvements, (ii) all materials to be used in the Construction, (iii) all plans and shop drawings which are or may be kept at the construction site, (iv) any contracts, bills of sale, statements, receipts or vouchers in connection with the Improvements, (v) all work done, labor performed, materials furnished in and about the Improvements, (vi) all books, contracts and records with respect to the Improvements, and (vii) any other documents relating to the Improvements or the Construction. Borrower shall cooperate with Lender's Consultant to enable him to perform his functions hereunder and will promptly comply with Lender's requirements and remove any dissatisfaction regarding the Construction of the Improvements or the progress thereof.

(e) Mechanics' Liens and Contest Thereof. Borrower will not suffer or permit any mechanics' lien claims to be filed or otherwise asserted against the Project or any funds due to the General Contractor, and will promptly discharge the same in case of the filing of any claims for lien or proceedings for the enforcement thereof, provided, however, that Borrower shall have the right to contest in good faith and with reasonable diligence the validity of any such lien or claim provided that Borrower posts a statutory lien bond which removes such lien from title to the Project within twenty (20) days of written notice by Lender to Borrower of the existence of the lien.) Lender will not be required to make any further disbursements of the proceeds of the Loan until any mechanics' lien claims have been removed and Lender may, at its option, restrict disbursements to reserve sufficient sums to pay 150% of the lien.

(f) Settlement of Mechanics' Lien Claims. If Borrower shall fail promptly either (i) to discharge any such lien, or (ii) post a statutory lien bond in the manner provided in Section 15.1(e) Lender may, at its election (but shall not be required to), procure the release and discharge of any such claim and any judgment or decree thereon and, further, may in its sole discretion effect any settlement or compromise of the same, or may furnish such security or indemnity to the Title Insurer, and any amounts so expended by Lender, including premiums paid or security furnished in connection with the issuance of any surety company bonds, shall be deemed to constitute disbursement of the proceeds of the Loan hereunder. In settling, compromising or discharging any claims for lien, Lender shall not be required to inquire into the validity or amount of any such claim.

(g) Renewal of Insurance. Borrower shall cause insurance policies to be maintained in compliance with Exhibit F at all times. Borrower shall timely pay all premiums on all insurance policies required hereunder, and as and when additional insurance is required, from time to time, during the progress of Construction, and as and when any policies of insurance may expire, furnish to Lender, premiums prepaid, additional and renewal insurance policies with companies, coverage and in amounts satisfactory to Lender in accordance with Section 8.1(h).

(h) Payment of Taxes. Borrower shall pay all real estate taxes and assessments and charges of every kind upon the Project before the same become delinquent, provided, however, that Borrower shall have the right to pay such tax under protest or to otherwise contest any such tax or assessment, but only if (i) such contest has the effect of preventing the collection of such taxes so contested and also of preventing the sale or forfeiture of the Project or any part thereof or any interest therein, (ii) Borrower has notified Lender of Borrower's intent to contest such taxes, and (iii) Borrower has deposited security in form and amount satisfactory to Lender, in its sole discretion, and has increased the amount of such security so deposited promptly after Lender's request therefor. If Borrower fails to commence such contest or, having commenced to contest the same, and having deposited such security required by Lender for its full amount, shall thereafter fail to prosecute such contest in good faith or with due diligence, or, upon adverse conclusion of any such contest, shall fail to pay such tax, assessment or charge, Lender may, at its election (but shall not be required to), pay and discharge any such tax, assessment or charge, and any interest or penalty thereon, and any amounts so expended by Lender shall be deemed to constitute disbursements of the Loan proceeds hereunder (even if the total amount of disbursements would exceed the face amount of the Note). Borrower shall furnish to Lender evidence that taxes are paid at least five (5) days prior to the last date for payment of such taxes and before imposition of any penalty or accrual of interest.

(i) Tax and Insurance Escrow Accounts. Borrower shall, following the written request of Lender or upon the occurrence of any Event of Default, make insurance and tax escrow deposits, in amounts reasonably determined by Lender from time to time as being needed to pay taxes and insurance premiums when due, in an interest bearing escrow account held by Lender in Lender's name and under its sole dominion and control. All payments deposited in the escrow account, and all interest accruing thereon, are pledged as additional collateral for the Loan. Notwithstanding Lender's holding of the escrow account, nothing herein shall obligate Lender to pay any insurance premiums or real property taxes with respect to any portion of the Project unless the Event of Default has been cured to the satisfaction of Lender. If the Event of Default has been satisfactorily cured, Lender shall make available to Borrower such funds as may be deposited in the escrow account from time to time for Borrower's payment of insurance premiums or real property taxes due with respect to the Project.

(j) Personal Property. All of Borrower's personal property, fixtures, attachments and equipment delivered upon, attached to or used in connection with the Construction or the operation of the Project shall always be located at the Project and shall be kept free and clear of all liens, encumbrances and security interests.

(k) Leasing Restrictions. Without the prior written consent of Lender, Borrower and Borrower's agents shall not (i) enter into any additional Leases, (ii) modify, amend or terminate any Lease, or (iii) accept any rental payment in advance of its due date. The terms of all Leases, whether now existing or hereafter executed (including, without limitation, the term of the leases and any co-tenancy provisions) must be acceptable to Lender. Borrower shall provide Lender with a copy of all Leases no less than ten (10) days prior to execution of such Leases. Borrower shall provide Lender with a copy of the fully executed original of all Leases promptly following their execution.

(l) Defaults Under Leases. Borrower will not suffer or permit any breach or default to occur in any of Borrower's obligations under any of the Leases nor suffer or permit the same to terminate by reason of any failure of Borrower to meet any requirement of any Lease including those with respect to any time limitation within which any of Borrower's work is to be done or the space is to be available for occupancy by the lessee. Borrower shall notify Lender promptly in writing in the event a Tenant commits a material default under a Lease.

(m) Lender's Attorneys' Fees for Enforcement of Agreement. In case of any default or Event of Default hereunder, Borrower (in addition to Lender's attorneys' fees, if any, to be paid pursuant to Section 7.3) will pay Lender's attorneys' and paralegal fees (including, without limitation, any attorney and paralegal fees and costs incurred in connection with any litigation or bankruptcy or administrative hearing and any appeals therefrom and any post-judgment enforcement action including, without limitation, supplementary proceedings) in connection with the enforcement of this Agreement; without limiting the generality of the foregoing, if at any time or times hereafter Lender employs counsel (whether or not any suit has been or shall be filed and whether or not other legal proceedings have been or shall be instituted) for advice or other representation with respect to the Project, this Agreement, or any of the other Loan Documents, or to protect, collect, lease, sell, take possession of, or liquidate any of the Project, or to attempt to enforce any security interest or lien in any portion of the Project, or to enforce any rights of Lender or Borrower's obligations hereunder, then in any of such events all of the

attorneys' fees arising from such services, and any expenses, costs and charges relating thereto (including fees and costs of paralegals), shall constitute an additional liability owing by Borrower to Lender, payable on demand.

(n) Appraisals. Lender shall have the right to obtain a new or updated Appraisal of the Project from time to time. Borrower shall cooperate with Lender in this regard. If the Appraisal is obtained to comply with this Agreement or any applicable law or regulatory requirement, or bank policy promulgated to comply therewith, or if an Event of Default exists, Borrower shall pay for any such Appraisal upon Lender's request.

(o) Furnishing Information. Borrower shall deliver or cause to be delivered to Lender: (i) annual financial statements and a completed Certificate of Compliance in the form of Exhibit K attached hereto within one hundred and twenty (120) days after the end of each calendar year with respect to the Borrower and the Guarantors (other than Jeff H. Farmer, Jr.), and (ii) with respect to Jeff H. Farmer, Jr., updated personal financial statements and a completed Certificate of Compliance in the form of Exhibit K attached hereto every sixteen (16) months from the date that such information was last provided to the Lender. All such financial statements shall be in a format approved in writing by Lender in Lender's reasonable sole discretion. Each financial statement shall be certified as true, complete and correct by its preparer and by Borrower or, in the case of each of the Guarantors' financial statements, by the Guarantor to whom it relates. Borrower shall deliver to Lender with respect to Borrower and Guarantor annual Federal Income Tax Returns within ten (10) days after timely filing. In addition, prior to the Loan Opening and then not later than sixty (60) days before the end of each fiscal year of Borrower, Borrower shall deliver to Lender the Project's updated annual operating budget for the following fiscal year. Within fifteen (15) days following the end of each month, Borrower shall deliver to Lender: (i) monthly unaudited operating cash flow statements for the Project, certified as true, complete and correct by Borrower showing actual sources and uses of cash during the preceding month, and (ii) a current rent roll and a summary of all leasing activity then taking place with respect to the Project, particularly describing the status of all pending non-residential lease negotiations, if any. Borrower shall deliver to Lender upon the Completion Date and then not later than forty-five (45) days after the end of each calendar quarter operating statements for the Project, in form acceptable to Lender. Borrower and the Guarantor shall provide such additional financial information as Lender reasonably requires. Borrower shall during regular business hours permit Lender or any of its agents or representatives to have access to and examine all of its books and records regarding the development and operation of the Project. If any such financial statement or other report or information described in this subsection is not delivered to Lender as provided above, Borrower agrees to pay a late charge to Lender in the amount of \$500 per item per day.

(p) Sign and Publicity. Upon Lender's request, Borrower shall promptly erect a sign approved in advance by Lender in a conspicuous location on the Project during the Construction indicating that the financing for the Project is provided by Lender. Lender reserves the right to publicize the making of the Loan.

(q) Lost Note. Upon Lender's furnishing to Borrower an affidavit to such effect, Borrower shall, if the Note is mutilated, destroyed, lost or stolen, deliver to Lender, in substitution therefor, a new note containing the same terms and conditions as the Note.

(r) Indemnification. Borrower shall indemnify Lender, including each party owning an interest in the Loan and their respective officers, directors, employees and consultants (each, an "Indemnified Party") and defend and hold each Indemnified Party harmless from and against all claims, injury, damage, loss and liability, cost and expense (including attorneys' fees, costs and expenses) of any and every kind to any persons or property by reason of (i) the Construction; (ii) the operation or maintenance of the Project; (iii) any breach of representation or warranty, default or Event of Default under this Agreement or any other Loan Document or Related Document; or (iv) any other matter arising in connection with the Loan, Borrower, Guarantor or Tenant, or the Project. No Indemnified Party shall be entitled to be indemnified against its own gross negligence or willful misconduct. The foregoing indemnification shall survive repayment of the Loan and shall continue to benefit Lender following any assignment of the Loan with respect to matters arising or accruing prior to such assignment.

(s) No Additional Debt. Except for the Loan, Borrower shall not incur any indebtedness (whether personal or nonrecourse, secured or unsecured) other than customary trade payables paid within sixty (60) days after they are incurred.

(t) Compliance With Laws. Borrower shall comply with all applicable requirements (including applicable Laws) of any Governmental Authority having jurisdiction over Borrower or the Project.

(u) Organizational Documents. Borrower shall not, without the prior written consent of Lender, permit or suffer (i) a material amendment or modification of its organizational documents, (ii) the admission of any new member, partner or shareholder, or (iii) any dissolution or termination of its existence.

(v) Furnishing Reports. Upon Lender's request, Borrower shall provide Lender with copies of all inspections, reports, test results and other information received by any Borrower, which in any way relate to the Project or any part thereof.

(w) Management Contracts. Borrower shall not enter into, modify, amend, terminate or cancel any management contracts for the Project or agreements with agents or brokers, without the prior written approval of Lender.

(x) Furnishing Notices. Borrower shall provide Lender with copies of all material notices pertaining to the Project received by Borrower from any Tenant, Governmental Authority or insurance company within seven (7) days after such notice is received.

(y) Construction Contracts. Borrower shall not enter into, modify, amend, terminate or cancel any contracts for the Construction, without the prior written approval of Lender, which approval shall not be unreasonably withheld. Borrower will furnish Lender promptly after execution thereof executed copies of all contracts between Borrower, architects, engineers and contractors and all subcontracts between the General Contractor or contractors and all of their subcontractors and suppliers, which contracts and subcontracts may not have been furnished pursuant to Section 9.1(a) at the time of the Opening of the Loan.

(z) Correction of Defects. Within five (5) days after Borrower acquires knowledge of or receives notice of a defect in the Improvements or any departure from the Plans and Specifications, or any other requirement of this Agreement, Borrower will proceed with diligence to correct all such defects and departures.

(aa) Hold Disbursements in Trust. Borrower shall receive and hold in trust for the sole benefit of Lender (and not for the benefit of any other person, including, but not limited to, contractors or any subcontractors) all advances made hereunder directly to Borrower, for the purpose of paying costs of the Construction in accordance with the Budget. Borrower shall use the proceeds of the Loan solely for the payment of costs as specified in the Budget. Borrower will pay all other costs, expenses and fees relating to the acquisition, equipping, use and operation of the Project.

(bb) Foundation Survey. Not later than thirty (30) days after completion of the foundation with respect to the Improvements, Borrower shall furnish to Lender a survey of the Land with the foundation of the Improvements located thereon, and also satisfying the requirements set forth in Section 8.1(c).

(cc) Alterations. Without the prior written consent of Lender, Borrower shall not make any material alterations to the Project (other than completion of the Construction in accordance with the Plans and Specifications).

(dd) Cash Distributions. Borrower shall not make any distributions to partners, members or shareholders, provided that after completion of Construction and achievement of breakeven operations Borrower may so distribute Monthly Excess Cash Flow not needed to pay Operating Expenses or amount payable under the Loan Documents.

(ee) Net Cash Flow Deposit. All Net Cash Flow from the Project shall be deposited with Lender in a demand deposit account in Borrower's name but under Lender's sole dominion and control. Funds deposited into such account shall be applied against the monthly payments of interest and principal on the Loan and Loan proceeds will be disbursed from the interest reserve set out in the Budget only to the extent the Net Cash Flow is not sufficient to make the payments.

(ff) Conduit Program. Lender shall have the right to make the first offer, and to match Borrower's best offer, with respect to placing the Loan into a conduit program.

## **15.2 Authorized Representative.**

Borrower hereby appoints Jeff Farmer, Jr. as its Authorized Representative for purposes of dealing with Lender on behalf of Borrower in respect of any and all matters in connection with this Agreement, the other Loan Documents, and the Loan. The Authorized Representative shall have the power, in his discretion, to give and receive all notices, monies, approvals, and other documents and instruments, and to take any other action on behalf of Borrower. All actions by the Authorized Representative shall be final and binding on Borrower. Lender may rely on the authority given to the Authorized Representative until actual receipt by Lender of a duly authorized resolution substituting a different person as the Authorized Representative. No more than one person shall serve as Authorized Representative at any given time.

## **ARTICLE 16**

### **CASUALTIES AND CONDEMNATION**

#### **16.1 Lender's Election to Apply Proceeds on Indebtedness.**

(a) Subject to the provisions of Section 16.1(b) below, Lender may elect to collect, retain and apply upon the indebtedness of Borrower under this Agreement or any of the other Loan Documents all proceeds of insurance or condemnation (individually and collectively referred to as "Proceeds") after deduction of all expenses of collection and settlement, including attorneys' and adjusters' fees and charges. Any proceeds remaining after repayment of the indebtedness under the Loan Documents shall be paid by Lender to Borrower.

(b) Notwithstanding anything in Section 16.1(a) to the contrary, in the event of any casualty to the Improvements or any condemnation of part of the Project, Lender agrees to make available the Proceeds to restoration of the Improvements if (i) no Event of Default exists, (ii) all Proceeds are deposited with Lender, (iii) in Lender's reasonable judgment, the amount of Proceeds available for restoration of the Improvements (together with undisbursed proceeds of the Loan, if any, allocated for the cost of the Construction and any sums or other security acceptable to Lender deposited with Lender by Borrower for such purpose) is sufficient to pay the full and complete costs of such restoration, (iv) no material Leases in effect at the time of such casualty or condemnation are or will be terminated nor rent decreased as a result of such casualty or condemnation, (v) if the cost of restoration exceeds ten percent (10%) of the Loan Amount, in Lender's sole determination after completion of restoration the Loan Amount will not exceed 75% of the fair market value of the Project, (vi) in Lender's reasonable determination, the Project can be restored to an architecturally and economically viable project in compliance with applicable Laws, (vii) each Guarantor reaffirms its Guaranty in writing, and (viii) in Lender's reasonable determination, such restoration is likely to be completed not later than three months prior to the Maturity Date.

#### **16.2 Borrower's Obligation to Rebuild and Use of Proceeds Therefor.**

In case Lender does not elect to apply or does not have the right to apply the Proceeds to the indebtedness, as provided in Section 16.1 above, Borrower shall:

(a) Proceed with diligence to make settlement with insurers or the appropriate governmental authorities and cause the Proceeds to be deposited with Lender;

(b) In the event of any delay in making settlement with insurers or the appropriate governmental authorities or effecting collection of the Proceeds, deposit with Lender the full amount required to complete construction as aforesaid;

(c) In the event the Proceeds and the available proceeds of the Loan are insufficient to assure the Lender that the Loan will be In Balance, promptly deposit with Lender any amount necessary to place the Loan In Balance; and

(d) Promptly proceed with the assumption of construction of the Improvements, including the repair of all damage resulting from such fire, condemnation or other cause and restoration to its former condition.

Any request by Borrower for a disbursement by Lender of Proceeds and funds deposited by Borrower shall be treated by Lender as if such request were for an advance of the Loan hereunder, and the disbursement thereof shall be conditioned upon Borrower's compliance with and satisfaction of the same conditions precedent as would be applicable under this Agreement for an advance of the Loan.

## **ARTICLE 17**

### **ASSIGNMENTS BY LENDER AND BORROWER**

#### **17.1 Assignments and Participations.**

Lender may from time to time sell the Loan and the Loan Documents (or any interest therein) and may grant participations in the Loan. Borrower agrees to cooperate with Lender's efforts to do any of the foregoing and to execute all documents reasonably required by Lender in connection therewith which do not materially adversely affect Borrower's rights under the Loan Documents.

#### **17.2 Prohibition of Assignments and Transfers by Borrower.**

Borrower shall not assign or attempt to assign its rights under this Agreement and any purported assignment shall be void. Without the prior written consent of Lender, in Lender's sole discretion, Borrower shall not suffer or permit (a) any change in the management (whether direct or indirect) of the Project, or (b) any Transfer.

#### **17.3 Prohibition of Transfers in Violation of ERISA.**

In addition to the prohibitions set forth in Section 17.2 above, Borrower shall not assign, sell, pledge, encumber, transfer, hypothecate or otherwise dispose of its interest or rights in this Agreement or in the Project, or attempt to do any of the foregoing or suffer any of the foregoing, nor shall any party owning a direct or indirect interest in Borrower assign, sell, pledge, mortgage, encumber, transfer, hypothecate or otherwise dispose of any of its rights or interest (direct or indirect) in Borrower, attempt to do any of the foregoing or suffer any of the foregoing, if such action would cause the Loan, or the exercise of any of Lender's rights in connection therewith, to constitute a prohibited transaction under ERISA or the Internal Revenue Code or otherwise result in Lender being deemed in violation of any applicable provision of ERISA. Borrower agrees to indemnify and hold Lender free and harmless from and against all losses, costs (including attorneys' fees and expenses), taxes, damages (including consequential damages) and expenses Lender may suffer by reason of the investigation, defense and settlement of claims and in obtaining any prohibited transaction exemption under ERISA necessary or desirable in Lender's sole judgment or by reason of a breach of the foregoing prohibitions. The foregoing indemnification shall be a recourse obligation of Borrower and shall survive repayment of the Note, notwithstanding any limitations on recourse contained herein or in any of the Loan Documents.

#### **17.4 Successors and Assigns.**

Subject to the foregoing restrictions on transfer and assignment contained in this Article 17, this Agreement shall inure to the benefit of and shall be binding on the parties hereto and their respective successors and permitted assigns.

### **ARTICLE 18 TIME OF THE ESSENCE**

#### **18.1 Time is of the Essence.**

Borrower agrees that time is of the essence under this Agreement.

### **ARTICLE 19 EVENTS OF DEFAULT**

The occurrence of any one or more of the following shall constitute an "Event of Default" as said term is used herein:

(a) Failure of Borrower (i) (A) to make any principal payment when due, (B) to pay any interest within ten (10) days after the date when due or (C) to observe or perform any of the other covenants or conditions by Borrower to be performed under the terms of this Agreement or any other Loan Document concerning the payment of money, for a period of ten (10) days after written notice from Lender that the same is due and payable; or (ii) for a period of thirty (30) days after written notice from Lender, to observe or perform any non-monetary covenant or condition contained in this Agreement or any other Loan Documents; provided that if any such failure concerning a non-monetary covenant or condition is susceptible to cure and cannot reasonably be cured within said thirty (30) day period, then Borrower shall have an additional sixty (60) day period to cure such failure and no Event of Default shall be deemed to exist hereunder so long as (Y) Borrower commences such cure within the initial thirty (30) day period and diligently and in good faith pursues such cure to completion within such resulting ninety (90) day period from the date of Lender's notice, and (Z) the existence of such default will not result in any Tenant having the right to terminate its Lease due to such default; and provided further that if a different notice or grace period is specified under any other subsection of this Section 19.1 with respect to a particular breach, or if another subsection of this Section 19.1 applies to a particular breach and does not expressly provide for a notice or grace period the specific provision shall control.

(b) The disapproval by Lender or Lender's Consultant at any time of any construction work and failure of Borrower to cause the same to be corrected to the satisfaction of Lender within the cure period provided in Section 19.1(a)(ii) above.

(c) A delay in the Construction or a discontinuance for a period of fifteen (15) days after written notice from Lender concerning such delay or discontinuance (other than Unavoidable Delays), or in any event a delay in the Construction so that the same is not, in Lender's judgment (giving due consideration to the assessment of Lender's Consultant), likely to be completed on or before the Completion Date.

(d) The bankruptcy or insolvency of the General Contractor and failure of Borrower to procure a contract with a new contractor satisfactory to Lender within thirty (30) days from the occurrence of such bankruptcy or insolvency.

(e) Any Transfer or other disposition in violation of Sections 17.2 or 17.3.

(f) Any material default by Borrower, as lessor, under the terms of any Lease following the expiration of any applicable notice and cure period, provided that if the Lease does not provide a notice and cure period, then the notice and cure period provided in (a)(i) above will apply to any such monetary default, and the notice and cure period provided in (a)(ii) will apply to any such non-monetary default (which respective periods shall commence upon written notice of default from Lender or the applicable Tenant, whichever occurs first).

(g) If any warranty, representation, statement, report or certificate made now or hereafter by Borrower or any Guarantor is untrue or incorrect at the time made or delivered, provided that if such breach is reasonably susceptible of cure, then no Event of Default shall exist so long as Borrower cures said breach (i) within the notice and cure period provided in (a)(i) above for a breach that can be cured by the payment of money or (ii) within the notice and cure period provided in (a)(ii) above for any other breach.

(h) Borrower or any Guarantor shall commence a voluntary case concerning Borrower or such Guarantor under the Bankruptcy Code; or an involuntary proceeding is commenced against Borrower or any Guarantor under the Bankruptcy Code and relief is ordered against Borrower or such Guarantor, or the petition is controverted but not dismissed or stayed within sixty (60) days after the commencement of the case, or a custodian (as defined in the Bankruptcy Code) is appointed for or takes charge of all or substantially all of the property of Borrower or any Guarantor; or the Borrower or any Guarantor commences any other proceedings under any reorganization, arrangement, readjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar Law of any jurisdiction whether now or hereafter in effect relating to the Borrower or any Guarantor; or there is commenced against Borrower or any Guarantor any such proceeding which remains undismissed or unstayed for a period of sixty (60) days; or the Borrower or any Guarantor fails to controvert in a timely manner any such case under the Bankruptcy Code or any such proceeding, or any order of relief or other order approving any such case or proceeding is entered; or the Borrower or any Guarantor by any act or failure to act indicates its consent to, approval of, or acquiescence in any such case or proceeding or the appointment of any custodian or the like of or for it for any substantial part of its property or suffers any such appointment to continue undischarged or unstayed for a period of sixty (60) days.

(i) Borrower or any Guarantor shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or shall consent to the appointment of a receiver or trustee or liquidator of all of its property or the major part thereof or if all or a substantial part of the assets of Borrower or any Guarantor are attached, seized, subjected to a writ or distress warrant, or are levied upon, or come into the possession of any receiver, trustee, custodian or assignee for the benefit of creditors.

(j) If Borrower is enjoined, restrained or in any way prevented by any court order from constructing or operating the Project.

(k) Failure by Borrower to make any Deficiency Deposit with Lender within the time and in the manner required by Article 11 hereof.

(l) One or more final, unappealable judgments are entered (i) against Borrower in amounts aggregating in excess of \$100,000 or (ii) against any Guarantor in amounts aggregating in excess of \$250,000, and said judgments are not stayed or bonded over within thirty (30) days after entry.

(m) If Borrower or any Guarantor shall fail to pay any debt owed by it or is in default under any agreement with Lender or any other party (other than a failure or default for which Borrower's maximum liability does not exceed \$100,000 and Guarantor's maximum liability does not exceed \$250,000) and such failure or default continues after any applicable grace period specified in the instrument or agreement relating thereto.

(n) If a Material Adverse Change occurs with respect to Borrower, the Project or any Guarantor or any material Tenant.

(o) The occurrence of any other event or circumstance denominated as an Event of Default in this Agreement or under any of the other Loan Documents and the expiration of any applicable grace or cure periods, if any, specified for such Event of Default herein or therein, as the case may be.

(p) Failure of the Guarantors to meet the minimum net worth test and the minimum liquidity test set forth in 8.1(x) on each anniversary of the date of this Agreement occurring during the term of the Loan.

## **ARTICLE 20**

### **LENDER'S REMEDIES IN EVENT OF DEFAULT**

#### **20.1 Remedies Conferred Upon Lender.**

Upon the occurrence of any Event of Default, Lender may pursue any one or more of the following remedies concurrently or successively, it being the intent hereof that none of such remedies shall be to the exclusion of any other:

(a) Take possession of the Project and complete the Construction and do anything which is necessary or appropriate in its sole judgment to fulfill the obligations of Borrower under this Agreement and the other Loan Documents, including either the right to avail itself of and procure performance of existing contracts or let any contracts with the same contractors or others. Without restricting the generality of the foregoing and for the purposes aforesaid, Borrower hereby appoints and constitutes Lender its lawful attorney-in-fact with full power of substitution in the Project to complete the Construction in the name of Borrower; to use unadvanced funds remaining under the Note or which may be reserved, escrowed or set aside for any purposes hereunder at any time, or to advance funds in excess of the face amount of the Note, to complete the Construction; to make changes in the Plans and Specifications which shall be necessary or desirable to complete the Construction in substantially the manner contemplated by the Plans and Specifications; to retain or employ new general contractors, subcontractors, architects, engineers and inspectors as shall be required for said purposes; to pay, settle or compromise all existing bills and claims, which may be liens or security interests, or to avoid such bills and claims becoming liens against the Project; to execute all applications and certificates in the name of Borrower prosecute and defend all actions or proceedings in connection with the Improvements or Project; to take action and require such performance as it deems necessary under any of the Bonds to be furnished hereunder and to make settlements and compromises with the surety or sureties thereunder, and in connection therewith, to execute instruments of release and satisfaction; and to do any and every act which the Borrower might do in its own behalf; it being understood and agreed that this power of attorney shall be a power coupled with an interest and cannot be revoked;

(b) Withhold further disbursement of the proceeds of the Loan and/or terminate Lender's obligations to make further disbursements hereunder;

(c) Declare the Note to be immediately due and payable;

(d) Use and apply any monies or letters of credit deposited by Borrower with Lender, regardless of the purposes for which the same was deposited, to cure any such default or to apply on account of any indebtedness under this Agreement which is due and owing to Lender; and

(e) Exercise or pursue any other remedy or cause of action permitted under this Agreement or any other Loan Documents, or conferred upon Lender by operation of Law.

Notwithstanding the foregoing, upon the occurrence of any Event of Default under Section 19.1(h) with respect to Borrower, all amounts evidenced by the Note shall automatically become due and payable, without any presentment, demand, protest or notice of any kind to Borrower.

**ARTICLE 21**  
**GENERAL PROVISIONS**

**21.1 Captions.**

The captions and headings of various Articles, Sections and subsections of this Agreement and Exhibits pertaining hereto are for convenience only and are not to be considered as defining or limiting in any way the scope or intent of the provisions hereof.

**21.2 Modification; Waiver.**

No modification, waiver, amendment or discharge of this Agreement or any other Loan Document shall be valid unless the same is in writing and signed by the party against which the enforcement of such modification, waiver, amendment or discharge is sought.

**21.3 Governing Law.**

Irrespective of the place of execution and/or delivery, this Agreement shall be governed by, and shall be construed in accordance with, the laws of the State of Ohio.

**21.4 Acquiescence Not to Constitute Waiver of Lender's Requirements.**

Each and every covenant and condition for the benefit of Lender contained in this Agreement may be waived by Lender, provided, however, that to the extent that Lender may have acquiesced in any noncompliance with any construction or nonconstruction conditions precedent to the Opening of the Loan or to any subsequent disbursement of Loan proceeds, such acquiescence shall not be deemed to constitute a waiver by Lender of such requirements with respect to any future disbursements of Loan proceeds.

**21.5 Disclaimer by Lender.**

This Agreement is made for the sole benefit of Borrower and Lender, and no other person or persons shall have any benefits, rights or remedies under or by reason of this Agreement, or by reason of any actions taken by Lender pursuant to this Agreement. Lender shall not be liable to any contractors, subcontractors, supplier, architect, engineer, tenant or other party for labor or services performed or materials supplied in connection with the Construction. Lender shall not be liable for any debts or claims accruing in favor of any such parties against Borrower or others or against the Project. Lender, by making the Loan or taking any action pursuant to any of the Loan Documents, shall not be deemed a partner or a joint venturer with Borrower or fiduciary of Borrower. No payment of funds directly to a contractor or subcontractor or provider of services shall be deemed to create any third-party beneficiary status or recognition of same by the Lender. Without limiting the generality of the foregoing:

(a) Lender shall have no liability, obligation or responsibility whatsoever with respect to the Construction. Any inspections of the Construction made by or through Lender are for purposes of administration of the Loan only and neither Borrower nor any third party is entitled

to rely upon the same with respect to the quality, adequacy or suitability of materials or workmanship, conformity to the Plans and Specifications, state of completion or otherwise;

(b) Lender neither undertakes nor assumes any responsibility or duty to Borrower to select, review, inspect, supervise, pass judgment upon or inform Borrower of any matter in connection with the Project, including matters relating to the quality, adequacy or suitability of: (i) the Plans and Specifications, (ii) architects, contractors, subcontractors and material suppliers employed or utilized in connection with the Construction, or the workmanship of or the materials used by any of them, or (iii) the progress or course of Construction and its conformity or nonconformity with the Plans and Specifications; Borrower shall rely entirely upon its own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment or supply of information to Borrower by Lender in connection with such matters is for the protection of Lender only, and neither Borrower nor any third party is entitled to rely thereon; and

(c) Lender owes no duty of care to protect Borrower, Guarantor, or any Tenant against negligent, faulty, inadequate or defective building or construction.

#### **21.6 Partial Invalidity; Severability.**

If any of the provisions of this Agreement, or the application thereof to any person, party or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such provision or provisions to persons, parties or circumstances other than those as to whom or which it is held invalid or unenforceable, shall not be affected thereby, and every provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

#### **21.7 Definitions Include Amendments.**

Definitions contained in this Agreement which identify documents, including, but not limited to, the Loan Documents, shall be deemed to include all amendments and supplements to such documents from the date hereof, and all future amendments, modifications, and supplements thereto entered into from time to time to satisfy the requirements of this Agreement or otherwise with the consent of Lender. Reference to this Agreement contained in any of the foregoing documents shall be deemed to include all amendments and supplements to this Agreement.

#### **21.8 Execution in Counterparts.**

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

#### **21.9 Entire Agreement.**

This Agreement, taken together with all of the other Loan Documents and all certificates and other documents delivered by Borrower to Lender, embody the entire agreement and supersede all prior agreements, written or oral, relating to the subject matter hereof.

#### **21.10 Waiver of Damages.**

In no event shall Lender be liable to Borrower for punitive, exemplary or consequential damages, including, without limitation, lost profits, whatever the nature of a breach by Lender of its obligations under this Agreement or any of the Loan Documents, and Borrower for itself and its Guarantors waive all claims for punitive, exemplary or consequential damages.

#### **21.11 Claims Against Lender.**

Lender shall not be in default under this Agreement, or under any other Loan Documents, unless a written notice specifically setting forth the claim of Borrower shall have been given to Lender within three (3) months after Borrower first had knowledge of the occurrence of the event which Borrower alleges gave rise to such claim and Lender does not remedy or cure the default, if any there be, promptly thereafter. Borrower waives any claim, set-off or defense against Lender arising by reason of any alleged default by Lender as to which Borrower does not give such notice timely as aforesaid. Borrower acknowledges that such waiver is or may be essential to Lender's ability to enforce its remedies without delay and that such waiver therefore constitutes a substantial part of the bargain between Lender and Borrower with regard to the Loan. No Guarantor or Tenant is intended to have any rights as a third-party beneficiary of the provisions of this Section 21.11.

#### **21.12 Jurisdiction.**

TO THE GREATEST EXTENT PERMITTED BY LAW, BORROWER HEREBY WAIVES ANY AND ALL RIGHTS TO REQUIRE MARSHALLING OF ASSETS BY LENDER. WITH RESPECT TO ANY SUIT, ACTION OR PROCEEDINGS RELATING TO THIS AGREEMENT (EACH, A "PROCEEDING"), BORROWER IRREVOCABLY (A) SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS HAVING JURISDICTION IN THE COUNTY OF HAMILTON AND STATE OF OHIO, AND (B) WAIVES ANY OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY PROCEEDING BROUGHT IN ANY SUCH COURT, WAIVES ANY CLAIM THAT ANY PROCEEDING HAS BEEN BROUGHT IN AN INCONVENIENT FORUM AND FURTHER WAIVES THE RIGHT TO OBJECT, WITH RESPECT TO SUCH PROCEEDING, THAT SUCH COURT DOES NOT HAVE JURISDICTION OVER SUCH PARTY. NOTHING IN THIS AGREEMENT SHALL PRECLUDE LENDER FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING OF A PROCEEDING IN ANY OTHER JURISDICTION. BORROWER FURTHER AGREES AND CONSENTS THAT, IN ADDITION TO ANY METHODS OF SERVICE OF PROCESS PROVIDED FOR UNDER APPLICABLE LAW, ALL SERVICE OF PROCESS IN ANY PROCEEDING IN ANY OHIO STATE OR UNITED STATES COURT SITTING IN THE COUNTY OF HAMILTON MAY BE MADE BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO BORROWER AT THE ADDRESS INDICATED BELOW, AND SERVICE SO MADE SHALL BE COMPLETE UPON RECEIPT; EXCEPT THAT IF BORROWER SHALL REFUSE TO ACCEPT DELIVERY, SERVICE SHALL BE DEEMED COMPLETE FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO MAILED.

### 21.13 Set-Offs.

After the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably authorizes and directs Lender from time to time to charge Borrower's accounts and deposits with Lender (or its Affiliates), and to pay over to Lender an amount equal to any amounts from time to time due and payable to Lender hereunder, under the Note or under any other Loan Document. Borrower hereby grants to Lender a security interest in and to all such accounts and deposits maintained by the Borrower with Lender (or its Affiliates).

### Title Requirements

1. Title Insurance Company Requirements. The maximum single risk (i.e., the amount insured under any one policy) by a title insurer may not exceed 25% of that insurer's surplus and statutory reserves. Reinsurance must be obtained by closing for any policy exceeding such amount.
2. Loan Policy Forms. Standard 1992 American Land Title Association ("ALTA") form of loan title insurance policy, or the 1970 (amended October 17, 1970) ALTA loan form policies must be used.
3. Insurance Amount. The amount insured must equal at least the original principal amount of the Loan.
4. Named Insured. The named insured under the Title Policy must be substantially the same as the following: "KeyBank National Association, and its respective successors and assigns."
5. Creditors' Rights. Any "creditors' rights" exception or other exclusion from coverage for voidable transactions under bankruptcy, fraudulent conveyance, or other debtor protection laws or equitable principles must be removed by either an endorsement or a written waiver.
6. Arbitration. In the event that the form policy which is utilized includes a compulsory arbitration provision, the insurer must agree that such compulsory arbitration provisions do not apply to any claims by or on behalf of the insured. Please note that the 1987 and 1992 ALTA form loan policies include such provisions.
7. Date of Policy. The effective date of the Title Policy must be as of the date and time of the closing.
8. Legal Description. The legal description of the property contained in the Title Policy must conform to (a) the legal description shown on the survey of the property, and (b) the legal description contained in the Mortgage. In any event, the Title Policy must be endorsed to provide that the insured legal description is the same as that shown on the survey.
9. Easements. Each Title Policy shall insure, as separate parcels: (a) all appurtenant easements and other estates benefiting the property, and (b) all other rights, title, and interests of the borrower in real property under reciprocal easement agreements, access agreements, operating agreements, and agreements containing covenants, conditions, and restrictions relating to the Project.

10. Exceptions to Coverage. With respect to the exceptions, the following applies:

- a) Each Title Policy shall afford the broadest coverage available in the state in which the subject property is located.
- b) The "standard" exceptions (such as for parties in possession or other matters not shown on public records) must be deleted.
- c) The "standard" exception regarding tenants in possession under residential leases, should also be deleted. For commercial properties, a rent roll should be attached in lieu of the general exception.
- d) The standard survey exception to the Title Policy must be deleted. Instead, a survey reading reflecting the current survey should be incorporated.
- e) Any exception for taxes, assessments, or other lienable items must expressly insure that such taxes, assessments, or other items are not yet due and payable.
- f) Any lien, encumbrance, condition, restriction, or easement of record must be listed in the Title Policy, and the Title Policy must affirmatively insure that the improvements do not encroach upon the insured easements or insure against all loss or damage due to such encroachment.
- g) The Title Policy may not contain any exception for any filed or unfiled mechanics' or materialmen's liens.
- h) In the event that a comprehensive endorsement has been issued and any Schedule B exceptions continue to be excluded from the coverage provided through that endorsement, then a determination must be made whether such exceptions would be acceptable to Bank. In the event that it is determined that such exception is acceptable, a written explanation regarding the acceptability must be submitted as part of the delivery of the loan documents.

If Schedule B indicates the presence of any easements that are not located on the survey, the Title Policy must provide affirmative insurance against any loss resulting from the exercise by the holder of such easement of its right to use or maintain that easement. ALTA Form 103.1 or an equivalent endorsement is required for this purpose.

11. Endorsements. With respect to endorsements, the following applies:

- a) Each Title Policy must include an acceptable environmental protection lien endorsement on ALTA Form 8.1. Please note that Form 8.1 may take exception for an entire statute which contains one or more specific sections under which environmental protection liens could take priority over the Mortgage; provided, however, that such specific sections under which the lien could arise must also be referenced.

- b) Each Title Policy must contain an endorsement which provides that the insured legal description is the same as shown on the survey.
- c) Each Title Policy must contain a comprehensive endorsement (ALTA Form 9) if a lien, encumbrance, condition, restriction, or easement is listed in Schedule B to the title insurance policy.
- d) Lender may require the following endorsements where applicable and available:
 

-access	-due execution	-single tax lot
-address	-first loss	-subdivision
-assessments	-last dollar	-tie in
-assignment of leases and rents	-leasehold	-usury
-assignment of loan documents	-mineral rights	-zoning (ALTA 3.1 -
-contiguity	-mortgage tax	with parking)
-doing business	-reverter	

12. Other Coverages. Each Title Policy shall insure the following by endorsement or affirmative insurance to the extent such coverage is not afforded by the ALTA Form 9 or its equivalent in a particular jurisdiction:

- a) that no conditions, covenants, or restrictions of record affecting the property:
  - (i) have been violated,
  - (ii) create lien rights which prime the insured mortgage,
  - (iii) contain a right of reverter or forfeiture, a right of reentry, or power of termination, or
  - (iv) if violated in the future would result in the lien created by the insured mortgage or title to the property being lost, forfeited, or subordinated; and
- b) that except for temporary interference resulting solely from maintenance, repair, replacement, or alteration of lines, facilities, or equipment located in easements and rights of way taken as certain exceptions to each Title Policy, such exceptions do not and shall not prevent the use and operation of the Property or the improvements as used and operated on the effective date of the Title Policy.

13. Informational Matters. The Policy must include, as an informational note, the following:

- a) The recorded plat number together with recording information; and
- b) The property parcel number or the tax identification number, as applicable.

14. Delivery of Copies. Legible copies of all easements, encumbrances, or other restrictions shown as exceptions on the Title Policy must be delivered with the first draft of the title commitment.

## PROMISSORY NOTE

U.S. \$2,512,500.00

As of August 10, 2005

FOR VALUE RECEIVED, Eden Shopping Center LLC, a Delaware limited liability company, having an address at 5851 Ridge Bend Road, Memphis, Tennessee 38120 ("Maker"), hereby promises to pay to the order of KEYBANK NATIONAL ASSOCIATION, a national banking association ("Payee"), having an address at 580 Walnut Street, 2<sup>nd</sup> Floor, Cincinnati, Ohio 45202, the principal sum of Two Million Five Hundred Twelve Thousand Five Hundred and 00/100 Dollars (\$2,512,500.00) or so much thereof as may be advanced from time to time, and interest from the date hereof on the balance of principal from time to time outstanding, in United States currency, at the rates and at the times hereinafter described.

This Note is issued by Maker pursuant to that certain Construction Loan Agreement of even date herewith (the "Loan Agreement") entered into between Payee and Maker. This Note evidences of the Loan (as defined in the Loan Agreement). Payment of this Note is governed by the Loan Agreement, the terms of which are incorporated herein by express reference as if fully set forth herein. Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

1. **Interest.** The principal amount hereof outstanding from time to time shall bear interest until paid in full at the Applicable Rate.

2. **Monthly Payments.** Interest only shall be payable in arrears on the first (1<sup>st</sup>) day of each calendar month after the date hereof commencing on the first day of the second calendar month after the date hereof up to and including the Maturity Date in the amount of all interest accrued during the immediately preceding calendar month. Notwithstanding the foregoing, in the event the Extension Option is exercised, during the Extension Term, on the first (1<sup>st</sup>) day of every calendar month Borrower shall make monthly principal and interest payments based on a term of twenty-five (25) years and the assumed interest rate used in determining the Debt Service Coverage Ratio in connection with the exercise of the Extension Option. All payments on account of the indebtedness evidenced by this Note shall be made to Payee not later than 11:00 a.m. Cincinnati, Ohio time on the day when due in lawful money of the United States and shall be first applied to late charges, costs of collection or enforcement and other similar amounts due, if any, under this Note and any of the other Loan Documents, then to interest due and payable hereunder and the remainder to principal due and payable hereunder.

3. **Maturity Date.** The indebtedness evidenced hereby shall mature on the Maturity Date. On the Maturity Date, the entire outstanding principal balance hereof, together with accrued and unpaid interest and all other sums evidenced by this Note, shall, if not sooner paid, become due and payable.

4. **General Provisions.**

(a) Regardless of whether an Adjusted LIBOR Rate would otherwise then be in effect, in the event (i) the principal balance hereof is not paid when due whether by acceleration or upon the Maturity Date or (ii) an Event of Default exists, then the

principal balance hereof shall bear interest from and after the Default Rate. In addition, for any installment (exclusive of the payment due upon the Maturity Date) which is not paid within ten (10) days after the due date thereof a late charge equal to the greater of (a) ten percent (10%) of the amount of such installment or (b) \$25 shall be due and payable to the holder of this Note on demand to cover the extra expense involved in handling delinquent payments.

(b) Maker agrees that the obligation evidenced by this Note is an exempt transaction under the Truth-in-Lending Act, 15 U.S.C. § 1601, et seq.

(c) The parties hereto intend and believe that each provision in this Note comports with all applicable local, state and federal laws and judicial decisions. However, if any provision or provisions, or if any portion of any provision or provisions, in this Note is found by a court of law to be in violation of any applicable local, state or federal ordinance, statute, law, administrative or judicial decision, or public policy, and if such court should declare such portion, provision or provisions of this Note to be illegal, invalid, unlawful, void or unenforceable as written, then it is the intent of all parties hereto that such portion, provision or provisions shall be given force to the fullest possible extent that they are legal, valid and enforceable, that the remainder of this Note shall be construed as if such illegal, invalid, unlawful, void or unenforceable portion, provision or provisions were not contained therein, and that the rights, obligations and interest of Maker and the holder or holders hereof under the remainder of this Note shall continue in full force and effect. All agreements herein are expressly limited so that in no contingency or event whatsoever, whether by reason of advancement of the proceeds hereof, acceleration of maturity of the unpaid principal balance hereof, or otherwise, shall the amount paid or agreed to be paid to the holders hereof for the use, forbearance or detention of the money to be advanced hereunder exceed the highest lawful rate permissible under applicable usury laws. If, from any circumstances whatsoever, the fulfillment of any provision hereof, at the time performance of such provision shall be due, shall involve transcending the limit of validity prescribed by law which a court of competent jurisdiction may deem applicable hereto, then, ipso facto, the obligation to be fulfilled shall be reduced to the limit of such validity and if from any circumstance the holder hereof shall ever receive as interest an amount which would exceed the highest lawful rate, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance due hereunder and not to the payment of interest.

(d) This Note and all provisions hereof shall be binding upon Maker and all persons claiming under or through Maker, and shall inure to the benefit of Payee, together with its successors and assigns, including each owner and holder from time to time of this Note.

(e) Time is of the essence as to all dates set forth herein.

(f) Maker agrees that its liability shall not be in any manner affected by any indulgence, extension of time, renewal, waiver, or modification granted or consented to by Payee; and Maker consents to any indulgences and all extensions of time, renewals,

waivers, or modifications that may be granted by Payee with respect to the payment or other provisions of this Note, and to any substitution, exchange or release of the collateral, or any part thereof, with or without substitution, and agrees to the addition or release of any makers, endorsers, guarantors, or sureties, all whether primarily or secondarily liable, without notice to Maker and without affecting its liability hereunder.

(g) Maker hereby waives and renounces for itself, its successors and assigns, all rights to the benefits of any statute of limitations and any moratorium, reinstatement, marshalling, forbearance, valuation, stay, extension, redemption, appraisement, or exemption and homestead laws now provided, or which may hereafter be provided, by the laws of the United States and of any state thereof against the enforcement and collection of the obligations evidenced by this Note.

(h) If this Note is placed in the hands of attorneys for collection or is collected through any legal proceedings, Maker promises and agrees to pay, in addition to the principal, interest and other sums due and payable hereon, all costs of collecting or attempting to collect this Note, including all reasonable attorneys' fees and disbursements.

(i) All parties now or hereafter liable with respect to this Note, whether Maker, principal, surety, guarantor, endorsee or otherwise hereby severally waive presentment for payment, demand, notice of nonpayment or dishonor, protest and notice of protest. No failure to accelerate the indebtedness evidenced hereby, acceptance of a past due installment following the expiration of any cure period provided by this Note, any Loan Document or applicable law, or indulgences granted from time to time shall be construed (i) as a novation of this Note or as a reinstatement of the indebtedness evidenced hereby or as a waiver of such right of acceleration or of the right of Payee thereafter to insist upon strict compliance with the terms of this Note, or (ii) to prevent the exercise of such right of acceleration or any other right granted hereunder or by any Laws. Maker hereby expressly waives the benefit of any statute or rule of law or equity now provided, or which may hereafter be provided, which would produce a result contrary to or in conflict with the foregoing.

(j) Maker hereby expressly acknowledges that the loan evidenced by this Note is a "business loan" within the meaning of Chapter 1343 of the Ohio Revised Code.

(k) With respect to any agreement by Borrower in this Note or in any other Loan Document to pay Payee's attorneys' fees and disbursements incurred in connection with the Loan, Borrower agrees that each Loan Document is a "contract of indebtedness" and that the attorneys' fees and disbursements referenced are those which are a reasonable amount, all as contemplated by Ohio Revised Code Section 1301.21, as such Section may hereafter be amended. Borrower further agrees that the indebtedness incurred in connection with the Loan is not incurred for purposes that are primarily personal, family or household and confirms that the total amount owed on the contract of indebtedness exceeds One Hundred Thousand and No/100 Dollars (\$100,000.00).

(l) THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF OHIO AND ANY APPLICABLE LAWS OF THE UNITED STATES OF AMERICA.

(m) MAKER AND PAYEE EACH WAIVE ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO ENFORCE OR DEFEND ANY RIGHTS UNDER THIS NOTE AND THE OTHER LOAN DOCUMENTS OR RELATING THERETO OR ARISING FROM THE LENDING RELATIONSHIP WHICH IS THE SUBJECT OF THIS NOTE AND AGREE THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY.

Maker has delivered this Note as of the day and year first set forth above.

#### 1.2. Secured Obligations.

(a) Grantor makes the grant, conveyance, and mortgage set forth in Section 1.1 above, and grants the security interest set forth in Section 3 below for the purpose of securing the following obligations (the "Secured Obligations") in any order of priority that Beneficiary may choose:

(i) Payment of all obligations at any time owing under a promissory note (the "Note") bearing even date herewith, payable by Grantor as maker in the stated principal amount of Two Million Five Hundred Twelve Thousand Five Hundred and 00/100 Dollars (\$2,512,500.00) to the order of Beneficiary; and

(ii) Payment and performance of all obligations of Grantor under this Deed of Trust; and

(iii) Payment and performance of all obligations of Grantor under a Construction Loan Agreement bearing even date herewith between Grantor as "Borrower" and Beneficiary as "Lender" (the "Loan Agreement"); and

(iv) Payment and performance of any obligations of Grantor under any Loan Documents which are executed by Grantor; and

(v) Payment and performance of all obligations of Grantor arising from any Interest Rate Agreements. Interest Rate Agreements shall mean an interest rate hedging program through the purchase by Grantor from Beneficiary of an interest rate swap, cap, or such other interest rate protection product with respect to the Note; and

(vi) Payment and performance of all future advances and other obligations that Grantor or any successor in ownership of all or part of the

Property may agree to pay and/or perform (whether as principal, surety or guarantor) for the benefit of Beneficiary, when a writing evidences the parties' agreement that the advance or obligation be secured by this Deed of Trust; and

(vii) Payment and performance of all modifications, amendments, extensions, and renewals, however evidenced, of any of the Secured Obligations; and

(viii) Payment of any and all amounts advanced by Beneficiary with respect to the Property for the payment of taxes, assessments, insurance premiums or costs incurred for the protection of the Property, together with interest at the Default Rate.

(b) All persons who may have or acquire an interest in all or any part of the Property will be considered to have notice of, and will be bound by, the terms of the Secured Obligations and each other agreement or instrument made or entered into in connection with each of the Secured Obligations. Such terms include any provisions in the Note or the Loan Agreement which permit borrowing, repayment and reborrowing, or which provide that the interest rate on one or more of the Secured Obligations may vary from time to time.

## 2. Assignment of Rents.

2.1. Assignment. Grantor hereby irrevocably, absolutely, presently and unconditionally assigns to Beneficiary all rents, royalties, issues, profits, revenue, income, accounts, proceeds and other benefits of the Property, whether now due, past due or to become due, including all prepaid rents and security deposits (some or all collectively, as the context may require, "Rents"). This is an absolute assignment, not an assignment for security only.

2.2. Grant of License. Beneficiary hereby confers upon Grantor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default, as defined in Section 6.2 below, shall exist and be continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Grantor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.

2.3. Collection and Application of Rents. Subject to the License granted to Grantor under Section 2.2 above, Beneficiary has the right, power and authority to collect any and all Rents. Grantor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:

- (a) Demand, receive and enforce payment of any and all Rents; or
- (b) Give receipts, releases and satisfactions for any and all Rents; or
- (c) Sue either in the name of Grantor or in the name of Beneficiary for any and all Rents.

Beneficiary and Grantor agree that the mere recordation of the assignment granted herein entitles Beneficiary immediately to collect and receive rents upon the occurrence of an Event of Default, as defined in Section 6.2, without first taking any acts of enforcement under applicable law, such as, but not limited to, providing notice to Grantor, filing foreclosure proceedings, or seeking and/or obtaining the appointment of a receiver. Further, Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property as permitted under Subsection 6.3(c). In Beneficiary's sole discretion, Beneficiary may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under Section 6.6. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity.

2.4. Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Premises and Improvements, unless Beneficiary agrees in writing to the contrary, Beneficiary is not and shall not be deemed to be:

- (a) A "Beneficiary in possession" for any purpose; or
- (b) Responsible for performing any of the obligations of the lessor under any lease; or
- (c) Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair or control of the Property; or
- (d) Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

2.5. Leasing. Grantor shall not accept any deposit or prepayment of rents under the leases for any rental period exceeding one (1) month without Beneficiary's prior written consent. Grantor shall not lease the Property or any part of it except strictly in accordance with the Loan Agreement.

### 3. Grant of Security Interest.

3.1. Security Agreement. The parties intend for this Deed of Trust to create a lien on the Property, and an absolute assignment of the Rents, all in favor of Beneficiary. The parties acknowledge that some of the Property and some or all of the Rents may be determined under applicable law to be personal property or fixtures. To the extent that any Property or Rents may be determined to be personal property, Grantor as debtor hereby grants Beneficiary and Trustee as secured parties a security interest in all of Grantor's right, title and interest in all such Property and Rents, whether now owned or existing or hereafter acquired, to secure payment and performance of the Secured Obligations. This Deed of Trust constitutes a security agreement under the Uniform Commercial Code (as defined in Section 8.8) covering all such Property and Rents.

3.2. **Financing Statements.** Grantor hereby authorizes Beneficiary to file, on behalf of Grantor and without its signature, one or more financing statements and such other documents as Beneficiary may from time to time require to perfect or continue the perfection of Beneficiary's security interest in any Property or Rents. As provided in Section 5.9 below, Grantor shall pay all fees and costs that Beneficiary may incur in filing such documents in public offices and in obtaining such record searches as Beneficiary may reasonably require. In case Grantor fails to execute any financing statements or other documents for the perfection or continuation of any security interest, Grantor hereby irrevocably appoints Beneficiary as its true and lawful attorney-in-fact which power of attorney is coupled with an interest to execute any such documents on its behalf. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall never be construed as in any way derogating from or impairing this Deed of Trust or the rights or obligations of the parties under it.

4. **Fixture Filing.**

This Deed of Trust constitutes a financing statement filed as a fixture filing under Article 9 of the Uniform Commercial Code in the State in which the Property is located, as amended or recodified from time to time, covering any Property which now is or later may become fixtures attached to the Premises or Improvements. The description of the Property in this Deed of Trust includes goods which are or are to become fixtures on the Premises and/or Improvements of which Osborne Investments, LLC is the record owner. For this purpose, the respective addresses of Grantor, as debtor, and Beneficiary and Trustee, as secured parties, are as set forth in the preambles of this Deed of Trust.

5. **Rights and Duties of the Parties.**

5.1. **Representations and Warranties.** Grantor represents and warrants that:

(a) Grantor lawfully, possesses and holds a leasehold interest in the Premises in accordance with the Lease and lawfully possesses and holds the Improvements and has not encumbered or assigned any of its business interests and rights under, in and to the Lease, Premises, or Improvements;

(b) Grantor has or will have good title to, and is and will be the sole owner of, all Property other than the Premises and Improvements;

(c) Grantor has the full and unlimited power, right and authority to encumber the Property and assign the Rents;

(d) This Deed of Trust creates a first and prior lien on the Property;

(e) The Property includes all property and rights which may be reasonably necessary or desirable to promote the present and any reasonable future beneficial use and enjoyment of the Premises and Improvements;

(f) Grantor owns any Property which is personal property free and clear of any security agreements, reservations of title or conditional sales contracts, and there is

no financing statement affecting such personal property on file in any public office; and Grantor is a limited liability company formed under the laws of the State of Delaware and will not change the state of its formation or transfer the Collateral, or any portion thereof (except as permitted by Section 6.1(b)), to an entity formed in another state. Grantor's exact legal name is as shown in this Deed of Trust and Grantor will not change its legal name. Grantor's organization number is 3979124 and Grantor will not change its organization number.

5.2. Taxes, and Assessments. Grantor shall pay prior to delinquency all taxes, levies, charges and assessments, in accordance with Section 15.1(h) of the Loan Agreement.

5.3. Performance of Secured Obligations. Grantor shall promptly pay and perform each Secured Obligation in accordance with its terms.

5.4. Liens, Charges and Encumbrances. Grantor shall immediately discharge any lien on the Property which Beneficiary has not consented to in writing in accordance with the terms of Section 15.1(c) of the Loan Agreement.

5.5. Damages and Insurance and Condemnation Proceeds. In the event of any casualty or condemnation of the Property, the provisions of Article 16 of the Loan Agreement shall govern.

5.6. Maintenance and Preservation of Property.

(a) Grantor shall insure the Property as required by the Loan Agreement and keep the Property in good condition and repair.

(b) Grantor shall not remove or demolish the Property or any part of it, or alter, restore or add to the Property, or initiate or allow any change or variance in any zoning or other Premises use classification which affects the Property or any part of it, except as permitted or required by the Loan Agreement or with Beneficiary's express prior written consent in each instance

(c) If all or part of the Property becomes damaged or destroyed, Grantor shall promptly and completely repair and/or restore the Property in a good and workmanlike manner in accordance with sound building practices, regardless of whether or not Beneficiary agrees to disburse Proceeds or other sums to pay costs of the work of repair or reconstruction under Article 16 of the Loan Agreement.

(d) Grantor shall not commit or allow any act upon or use of the Property which would violate: (i) any applicable Laws or order of any Governmental Authority, whether now existing or later to be enacted and whether foreseen or unforeseen; or (ii) any public or private covenant, condition, restriction or equitable servitude affecting the Property. Grantor shall not bring or keep any article on the Property or cause or allow any condition to exist on it, if that could invalidate or would be prohibited by any insurance coverage required to be maintained by Grantor on the Property or any part of it under the Loan Agreement.

(e) Grantor shall not commit or allow waste of the Property, including those acts or omissions characterized under the Loan Agreement as waste which arises out of Hazardous Material.

(f) Grantor shall perform all other acts which from the character or use of the Property may be reasonably necessary to maintain and preserve its value.

5.7. Releases, Extensions, Modifications and Additional Security. From time to time, Beneficiary may perform any of the following acts without incurring any liability or giving notice to any person:

- (a) Release any person liable for payment of any Secured Obligation;
- (b) Extend the time for payment, or otherwise alter the terms of payment, of any Secured Obligation;
- (c) Accept additional real or personal property of any kind as security for any Secured Obligation, whether evidenced by deeds of trust, mortgages, security agreements or any other instruments of security;
- (d) Alter, substitute or release any property securing the Secured Obligations;
- (e) Consent to the making of any plat or map of the Property or any part of it;
- (f) Join in granting any easement or creating any restriction affecting the Property; or
- (g) Join in any subordination or other agreement affecting this Deed of Trust or the lien of it; or
- (h) Release the Property or any part of it.

5.8. Release. When all of the Secured Obligations have been paid in full and all fees and other sums owed by Grantor under this Deed of Trust and the other Loan Documents have been received, Beneficiary and Trustee shall release this Deed of Trust, the lien created thereby, and all notes and instruments evidencing the Secured Obligations. Grantor shall pay any costs of preparation and recordation of such release.

5.9. Compensation, Exculpation, Indemnification.

(a) Grantor agrees to pay fees in the maximum amounts legally permitted, or reasonable fees as may be charged by Beneficiary when the law provides no maximum limit, for any services that Beneficiary or Trustee may render in connection with this Deed of Trust, including providing a statement of the Secured Obligations or providing the release pursuant to Section 5.8 above. Grantor shall also pay or reimburse all of Beneficiary's and Trustee's costs and expenses which may be incurred in rendering any such services. Grantor further agrees to pay or reimburse Beneficiary for all costs, expenses and other advances which may be incurred or made by Beneficiary or Trustee in

any efforts to enforce any terms of this Deed of Trust, including any rights or remedies afforded to Beneficiary and Trustee under Section 6.3, whether any lawsuit is filed or not, or in defending any action or proceeding arising under or relating to this Deed of Trust, including attorneys' fees and other legal costs, costs of any Foreclosure Sale (as defined in Subsection 6.3(i) below) and any cost of evidence of title. If Beneficiary and/or Trustee, as required by applicable law, chooses to dispose of Property through more than one Foreclosure Sale, Grantor shall pay all costs, expenses or other advances that may be incurred or made by Beneficiary and/or Trustee in each of such Foreclosure Sales. In any suit to foreclose the lien hereof or enforce any other remedy of Trustee or Beneficiary under this Deed of Trust or the Note, there shall be allowed and included as additional indebtedness in the decree for sale or other judgment or decree all expenditures and expenses which may be paid or incurred by or on behalf of Trustee and Beneficiary for reasonable attorneys' costs and fees (including the costs and fees of paralegals), survey charges, appraiser's fees, inspecting engineer's and/or architect's fees, fees for environmental studies and assessments and all additional expenses incurred by Trustee and Beneficiary with respect to environmental matters, outlays for documentary and expert evidence, stenographers' charges, publication costs, and costs (which may be estimated as to items to be expended after entry of the decree) of procuring all such abstracts of title, title searches and examinations, title insurance policies, Torrens certificates and similar data and assurances with respect to title as Trustee and Beneficiary may deem reasonably necessary either to prosecute such suit or to evidence to bidders at any sale which may be had pursuant to such decree the true condition of the title to, the value of or the environmental condition of the Property. All expenditures and expenses of the nature in this Subsection mentioned, and such expenses and fees as may be incurred in the protection of the Property and maintenance of the lien of this Deed of Trust, including the fees of any attorney (including the costs and fees of paralegals) employed by Trustee or Beneficiary in any litigation or proceeding affecting this Deed of Trust, the Note or the Property, including probate and bankruptcy proceedings, or in preparation for the commencement or defense of any proceeding or threatened suit or proceeding, shall be immediately due and payable by Grantor, with interest thereon at the Default Rate and shall be secured by this Deed of Trust.

(b) Neither Beneficiary nor Trustee shall be directly or indirectly liable to Grantor or any other person as a consequence of any of the following:

(i) Beneficiary's or Trustee's exercise of or failure to exercise any rights, remedies or powers granted to Beneficiary and/or Trustee in this Deed of Trust;

(ii) Beneficiary's failure or refusal to perform or discharge any obligation or liability of Grantor under any agreement related to the Property or under this Deed of Trust; or

(iii) Any loss sustained by Grantor or any third party resulting from Beneficiary's failure to lease the Property, or from any other act or omission of Beneficiary in managing the Property, after an Event of Default, unless the loss is caused by the willful misconduct and bad faith of Beneficiary.

Grantor hereby expressly waives and releases all liability of the types described above, and agrees that no such liability shall be asserted against or imposed upon Beneficiary or Trustee.

(c) Grantor agrees to indemnify Beneficiary and Trustee against and hold them harmless from all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses which they may suffer or incur:

(i) In performing any act required or permitted by this Deed of Trust or any of the other Loan Documents or by law;

(ii) Because of any failure of Grantor to perform any of its obligations;  
or

(iii) Because of any alleged obligation of or undertaking by Beneficiary and/or Trustee to perform or discharge any of the representations, warranties, conditions, covenants or other obligations in any document relating to the Property other than the Loan Documents.

This agreement by Grantor to indemnify Beneficiary and Trustee shall survive the release and cancellation of any or all of the Secured Obligations and the full or partial release of this Deed of Trust.

(d) Grantor shall pay all obligations to pay money arising under this Section 5.9 immediately upon demand by Beneficiary. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest from the date the obligation arises at the Default Rate.

5.10. Defense and Notice of Claims and Actions. At Grantor's sole expense, Grantor shall protect, preserve and defend the Property and title to and right of possession of the Property, and the security of this Deed of Trust and the rights and powers of Beneficiary created under it, against all adverse claims. Grantor shall give Beneficiary prompt notice in writing if any claim is asserted which does or could affect any such matters, or if any action or proceeding is commenced which alleges or relates to any such claim.

5.11. Subrogation. Beneficiary shall be subrogated to the liens of all encumbrances, whether released of record or not, which are discharged in whole or in part by Beneficiary in accordance with this Deed of Trust or with the proceeds of any loan secured by this Deed of Trust.

5.12. Site Visits, Observation and Testing. Beneficiary and its agents and representatives shall have the right at any reasonable time to enter and visit the Property for the purpose of performing appraisals, observing the Property, taking and removing soil or groundwater samples, and conducting tests on any part of the Property. Beneficiary has no duty, however, to visit or observe the Property or to conduct tests, and no site visit, observation or testing by Beneficiary, its agents or representatives shall impose any liability on any of Beneficiary, its agents or representatives. In no event shall any site visit, observation or testing

by Beneficiary, its agents or representatives be a representation that Hazardous Material are or are not present in, on or under the Property, or that there has been or shall be compliance with any law, regulation or ordinance pertaining to Hazardous Material or any other applicable governmental law. Neither Grantor nor any other party is entitled to rely on any site visit, observation or testing by any of Beneficiary, its agents or representatives. Neither Beneficiary, its agents or representatives owe any duty of care to protect Grantor or any other party against, or to inform Grantor or any other party of, any Hazardous Material or any other adverse condition affecting the Property. Beneficiary shall give Grantor reasonable notice before entering the Property. Beneficiary shall make reasonable efforts to avoid interfering with Grantor's use of the Property in exercising any rights provided in this Section 5.12.

5.13. Notice of Change. Grantor shall give Beneficiary prior written notice of any change in: (a) the location of its place of business or its chief executive office if it has more than one place of business; (b) the location of any of the Property, including the Books and Records; and (c) Grantor's name or business structure. Unless otherwise approved by Beneficiary in writing, all Property that consists of personal property (other than the Books and Records) will be located on the Premises and all Books and Records will be located at Grantor's place of business or chief executive office if Grantor has more than one place of business.

## 6. Accelerating Transfers, Default and Remedies.

### 6.1. Accelerating Transfers.

(a) "Accelerating Transfer" means any Transfer not expressly permitted under Article 17 of the Loan Agreement.

(b) Grantor acknowledges that Beneficiary is making one or more advances under the Loan Agreement in reliance on the expertise, skill and experience of Grantor; thus, the Secured Obligations include material elements similar in nature to a personal service contract. In consideration of Beneficiary's reliance, Grantor agrees that Grantor shall not make any Accelerating Transfer, unless the transfer is preceded by Beneficiary's express written consent to the particular transaction and transferee. Beneficiary may withhold such consent in its sole discretion. If any Accelerating Transfer occurs, Beneficiary in its sole discretion may declare all of the Secured Obligations to be immediately due and payable, and Beneficiary may invoke any rights and remedies provided by Section 6.3 of this Deed of Trust.

6.2. Events of Default. Grantor will be in default under this Deed of Trust upon the occurrence of any one or more of the following events (some or all collectively, "Events of Default;" any one singly, an "Event of Default").

(a) Failure of Grantor (i) (x) to pay any of the principal of the Loan when due, (y) to pay interest within ten (10) days after the date when due or (z) to observe or perform any of the other covenants or conditions by Grantor to be performed under the terms of this Deed of Trust or any of the other Loan Documents concerning the payment of money for a period of ten (10) days after written notice from Beneficiary that the same is due and payable; or (ii) for a period of thirty (30) days after written notice from

Beneficiary, to observe or perform any non-monetary covenant or condition contained in this Deed of Trust or any of the other Loan Documents; provided that if any such failure concerning a non-monetary covenant or condition is susceptible to cure but cannot reasonably be cured within said thirty (30) day period, then Grantor shall have an additional sixty (60) day period to cure such failure and no Event of Default shall be deemed to exist hereunder so long as (x) Grantor commences such cure within the initial thirty (30) day period and diligently and in good faith pursues such cure to completion within such resulting ninety (90) day period from the date of Beneficiary's notice, and (y) the existence of such uncured default will not result in any tenant under a Lease having the right to terminate such Lease due to such uncured default; and provided further that if a different notice or grace period is specified under Article 19 of the Loan Agreement (or elsewhere in this Deed of Trust or the Loan Agreement) in which such particular breach will become an Event of Default, the specific provision shall control; or

(b) An "Event of Default" occurs under the Loan Agreement or any other Loan Document.

6.3. Remedies. At any time after an Event of Default, Beneficiary shall be entitled to invoke any and all of the rights and remedies described below, in addition to all other rights and remedies available to Beneficiary at law or in equity. All of such rights and remedies shall be cumulative, and the exercise of any one or more of them shall not constitute an election of remedies.

(a) Acceleration. Beneficiary may declare any or all of the Secured Obligations to be due and payable immediately.

(b) Receiver. Beneficiary shall, as a matter of right, without notice and without giving bond to Grantor or anyone claiming by, under or through Grantor, and without regard for the solvency or insolvency of Grantor or the then value of the Property, to the extent permitted by applicable law, be entitled to have a receiver appointed for all or any part of the Property and the Rents, and the proceeds, issues and profits thereof, with the rights and powers referenced below and such other rights and powers as the court making such appointment shall confer, and Grantor hereby consents to the appointment of such receiver and shall not oppose any such appointment. Such receiver shall have all powers and duties prescribed by applicable law, all other powers which are necessary or usual in such cases for the protection, possession, control, management and operation of the Property, and such rights and powers as Beneficiary would have, upon entering and taking possession of the Property under subsection (c) below.

(c) Entry. Beneficiary, in person, by agent or by court-appointed receiver, may enter, take possession of, manage and operate all or any part of the Property, and may also do any and all other things in connection with those actions that Beneficiary may in its sole discretion consider necessary and appropriate to protect the security of this Deed of Trust. Such other things may include: taking and possessing all of Grantor's or the then owner's Books and Records; entering into, enforcing, modifying or canceling leases on such terms and conditions as Beneficiary may consider proper; obtaining and

evicting tenants; fixing or modifying Rents; collecting and receiving any payment of money owing to Beneficiary; completing any unfinished construction; and/or contracting for and making repairs and alterations. If Beneficiary so requests, Grantor shall assemble all of the Property that has been removed from the Premises and make all of it available to Beneficiary at the site of the Premises. Grantor hereby irrevocably constitutes and appoints Beneficiary as Grantor's attorney-in-fact to perform such acts and execute such documents as Beneficiary in its sole discretion may consider to be appropriate in connection with taking these measures, including endorsement of Grantor's name on any instruments.

(d) Cure; Protection of Security. Beneficiary may cure any breach or default of Grantor, and if it chooses to do so in connection with any such cure, Beneficiary may also enter the Property and/or do any and all other things which it may in its sole discretion consider necessary and appropriate to protect the security of this Deed of Trust, including, without limitation, completing construction of the improvements at the Property contemplated by the Loan Agreement. Such other things may include: appearing in and/or defending any action or proceeding which purports to affect the security of, or the rights or powers of Beneficiary under, this Deed of Trust; paying, purchasing, contesting or compromising any encumbrance, charge, lien or claim of lien which in Beneficiary's sole judgment is or may be senior in priority to this Deed of Trust, such judgment of Beneficiary or to be conclusive as among the parties to this Deed of Trust; obtaining insurance and/or paying any premiums or charges for insurance required to be carried under the Loan Agreement; otherwise caring for and protecting any and all of the Property; and/or employing counsel, accountants, contractors and other appropriate persons to assist Beneficiary. Beneficiary may take any of the actions permitted under this Subsection 6.3(d) either with or without giving notice to any person. Any amounts expended by Beneficiary under this Subsection 6.3(d) shall be secured by this Deed of Trust.

(e) Uniform Commercial Code Remedies. Beneficiary may exercise any or all of the remedies granted to a secured party under the Uniform Commercial Code in the State in which the Property is located.

(f) Foreclosure; Lawsuits. Upon the occurrence of any one or more of the above-mentioned Events of Default, and, on application of Beneficiary, it shall be lawful for, and the duty of, Trustee to sell all or any portion of the Property at public auction for cash after having first given such notice as to commencement of foreclosure proceedings and having obtained such findings and leave of court as may then be required by law and having given such notice and having advertised the time and place of such sale in such manner as may then be required by law, and upon such sale and any resale to convey title to the purchaser. Beneficiary and/or Trustee, as permitted or required by applicable law, or its nominee may bid and become the purchaser of all or any part of the Property at any foreclosure or other sale hereunder, and the amount of Beneficiary's and/or Trustee's, as permitted or required by applicable law, successful bid shall be credited on the Secured Obligations. Without limiting the foregoing, Beneficiary and/or Trustee, as permitted or required by applicable law, may proceed by a suit or suits in law or equity, whether for specific performance of any covenant or agreement herein contained or in aid of the

execution of any power herein granted, or for any foreclosure under the judgment or decree of any court of competent jurisdiction. In addition to the right provided in Section 6.3(a), upon, or at any time after the filing of a complaint to foreclose this Deed of Trust, Beneficiary and/or Trustee, as permitted or required by applicable law, shall be entitled to the appointment of a receiver of the Property by the court in which such complaint is filed, and Grantor hereby consents to such appointment.

(g) Other Remedies. Beneficiary may exercise all rights and remedies contained in any other instrument, document, agreement or other writing heretofore, concurrently or in the future executed by Grantor or any other person or entity in favor of Beneficiary in connection with the Secured Obligations or any part thereof, without prejudice to the right of Beneficiary thereafter to enforce any appropriate remedy against Grantor. Beneficiary shall have the right to pursue all remedies afforded to a Beneficiary under applicable law, and shall have the benefit of all of the provisions of such applicable law, including all amendments thereto which may become effective from time to time after the date hereof.

(h) Sale of Personal Property. Beneficiary and/or Trustee, as required by applicable law, shall have the discretionary right to cause some or all of the Property, which constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

(i) For purposes of this power of sale, Beneficiary and/or Trustee, as required by applicable law, may elect to treat as personal property any Property which is intangible or which can be severed from the Premises or Improvements without causing structural damage. If it chooses to do so, Beneficiary and/or Trustee, as required by applicable law, may dispose of any personal property, in any manner permitted by Article 9 of the Uniform Commercial Code of the state in which the Property is located, including any public or private sale, or in any manner permitted by any other applicable law.

(ii) In connection with any sale or other disposition of such Property, Grantor agrees that the following procedures constitute a commercially reasonable sale: Beneficiary shall mail written notice of the sale to Grantor not later than thirty (30) days prior to such sale. Beneficiary will publish notice of the sale in a local daily newspaper of general circulation. Upon receipt of any written request, Beneficiary will make the Property available to any bona fide prospective purchaser for inspection during reasonable business hours. Without limiting any other provisions of this Deed of Trust, Beneficiary and/or Trustee, as permitted or required by applicable law, shall have the right to conduct any such sale on Grantor's Property, and Beneficiary and/or Trustee, as permitted or required by applicable law, shall have such right of possession of the Property as shall be necessary or convenient for such purpose or any other purpose under this Section 6.3. Beneficiary and/or Trustee, as permitted or required by applicable law, may sell the Property without giving any warranties relating to title, possession, quiet enjoyment, merchantability, fitness or the like as to the Property and may specifically disclaim any warranties, which shall not be considered to adversely

affect the commercial reasonableness of any sale of the Property. Beneficiary and/or Trustee, as required by applicable law, has no obligation to clean up or otherwise prepare the Property for sale. Notwithstanding, Beneficiary shall be under no obligation to consummate a sale if, in its judgment, none of the offers received by it equals the fair value of the Property offered for sale. The foregoing procedures do not constitute the only procedures that may be commercially reasonable.

(i) Single or Multiple Foreclosure Sales. If the Property consists of more than one lot, parcel or item of property, Beneficiary and/or Trustee, as required by applicable law, may:

(i) Designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and

(ii) Elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made under or in connection with judicial proceedings, or by virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions; or in any other manner Beneficiary may deem to be in its best interests (any such sale or disposition, a "Foreclosure Sale;" and any two or more, "Foreclosure Sales").

If Beneficiary and/or Trustee chooses to have more than one Foreclosure Sale, Beneficiary and/or Trustee at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and in such order as Beneficiary and/or Trustee may deem to be in its best interests. No Foreclosure Sale shall terminate or affect the liens of this Deed of Trust on any part of the Property which has not been sold, until all of the Secured Obligations have been paid in full.

6.4. Credit Bids. At any Foreclosure Sale, any person, including Grantor or Beneficiary, may bid for and acquire the Property or any part of it to the extent permitted by then applicable law. Instead of paying cash for such property, Beneficiary may settle for the purchase price by crediting the sales price of the property against the following obligations:

(a) First, the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Grantor is obligated to pay or reimburse Beneficiary and Trustee under Section 5.9 of this Deed of Trust; and

(b) Second, all other Secured Obligations in any order and proportions as Beneficiary in its sole discretion may choose.

6.5. Application of Foreclosure Sale Proceeds. Beneficiary shall apply the proceeds of any Foreclosure Sale in the following manner, subject to the provisions of North Carolina General Statutes Section 45-21.31 regarding the application of foreclosure sale proceeds:

(a) First, to pay the portion of the Secured Obligations attributable to the expenses of sale, costs of any action and any other sums for which Grantor is obligated to reimburse Beneficiary or Trustee under Section 5.9 of this Deed of Trust;

(b) Second, to pay the portion of the Secured Obligations attributable to any sums expended or advanced by Beneficiary under the terms of this Deed of Trust which then remain unpaid;

(c) Third, to pay all other Secured Obligations in any order and proportions as Beneficiary in its sole discretion may choose; and

(d) Fourth, to remit the remainder, if any, to the person or persons entitled to it.

6.6. Application of Rents and Other Sums. Beneficiary shall apply any and all Rents collected by it, and any and all sums other than proceeds of a Foreclosure Sale which Beneficiary may receive or collect under Section 6.3 above, in the following manner:

(a) First, to pay the portion of the Secured Obligations attributable to the costs and expenses of operation and collection that may be incurred by Beneficiary or any receiver;

(b) Second, to pay all other Secured Obligations in any order and proportions as Beneficiary in its sole discretion may choose; and

(c) Third, to remit the remainder, if any, to the person or persons entitled to it.

Beneficiary shall have no liability for any funds which it does not actually receive.

## 7. The Trustee.

7.1. Certain Rights. With the approval of Beneficiary, Trustee shall have the right to take any and all of the following actions: (i) to select, employ and consult with counsel (who may be, but need not be, counsel for Beneficiary) upon any matters arising hereunder, including the preparation, execution and interpretation of the Loan Documents, and shall be fully protected in relying as to legal matters on the advice of counsel, (ii) to execute any of the trusts and powers hereof and to perform any duty hereunder either directly or through his or her agents or attorneys, (iii) to select and employ, in and about the execution of his or her duties hereunder, suitable accountants, engineers and other experts, agents and attorneys-in-fact, either corporate or individual, not regularly in the employ of Trustee (and Trustee shall not be answerable for any act, default, negligence, or misconduct of any such accountant, engineer or other expert, agent or attorney-in-fact, if selected with reasonable care, or for any error of judgment or act done by Trustee in good faith, or be otherwise responsible or accountable under any circumstances whatsoever, except for Trustee's gross negligence or bad faith), and (iv) any and all other lawful action that Beneficiary may instruct Trustee to take to protect or enforce Beneficiary's rights hereunder. Trustee shall not be personally liable in case of entry by Trustee, or anyone entering by virtue of the powers herein granted to Trustee, upon the Premises for debts contracted for or liability or damages incurred in the management or operation of the Premises. Trustee shall have

the right to rely on any instrument, document, or signature authorizing or supporting any action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for expenses incurred by Trustee in the performance of Trustee's duties hereunder and to reasonable compensation for such of Trustee's services hereunder as shall be rendered. Grantor will, from time to time, pay the compensation due to Trustee hereunder and reimburse Trustee for, and save and hold Trustee harmless against, any and all liability and expenses which may be incurred by Trustee in the performance of Trustee's duties.

7.2. Retention of Money. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, and shall be segregated from any other moneys of Trustee.

7.3. Successor Trustees. Trustee may resign by the giving of notice of such resignation in writing to Beneficiary. If Trustee shall die, resign or become disqualified from acting in the execution of this trust, or if, for any reason, Beneficiary, in Beneficiary's sole discretion and with or without cause, shall prefer to appoint a substitute trustee or multiple substitute trustees, or successive substitute trustees or successive multiple substitute trustees, to act instead of the aforementioned Trustee, Beneficiary shall have full power to appoint a substitute trustee (or, if preferred, multiple substitute trustees) in succession who shall succeed (and if multiple substitute trustees are appointed, each of such multiple substitute trustees shall succeed) to all the estates, rights, powers and duties of the aforementioned Trustee. Such appointment may be executed by any authorized agent of Beneficiary, and if such Beneficiary be a corporation and such appointment be executed on its behalf by any officer of such corporation, such appointment shall be conclusively presumed to be executed with authority and shall be valid and sufficient without proof of any action by the board of directors or any superior officer of the corporation. Grantor hereby ratifies and confirms any and all acts which the aforementioned Trustee, or his or her successor or successors in this trust, shall do lawfully by virtue hereof. If multiple substitute trustees are appointed, each of such multiple substitute trustees shall be empowered and authorized to act alone without the necessity of the joinder of the other multiple substitute trustees, whenever any action or undertaking of such substitute trustees is requested or required under or pursuant to this Deed of Trust or applicable law. Any prior election to act jointly or severally shall not prevent either or both of such multiple substitute Trustees from subsequently executing, jointly or severally, any or all of the provisions hereof.

7.4. Perfection of Appointment. Should any deed, conveyance, or instrument of any nature be required from Grantor by any Trustee or substitute Trustee to more fully and certainly vest in and confirm to Trustee or substitute Trustee such estates, rights, powers, and duties, then, upon request by Trustee or substitute trustee, any and all such deeds, conveyances and instruments shall be made, executed, acknowledged, and delivered and shall be caused to be recorded and/or filed by Grantor.

7.5. Succession Instruments. Any substitute trustee appointed pursuant to any of the provisions hereof shall, without any further act, deed or conveyance, become vested with all the estates, properties, rights, powers, and trusts of its, his or her predecessor in the rights hereunder with like effect as if originally named as Trustee herein; but nevertheless, upon the written request of Beneficiary or of the substitute trustee, the Trustee ceasing to act shall execute and

deliver any instrument transferring to such substitute trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, and trusts of the Trustee so ceasing to act, and shall duly assign, transfer and deliver any of the property and moneys held by such Trustee to the substitute trustee so appointed in such Trustee's place.

7.6. No Representation by Trustee or Beneficiary. By accepting or approving anything required to be observed, performed, or fulfilled or to be given to Trustee or Beneficiary pursuant to the Loan Documents, neither Trustee nor Beneficiary shall be deemed to have warranted, consented to, or affirmed the sufficiency, legality, effectiveness or legal effect of the same, or of any term, provision, or condition thereof, and such acceptance or approval thereof shall not be or constitute any warranty or affirmation with respect thereto by Trustee or Beneficiary.

## 8. Miscellaneous Provisions.

8.1. Additional Provisions. The Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this Deed of Trust. The Loan Documents also grant further rights to Beneficiary and contain further agreements and affirmative and negative covenants by Grantor which apply to this Deed of Trust and to the Property.

### 8.2. No Waiver or Cure.

(a) Each waiver by Beneficiary must be in writing, and no waiver shall be construed as a continuing waiver. No waiver shall be implied from any delay or failure by Beneficiary to take action on account of any default of Grantor. Consent by Beneficiary to any act or omission by Grantor shall not be construed as a consent to any other or subsequent act or omission or to waive the requirement for Beneficiary's consent to be obtained in any future or other instance.

(b) If any of the events described below occurs, that event alone shall not: cure or waive any breach, Event of Default or notice of default under this Deed of Trust or invalidate any act performed pursuant to any such default or notice; or nullify the effect of any notice of default or sale (unless all Secured Obligations then due have been paid and performed and all other defaults under the Loan Documents have been cured); or impair the security of this Deed of Trust; or prejudice Beneficiary or any receiver in the exercise of any right or remedy afforded any of them under this Deed of Trust; or be construed as an affirmation by Beneficiary of any tenancy, lease or option, or a subordination of the lien of this Deed of Trust.

(i) Trustee or Beneficiary, its agent or a receiver takes possession of all or any part of the Property in the manner provided in Subsection 6.3(c).

(ii) Beneficiary collects and applies Rents as permitted under Sections 2.3 and 6.6 above, either with or without taking possession of all or any part of the Property.

(iii) Beneficiary or Trustee receives and applies to any Secured Obligation any proceeds of any Property, including any proceeds of insurance policies, condemnation awards, or other claims, property or rights assigned to Beneficiary under Section 5.5 above.

(iv) Beneficiary makes a site visit, observes the Property and/or conducts tests as permitted under Section 5.12 above.

(v) Beneficiary or Trustee receives any sums under this Deed of Trust or any proceeds of any collateral held for any of the Secured Obligations, and applies them to one or more Secured Obligations.

(vi) Beneficiary, Trustee or any receiver invokes any right or remedy provided under this Deed of Trust.

### 8.3. Powers of Beneficiary.

(a) If Beneficiary performs any act which it is empowered or authorized to perform under this Deed of Trust, including any act permitted by Section 5.7 or Subsection 6.3(d) of this Deed of Trust, that act alone shall not release or change the personal liability of any person for the payment and performance of the Secured Obligations then outstanding, or the lien of this Deed of Trust on all or the remainder of the Property for full payment and performance of all outstanding Secured Obligations. The liability of the original Grantor shall not be released or changed if Beneficiary grants any successor in interest to Grantor any extension of time for payment, or modification of the terms of payment, of any Secured Obligation. Beneficiary shall not be required to comply with any demand by the original Grantor that Beneficiary refuse to grant such an extension or modification to, or commence proceedings against, any such successor in interest.

(b) Beneficiary may take any of the actions permitted under Subsections 6.3(b) and/or 6.3(c) regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Deed of Trust.

(c) From time to time, Beneficiary may apply to any court of competent jurisdiction for aid and direction in executing and enforcing the rights and remedies created under this Deed of Trust. Beneficiary may from time to time obtain orders or decrees directing, confirming or approving acts in executing and enforcing these rights and remedies.

8.4. Merger. No merger shall occur as a result of Beneficiary's acquiring any other estate in or any other lien on the Property unless Beneficiary consents to a merger in writing.

8.5. Joint and Several Liability. If Grantor consists of more than one person, each shall be jointly and severally liable for the faithful performance of all of Grantor's obligations under this Deed of Trust.

8.6. Applicable Law. The creation, perfection and enforcement of the lien and security interest of this Deed of Trust shall be governed by the law of the State in which the Property is located, except to the extent that the Uniform Commercial Code provides for the application of the laws of another state. Subject to the foregoing, in all other respects, this Deed of Trust shall be governed by the substantive laws of the State of Ohio.

8.7. Successors in Interest. The terms, covenants and conditions of this Deed of Trust shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties. However, this Section 8.7 does not waive the provisions of Section 6.1 above.

8.8. Interpretation.

(a) Whenever the context requires, all words used in the singular will be construed to have been used in the plural, and vice versa, and each gender will include any other gender. The captions of the sections of this Deed of Trust are for convenience only and do not define or limit any terms or provisions. The word "include(s)" means "include(s), without limitation," and the word "including" means "including, but not limited to."

(b) The word "obligations" is used in its broadest and most comprehensive sense, and includes all primary, secondary, direct, indirect, fixed and contingent obligations. It further includes all principal, interest, prepayment charges, late charges, loan fees and any other fees and charges accruing or assessed at any time, as well as all obligations to perform acts or satisfy conditions.

(c) No listing of specific instances, items or matters in any way limits the scope or generality of any language of this Deed of Trust. The Exhibits to this Deed of Trust are hereby incorporated in this Deed of Trust.

(d) The term "Uniform Commercial Code" means the Uniform Commercial Code as amended from time to time, and any successor statute, enacted and in effect at any time in the relevant jurisdiction. Without living any definition set forth herein or in any other Loan Document, any term used herein, whether or not defined, that is defined in the Uniform Commercial Code shall be deemed to have or include the meaning ascribed to such term in the Uniform Commercial Code.

8.9. In-House Counsel Fees. Whenever Grantor is obligated to pay or reimburse Beneficiary for any attorneys' fees, those fees shall include the allocated costs for services of in-house counsel.

8.10. Waiver of Statutory Rights. To the extent permitted by law, Grantor hereby agrees that it shall not and will not apply for or avail itself of any appraisal, valuation, stay, extension or exemption laws, or any so-called "Moratorium Laws," now existing or hereafter enacted, in order to prevent or hinder the enforcement or foreclosure of this Deed of Trust, but hereby waives the benefit of such laws. Grantor for itself and all who may claim through or under it waives any and all right to have the property and estates comprising the Property marshalled upon any foreclosure of the lien hereof and agrees that any court having jurisdiction to foreclose such lien may order the Property sold as an entirety. Grantor hereby waives any and

all rights of redemption from sale under any judgment of foreclosure of this Deed of Trust on behalf of Grantor and on behalf of each and every person acquiring any interest in or title to the Property of any nature whatsoever, subsequent to the date of this Deed of Trust. 8.13. Future Advances. This Deed of Trust shall secure any additional loans as well as any and all present or future advances and readvances under the Loan Documents made by Lender to or for the benefit of Borrower or the Property, to the fullest extent permitted by applicable law, including, without limitation: (a) principal, interest, late charges, fees and other amounts due under the Loan or this Deed of Trust; (b) all advances by Lender to Borrower or any other person to pay costs of erection, construction, alteration, repair, restoration, maintenance and completion of any improvements on the Property; (c) all advances made or costs incurred by Lender for the payment of real estate taxes, assessments or other governmental charges, maintenance charges, insurance premiums, appraisal charges, environmental inspection, audit, testing or compliance costs, and costs incurred by Lender for the enforcement and protection of the Property or the lien of this Deed of Trust; (d) all legal fees, costs and other expenses incurred by Lender by reason of any default or otherwise in connection with the Loan; and (e) as otherwise permitted pursuant to Article 7 of Chapter 45 of the North Carolina General Statutes. The amount of the present Loan secured hereby is Two Million Five Hundred Twelve Thousand Five Hundred Dollars (\$2,512,500.00) and the maximum principal amount, including present and future loans, which may be secured hereby at any one time shall not exceed Two Million Five Hundred Twelve Thousand Five Hundred Dollars (\$2,512,500.00). The time period within which such future Loan may be incurred and such future advances may be made shall not extend for more than fifteen (15) years from the date of this Deed of Trust. 8.14. Beneficiary's Lien for Service Charge and Expenses. At all times, regardless of whether any Loan proceeds have been disbursed, this Deed of Trust secures (in addition to any Loan proceeds disbursed from time to time) the payment of any and all loan commissions, service charges, liquidated damages, expenses and advances due to or incurred by Beneficiary not to exceed the maximum amount secured hereby. For purposes hereof, all obligations of Grantor to Beneficiary under all Interest Rate Agreements and any indebtedness or obligation contained therein or evidenced thereby shall be considered an obligation of Grantor secured hereby.

8.15. WAIVER OF TRIAL BY JURY. GRANTOR HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES ANY RIGHT THAT IT MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION ARISING IN ANY WAY IN CONNECTION WITH THIS DEED OF TRUST, THE NOTE, OR ANY OF THE OTHER LOAN DOCUMENTS, THE LOAN OR ANY OTHER STATEMENTS OR ACTIONS OF GRANTOR OR BENEFICIARY. GRANTOR ACKNOWLEDGES THAT IT HAS BEEN REPRESENTED IN THE SIGNING OF THIS DEED OF TRUST AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL SELECTED OF ITS OWN FREE WILL, AND THAT IT HAS DISCUSSED THIS WAIVER WITH SUCH LEGAL COUNSEL. GRANTOR FURTHER ACKNOWLEDGES THAT (i) IT HAS READ AND UNDERSTANDS THE MEANING AND RAMIFICATIONS OF THIS WAIVER, (ii) THIS WAIVER IS A MATERIAL INDUCEMENT FOR BENEFICIARY TO MAKE THE LOAN, ENTER INTO THIS DEED OF TRUST AND EACH OF THE OTHER LOAN DOCUMENTS, AND (iii) THIS WAIVER SHALL BE EFFECTIVE AS TO EACH OF SUCH OTHER LOAN DOCUMENTS AS IF FULLY INCORPORATED THEREIN.

8.16. Inconsistencies.

In the event of any inconsistency between this Deed of Trust and the Loan Agreement, the terms hereof shall be controlling as necessary to create, preserve and/or maintain a valid security interest upon the Property, otherwise the provisions of the Loan Agreement shall be controlling.

8.17. Further Assurances. From time to time, as requested by Beneficiary, Grantor shall take such other action and execute and deliver to Beneficiary all other instruments, supplements, further assurances and security or other agreements as may be required or requested by Beneficiary in order to perfect and continue Beneficiary's lien and interest in the Property. ## Leasehold Deed of Trust Addendum

The following terms and conditions are included as additional provisions to the Deed of Trust to which it is attached:

1. Grantor will pay or cause to be paid all rent and other charges required under that certain ground lease made by Osborne Investments, LLC "lessor" and Grantor as "lessee" dated July 21, 2005 (the "Lease") as and when the same are due and Grantor will keep, observe and perform, or cause to be kept, observed and performed, all of the other terms, covenants, provisions and agreements of the Lease on the part of the lessee thereunder to be kept, observed and performed, and will not in any manner, cancel, terminate or surrender, or permit any cancellation, termination or surrender of the Lease, in whole or in part, or, without the written consent of Beneficiary, either orally or in writing, modify, amend or permit any modification or amendment of any of the terms thereof in any respect, and any attempt on the part of Grantor to exercise any such right without such written consent of Beneficiary shall be null and void and of no effect.

2. Grantor will do, or cause to be done, all things necessary to preserve and keep unimpaired the rights of Grantor as lessee under the Lease, and to prevent any default under the Lease, or any termination, surrender, cancellation, forfeiture or impairment thereof, and in the event of the failure of Grantor to make any payment required to be made by Grantor pursuant to the provisions of the Lease or to keep, observe or perform, or cause to be kept, observed or performed, any of the terms, covenants, provisions or agreements of the Lease, Grantor agrees that Beneficiary may (but shall not be obligated to), after notice to Grantor (provided, however, that no such notice shall be required to be given after the occurrence of an Event of Default hereunder or under any of the other Loan Documents) take any action on behalf of Grantor, to make or cause to be kept, observed or performed any such terms, covenants, provisions or agreements and to enter upon the Premises and take all such action thereof as may be necessary therefor, to the end that the rights of Grantor in and to the leasehold estate created by the Lease shall be kept unimpaired and free from default, and all money so expended by Beneficiary, with interest thereon at the Default Rate (as defined in the Loan Agreement) from the date of each such expenditure, shall be paid by Grantor to Beneficiary promptly upon demand by Beneficiary and shall be added to the indebtedness and secured by the Deed of Trust and Beneficiary shall have, in addition to any other remedy of Beneficiary, the same rights and remedies in the event of non-payment of any such sum by Grantor as in the case of a default by Grantor in the payment of any sums due under the Note.

3. Grantor will enforce the obligations of the lessor under the Lease to the end that Grantor may enjoy all of the rights granted to it under the Lease, and will promptly notify Beneficiary in writing of any default by the lessor or by Grantor in the performance or observance of any of the terms, covenants and conditions on the part of the lessor or Grantor, as the case may be, to be performed or observed under the Lease and Grantor will promptly advise Beneficiary in writing of the occurrences of any of the events of default enumerated in the Lease and of the giving of any notice by the lessor to Grantor of any default by Grantor in performance or observance of any of the terms, covenants or conditions of the Lease on the part of the Grantor to be performed or observed and will deliver to Beneficiary a true copy of each such notice. If,

pursuant to the Lease, the lessor shall deliver to Beneficiary a copy of any notice of default given to Grantor, such notice shall constitute full authority and protection to Beneficiary for any action taken or omitted to be taken by Beneficiary in good faith in reliance thereon to cure such default.

4. If any action or proceeding shall be instituted to evict Grantor or to recover possession of the Premises or for any other purpose affecting the Lease or this Deed of Trust, Grantor will, immediately upon service thereof on or to Grantor, deliver to Beneficiary a true copy of each petition, summons, complaint, notice of motion, order to show cause and of all other provisions, pleadings, and papers, however designated, served in any such action or proceeding.

5. Grantor covenants and agrees that unless Beneficiary shall otherwise expressly consent in writing, the fee title to the property demised by the Lease and the leasehold estate shall not merge but shall always remain separate and distinct, notwithstanding the union of said estates either in the lessor, Grantor, or a third party by purchase or otherwise; and in case Grantor acquires the fee title or any other estate, title or interest in the Premises, this Deed of Trust shall attach to and cover and be a lien upon the fee title or such other estate so acquired, and such fee title or other estate shall, without further assignment, Deed of Trust or conveyance, become and be subject to the lien of and covered by this Deed of Trust.

6. No release or forbearance of any of Grantor's obligations under the Lease, pursuant to the Lease, or otherwise, shall release Grantor from any of its obligations under this Deed of Trust, including its obligation with respect to the payment of rent as provided for in the Lease and the performance of all of the terms, provisions, covenants, conditions and agreements contained in the Lease, to be kept, performed and complied with by the tenant therein.

7. Upon the occurrence of an Event of Default Grantor shall not make any election or give any consent or approval (other than the exercise of a renewal right or extension right pursuant to Paragraph 9 below) for which a right to do so is conferred upon Grantor as lessee under the Lease without Beneficiary's prior written consent. In case of any Event of Default under this Deed of Trust, all such rights, together with the right of termination, cancellation, modification, change, supplement, alteration or amendment of the Lease, all of which have been assigned for collateral purpose to Beneficiary, shall vest in and be exercisable solely by Beneficiary.

8. Grantor will give Beneficiary prompt written notice of the commencement of any arbitration or appraisal proceeding under and pursuant to the provisions of the Lease. Beneficiary shall have the right to intervene and participate in any such proceeding and Grantor shall confer with Beneficiary to the extent which Beneficiary deems necessary for the protection of Beneficiary. Upon the written request of Beneficiary, if an Event of Default exists, Grantor will exercise all rights of arbitration conferred upon it by the Lease. Grantor shall select an arbitrator who is approved in writing by Beneficiary, provided, however, that if at the time any such proceeding shall be commenced, Grantor shall be in default in the performance or observance of any covenant, condition or other requirement of the Lease, or of this Deed of Trust, on the part of Grantor to be performed or observed, Beneficiary shall have, and is hereby granted, the sole and exclusive right to designate and appoint on behalf of Grantor the arbitrator or arbitrators, or appraiser, in such proceeding.

9. Grantor may exercise any option or right to renew or extend the term of the Lease or exercise the fee option contained therein without the prior written consent of Beneficiary. Grantor shall give Beneficiary simultaneous written notice of the exercise of such option or right to renew or extend, together with a copy of the instrument given to the lessor under the Lease exercising such option or right, and, thereafter, shall promptly deliver to Beneficiary a copy of any acknowledgment by the lessor under such Lease with respect to the exercise of such option or right. If such option or right has not been exercised as aforesaid, then not more than three hundred sixty (360) and not less than two hundred seventy (270) days before the right of Grantor to exercise any option or right to renew or extend the term of the Lease shall expire, Grantor shall give Beneficiary written notice specifying the date, term and manner for which such option or renewal is to be exercised. Within fifteen (15) business days of written demand by Beneficiary, Grantor shall exercise any such option or renewal which is necessary to extend the term of the Lease beyond the term of this Deed of Trust or to comply with any law affecting Grantor or Beneficiary or which is necessary, in Beneficiary's reasonable judgment, to preserve the value of the security intended to be afforded by this Deed of Trust. Grantor shall promptly provide evidence of such exercise of such option or right to Beneficiary's reasonable satisfaction. In the event that Grantor fails to so exercise any such option or right or in the event of any default hereunder which is continuing beyond the applicable cure periods, Grantor hereby agrees and grants to Beneficiary all right and authority to exercise such option in the name of Grantor or in its own name. Nothing contained herein shall affect or limit any rights of Beneficiary granted under the Lease.

10. The lien of this Deed of Trust shall attach to all of Grantor's rights and remedies at any time arising under or pursuant to Subsection 365(h) of the Bankruptcy Code, 11 U.S.C. § 365(h), including, without limitation, all of Grantor's rights to remain in possession of the Premises.

11. Grantor shall not, without Beneficiary's prior written consent, elect to treat the Lease as terminated under Subsection 365(h)(1) of the Bankruptcy Code, 11 U.S.C. § 365(h)(1). Any such election made without Beneficiary's consent shall be void.

12. Grantor hereby unconditionally assigns, transfers and sets over to Beneficiary all of Grantor's claims and rights to the payment of damages arising from any rejection of the Lease by lessor or any other fee owner of the Premises under the Bankruptcy Code. Beneficiary shall have the right to proceed in its own name or in the name of Grantor in respect of any claim, suit, action or proceeding relating to the rejection of the Lease, including, without limitation, the right to file and prosecute, either in its own name or in the name of Grantor, any proofs of claim, complaints, motions, applications, notices and other documents, in any case in respect to the lessor or any fee owner under the Bankruptcy Code. This assignment constitutes a present, irrevocable and unconditional assignment of the foregoing claims, rights and remedies, and shall continue in effect until all of the obligations secured by this Deed of Trust shall have been satisfied and discharged in full. Any amounts received by Beneficiary as damages arising out of the rejection of the Lease as aforesaid shall be applied first to all costs and expenses of Beneficiary (including, without limitation, attorneys' fees) incurred in connection with the exercise of any of its rights or remedies under this Section and then in accordance with the provisions of this Deed of Trust. Grantor shall promptly make, execute, acknowledge and deliver, in form and substance satisfactory to Beneficiary, a UCC Financing Statement (Form UCC-1) and all such additional instruments, agreements and other documents, as may at any

time hereafter be required by Beneficiary to effectuate and carry out the assignment made pursuant to this Section.

13. If pursuant to Subsection 365(h)(2) of the Bankruptcy Code, 11 U.S.C. § 365(h)(2), Grantor shall seek to offset against the rent reserved in the Lease the amount of any damages caused by the nonperformance by the lessor or any fee owner of any of their obligations under the Lease after the rejection by the lessor or any fee owner of the Lease under the Bankruptcy Code, Grantor shall, prior to effecting such offset, notify Beneficiary of its intent to do so, setting forth the amounts proposed to be so offset and the basis therefor. Beneficiary shall have the right to object to all or any part of such offset that, in the reasonable judgment of Beneficiary, would constitute a breach of the Lease, and in the event of such objection, Grantor shall not effect any offset of the amounts so objected to by Beneficiary. Neither Beneficiary's failure to object as aforesaid nor any objection relating to such offset shall constitute an approval of any such offset by Beneficiary.

14. If any action, proceeding, motion or notice shall be commenced or filed in respect of the lessor or any fee owner, the Premises or the Lease in connection with any case under the Bankruptcy Code, Beneficiary shall have the option, exercisable upon notice from Beneficiary to Grantor, to conduct and control any such litigation with counsel of Beneficiary's choice. Beneficiary may proceed in its own name or in the name of Grantor in connection with any such litigation, and Grantor agrees to execute any and all powers, authorizations, consents or other documents reasonably required by Beneficiary in connection therewith. Grantor shall, upon demand, pay to Beneficiary all costs and expenses (including attorneys' fees) paid or incurred by Beneficiary in connection with the prosecution or conduct of any such proceedings. Any such costs or expenses not paid by Grantor as aforesaid shall be secured by the lien of this Deed of Trust and shall be added to the principal amount of the indebtedness secured hereby. Grantor shall not commence any action, suit, proceeding or case, or file any application or make any motion (unless such motion is for the purpose of protecting the Lease and its value as security for the obligations secured by this Deed of Trust), in respect of the Lease in any such case under the Bankruptcy Code without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld or delayed.

15. Grantor shall, after obtaining knowledge thereof, promptly notify Beneficiary of any filing by or against the lessor or other fee owner of a petition under the Bankruptcy Code. Grantor shall promptly deliver to Beneficiary, following receipt, copies of any and all notices, summonses, pleadings, applications and other documents received by Grantor in connection with any such petition and any proceedings relating thereto.

16. If there shall be filed by or against Grantor a petition under the Bankruptcy Code and Grantor, as lessee under the Lease, shall determine to reject the Lease pursuant to Section 365(a) of the Bankruptcy Code, Grantor shall give Beneficiary not less than thirty (30) days' prior notice of the date on which Grantor shall apply to the Bankruptcy Court for authority to reject the Lease. Beneficiary shall have the right, but not the obligation, to serve upon Grantor within such thirty (30) day period a notice stating that Beneficiary demands that Grantor assume and assign the Lease to Beneficiary pursuant to Section 365 of the Bankruptcy Code. If Beneficiary shall serve upon Grantor the notice described in the preceding sentence, Grantor shall not seek to reject the Lease and shall comply with the demand provided for in the preceding sentence.

17. Notwithstanding anything to the contrary contained herein, this Deed of Trust shall not constitute an assignment of the Lease and Beneficiary shall have not liability or obligation thereunder by reason of its acceptance of this Deed of Trust.

### RECITALS

A. On or about the date hereof, Assignor and Assignee entered into that certain Construction Loan Agreement ("Loan Agreement") whereby Assignee agreed to make a secured construction loan (the "Loan") available to Assignor in the maximum aggregate amount at any time outstanding not to exceed the sum of Two Million Five Hundred Twelve Thousand Five Hundred and 00/100 Dollars (\$2,512,500.00), to finance the development and construction of a 31,320 square foot shadow anchored strip Shopping Center with sixteen (16) proposed retail spaces (the "Project"). The Project is legally described in Exhibit A attached hereto and made a part hereof. Capitalized terms used and not otherwise defined herein shall have the meanings given to them in the Loan Agreement.

B. In connection with the Loan, Assignor has executed and delivered a promissory note (the "Note") in favor of Assignee of even date herewith in the amount of the Loan payment of which is secured by (i) a Mortgage made by Assignor in favor of Assignee on the Project, and (ii) the other Loan Documents.

C. Assignor is desirous of further securing to Assignee the performance of the terms, covenants and agreements hereof and of the Note, the Mortgage and the Loan Documents.

### AGREEMENTS

NOW, THEREFORE, in consideration of the making of the Loan evidenced by the Note by Assignee to Assignor and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby irrevocably, absolutely and unconditionally transfer, sell, assign, pledge and convey to Assignee, its successors and assigns, all of the right, title and interest of Assignor in and to:

(a) any and all leases, licenses, rental agreements and occupancy agreements of whatever form now or hereafter affecting all or any part of the Project and any and all guarantees, extensions, renewals, replacements and modifications thereof (collectively, the "Leases"); and

(b) all issues, profits, security or other deposits, revenues, royalties, accounts, rights, benefits and income of every nature of and from the Project, including, without limitation, minimum rents, additional rents, termination payments, bankruptcy claims, forfeited security deposits, damages following default and all proceeds payable under any policy of insurance covering loss of rents resulting from untenability due to destruction or damage to the Project, together with the immediate and continuing right to collect and receive the same, whether now due or hereafter becoming due, and together with all rights and claims of any kind that Assignor may have against any Tenant, lessee or licensee under the Leases or against any other occupant of the Project (collectively, the "Rents").

TO HAVE AND TO HOLD the same unto Assignee, its successors and assigns.

IT IS AGREED that, notwithstanding that this instrument is a present, absolute and executed assignment of the Rents and of the Leases and a present, absolute and executed grant of the powers herein granted to Assignee, Assignor is hereby permitted, at the sufferance of Assignee and at its discretion, and is hereby granted a license by Assignee, to retain possession of the Leases and to collect and retain the Rents unless and until there shall be an "Event of Default" (as defined herein) under the terms of this Assignment or any of the other Loan Documents. Upon an Event of Default, the aforementioned license granted to Assignor shall automatically terminate without notice to Assignor, and Assignee may thereafter, without taking possession of the Project, take possession of the Leases and collect the Rents. Further, from and after such termination, Assignor shall be the agent of Assignee in collection of the Rents, and any Rents so collected by Assignor shall be held in trust by Assignor for the sole and exclusive benefit of Assignee and Assignor shall, within one (1) business day after receipt of any Rents, pay the same to Assignee to be applied by Assignee as hereinafter set forth. Furthermore, from and after such Event of Default and termination of the aforementioned license, Assignee shall

have the right and authority, without any notice whatsoever to Assignor and without regard to the adequacy of the security therefor, to: (a) make application to a court of competent jurisdiction for appointment of a receiver for all or any part of the Project, as particularly set forth in the Mortgage; (b) manage and operate the Project, with full power to employ agents to manage the same; (c) demand, collect, receive and sue for the Rents, including those past due and unpaid; and (d) do all acts relating to such management of the Project, including, but not limited to, negotiation of new Leases, making adjustments of existing Leases, contracting and paying for repairs and replacements to the Improvements and to the fixtures, equipment and personal property located in the Improvements or used in any way in the operation, use and occupancy of the Project as in the sole subjective judgment and discretion of Assignee may be necessary to maintain the same in a tenantable condition, purchasing and paying for such additional furniture and equipment as in the sole subjective judgment of Assignee may be necessary to maintain a proper rental income from the Project, employing necessary managers and other employees, purchasing fuel, providing utilities and paying for all other expenses incurred in the operation of the Project, maintaining adequate insurance coverage over hazards customarily insured against and paying the premiums therefor. Assignee shall apply the Rents received by Assignor from the Project, after deducting the costs of collection thereof, including, without limitation, attorneys' fees and a management fee for any management agent so employed, against amounts expended for repairs, upkeep, maintenance, service, fuel, utilities, taxes, assessments, insurance premiums and such other expenses as Assignee incurs in connection with the operation of the Project and against interest, principal, required escrow deposits and other sums which have or which may become due, from time to time, under the terms of the Loan Documents, in such order or priority as to any of the items so mentioned as Assignee, in its sole subjective discretion, may determine. The exercise by Assignee of the rights granted Assignee in this paragraph, and the collection of, the Rents and the application thereof as herein provided, shall not be considered a waiver by Assignee of any Event of Default under the Loan Documents or prevent foreclosure of any liens on the Project nor shall such exercise make Assignee liable under any of the Leases, Assignee hereby expressly reserving all of its rights and privileges under the Mortgage and the other Loan Documents as fully as though this Assignment had not been entered into.

Without limiting the rights granted hereinabove, in the event Assignor shall fail to make any payment or to perform any act required under the terms hereof and such failure shall not be cured within any applicable grace or cure period, then Assignee may, but shall not be obligated to, without prior notice to or demand on Assignor, and without releasing Assignor from any obligation hereof, make or perform the same in such manner and to such extent as Assignee may deem necessary to protect the security hereof, including specifically, without limitation, appearing in and defending any action or proceeding purporting to affect the security hereof or the rights or powers of Assignee, performing or discharging any obligation, covenant or agreement of Assignor under any of the Leases, and, in exercising any of such powers, paying all necessary costs and expenses, employing counsel and incurring and paying attorneys' fees. Any sum advanced or paid by Assignee for any such purpose, including, without limitation, attorneys' fees, together with interest thereon at the Default Rate from the date paid or advanced by Assignee until repaid by Assignor, shall immediately be due and payable to Assignee by Assignor on demand and shall be secured by the Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

IT IS FURTHER AGREED that this Assignment is made upon the following terms, covenants and conditions:

1. This Assignment shall not operate to place responsibility for the control, care, management or repair of the Project upon Assignee, nor for the performance of any of the terms and conditions of any of the Leases, nor shall it operate to make Assignee responsible or liable for any waste committed on the Project by any Tenant or any other party or for any dangerous or defective condition of the Project or for any negligence in the management, upkeep, repair or control of the Project. Assignee shall not be liable for any loss sustained by Assignor resulting from Assignee's failure to let the Project or from any other act or omission of Assignee in managing the Project. Assignor shall and does hereby indemnify and hold Assignee harmless from and against any and all liability, loss, claim, demand or damage which may or might be incurred by reason of this Assignment, including, without limitation, claims or demands for security deposits from Tenants deposited with Assignor, and from and against any and all claims and demands whatsoever which may be asserted against Assignee by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in any of the Leases. Should Assignee incur any liability by reason of this Assignment or in defense of any claim or demand for loss or damage as provided above, the amount thereof, including, without limitation, costs, expenses and attorneys' fees, together with interest thereof at the Default Rate from the date paid or incurred by Assignee until repaid by Assignor, shall be immediately due and payable to Assignee by Assignor upon demand and shall be secured by the Mortgage and by all of the other Loan Documents securing all or any part of the indebtedness evidenced by the Note.

2. This Assignment shall not be construed as making Assignee a mortgagee in possession.

3. Assignee is obligated to account to Assignor only for such Rents as are actually collected or received by Assignee.

4. Assignor hereby further presently and absolutely assigns to Assignee subject to the terms and provisions of this Assignment: (a) any award or other payment which Assignor may hereafter become entitled to receive with respect to any of the Leases as a result of or pursuant to any bankruptcy, insolvency or reorganization or similar proceedings involving any Tenant under such Leases; and (b) any and all payments made by or on behalf of any Tenant of any part of the Project in lieu of Rent. Assignor hereby irrevocably appoints Assignee as its attorney-in-fact to appear in any such proceeding and to collect any such award or payment, which power of attorney is coupled with an interest by virtue of this Assignment and is irrevocable so long as any sums are outstanding under the loan evidenced by the Note. All awards or payments so collected shall be applied to the indebtedness secured hereby in such order as Assignee shall elect.

5. Assignor represents, warrants and covenants to and for the benefit of Assignee: (a) that Assignor now is (or with respect to any Leases not yet in existence, will be immediately upon the execution thereof) the absolute owner of the landlord's interest in the Leases, with full right and title to assign the same and the Rents due or to become due thereunder; (b) that, other than this Assignment and any assignment to Assignee pursuant to the Mortgage there are no

outstanding assignments of the Leases or Rents; (c) that no Rents have been anticipated, discounted, released, waived, compromised or otherwise discharged except for prepayment of rent of not more than one (1) month prior to the accrual thereof; (d) that there are no material defaults now existing under any of the Leases by the landlord or any Tenant, and there exists no state of facts which, with the giving of notice or lapse of time or both, would constitute a default under any of the Leases by the landlord or any Tenant, except as disclosed in writing to Assignee; (e) that Assignor has and shall duly and punctually observe and perform all covenants, conditions and agreements in the Leases on the part of the landlord to be observed and performed thereunder and (f) the Leases are in full force and effect and are the valid and binding obligations of Assignor, and, to the knowledge of Assignor, are the valid and binding obligations of each Tenant thereto.

6. Assignor covenants and agrees that Assignor shall, at its sole cost and expense, appear in and defend any action or proceeding arising under, growing out of, or in any manner connected with the Leases or the obligations, duties or liabilities of the landlord or any Tenant thereunder, and shall pay on demand all costs and expenses, including, without limitation, attorneys' fees, which Assignee may incur in connection with Assignee's appearance, voluntary or otherwise, in any such action or proceeding, together with interest thereon at the Default Rate from the date incurred by Assignee until repaid by Assignor.

7. At any time, Assignee may, at its option, notify any Tenant or other parties of the existence of this Assignment. Assignor does hereby specifically authorize, instruct and direct each and every present and future tenant, lessee and licensee of the whole or any part of the Project to pay all unpaid and future Rents to Assignee upon receipt of demand from Assignee to so pay the same and Assignor hereby agrees that each such present and future Tenant, lessee and licensee may rely upon such written demand from Assignee to so pay said Rents without any inquiry into whether there exists an Event of Default hereunder or under the other Loan Documents or whether Assignee is otherwise entitled to said Rents. Assignor hereby waives any right, claim or demand which Assignor may now or hereafter have against any present or future tenant, lessee or licensee by reason of such payment of Rents to Assignee, and any such payment shall discharge such tenant's, lessee's or licensee's obligation to make such payment to Assignor.

8. Assignee may take or release any security for the indebtedness evidenced by the Note, may release any party primarily or secondarily liable for the indebtedness evidenced by the Note, may grant extensions, renewals or indulgences with respect to the indebtedness evidenced by the Note and may apply any other security therefor held by it to the satisfaction of any indebtedness evidenced by the Note without prejudice to any of its rights hereunder.

9. The acceptance of this Assignment and the collection of the Rents in the event Assignor's license is terminated, as referred to above, shall be without prejudice to Assignee. The rights of Assignee hereunder are cumulative and concurrent, may be pursued separately, successively or together and may be exercised as often as occasion therefor shall arise, it being agreed by Assignor that the exercise of any one or more of the rights provided for herein shall not be construed as a waiver of any of the other rights or remedies of Assignee, at law or in equity or otherwise, so long as any obligation under the Loan Documents remains unsatisfied.

10. All rights of Assignee hereunder shall inure to the benefit of its successors and assigns, and all obligations of Assignor shall bind its successors and assigns and any subsequent owner of the Project. All rights of Assignee in, to and under this Assignment shall pass to and may be exercised by any assignee of such rights of Assignee. Assignor hereby agrees that if Assignee gives notice to Assignor of an assignment of said rights, upon such notice the liability of Assignor to the assignee of the Assignee shall be immediate and absolute. Assignor will not set up any claim against Assignee or any intervening assignee as a defense, counterclaim or setoff to any action brought by Assignee or any intervening assignee for any amounts due hereunder or for possession of or the exercise of rights with respect to the Leases or the Rents.

11. It shall be an "Event of Default" hereunder (a) if any representation or warranty made herein by Assignor is determined by Assignee to have been false or misleading in any material respect at the time made, or (b) upon any failure by Assignor in the performance or observance of any other covenant or condition hereof and the continuance of such failure for thirty (30) days after written notice thereof from Assignee to Assignor; provided, however, that if such failure is susceptible of cure but cannot reasonably be accomplished within said thirty (30) day period, then Assignor shall have an additional sixty (60) day period to cure such failure and no Event of Default shall be deemed to exist hereunder so long as Assignor commences such cure within the initial thirty (30) day period and diligently and in good faith pursues such cure to completion within such resulting ninety (90) day period from the date of Assignee's notice. Any such default not so cured shall be an "Event of Default" under each of the other Loan Documents, entitling Assignee to exercise any or all rights and remedies available to Assignee under the terms hereof or of any or all of the other Loan Documents, and any Event of Default under the other Loan Documents, or any default under any other Loan Document which is not cured within any applicable grace or cure period, shall be deemed an Event of Default hereunder subject to no grace or cure period, entitling Assignee to exercise any or all rights provided for herein.

12. Failure by Assignee to exercise any right which it may have hereunder shall not be deemed a waiver thereof unless so agreed in writing by Assignee, and the waiver by Assignee of any default hereunder shall not constitute a continuing waiver or a waiver of any other default or of the same default on any future occasion. No collection by Assignee of any Rents pursuant to this Assignment shall constitute or result in a waiver of any default then existing hereunder or under any of the other Loan Documents.

13. If any provision under this Assignment or the application thereof to any entity, person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder of this Assignment and the application of the provisions hereof to other entities, persons or circumstances shall not be affected thereby and shall be enforced to the fullest extent permitted by law.

14. This Assignment may not be amended, modified or otherwise changed except by a written instrument duly executed by Assignor and Assignee.

15. This Assignment shall be in full force and effect continuously from the date hereof to and until the payment, discharge, and performance of any and all indebtedness and obligations evidenced by the Note or secured or guaranteed by any of the Loan Documents, and

the release of the Mortgage shall, for all purposes, automatically terminate this Assignment and render this Assignment null and void and of no effect whatsoever.

16. In case of a conflict between any provision of this Assignment and any provision of the other Loan Documents, the provision selected by Assignee in its sole subjective discretion shall prevail and be controlling.

17. All notices, demands, requests or other communications to be sent by one party to the other hereunder or required by law shall be given and become effective as provided in the Loan Agreement.

18. This Assignment shall be governed by and construed in accordance with the laws of the State in which the Project is located.

19. This Assignment may be executed in any number of counterparts, each of which shall be effective only upon delivery and thereafter shall be deemed an original, and all of which shall be taken to be one and the same instrument, for the same effect as if all parties hereto had signed the same signature page. Any signature page of this Assignment may be detached from any counterpart of this Assignment without impairing the legal effect of any signatures thereon and may be attached to another counterpart of this Assignment identical in form hereto but having attached to it one or more additional signature pages.

20. In addition to, but not in lieu of, any other rights hereunder, Assignee shall have the right to institute suit and obtain a protective or mandatory injunction against Assignor to prevent a breach or default, or to reinforce the observance, of the agreements, covenants, terms and conditions contained herein, as well as the right to damages occasioned by any breach or default by Assignor.

21. Assignor hereby covenants and agrees that Assignee shall be entitled to all of the rights, remedies and benefits available by statute, at law, in equity or as a matter of practice for the enforcement and perfection of the intents and purposes hereof. Assignee shall, as a matter of absolute right, be entitled, upon application to a court of applicable jurisdiction, and without notice to Assignor, to the appointment of a receiver to obtain and secure the rights of Assignee hereunder and the benefits intended to be provided to Assignee hereunder.

IN WITNESS WHEREOF, Assignor has executed this Assignment under seal as of the day and year first above written.

(b) Except as previously disclosed to Lender in writing, no litigation or proceedings are pending, or to the best of Borrower's knowledge threatened, against Borrower or any Guarantor, which could, if adversely determined, cause a Material Adverse Change with respect to Borrower, any Guarantor or the Project. There are no pending Environmental Proceedings and Borrower has no knowledge of any threatened Environmental Proceedings or any facts or circumstances which may give rise to any future Environmental Proceedings.

(c) Borrower is a duly organized and validly existing limited liability company and has full power and authority to execute, deliver and perform all Loan Documents to which Borrower is a party, and such execution, delivery and performance have been duly authorized by all requisite action on the part of Borrower.

## ARTICLE 4 LOAN AND LOAN DOCUMENTS

### 4.1 Agreement to Borrow and Lend; Lender's Obligation to Disburse.

Subject to the terms, provisions and conditions of this Agreement and the other Loan Documents, Borrower agrees to borrow from Lender and Lender agrees to lend to Borrower the Loan, for the purposes and subject to all of the terms, provisions and conditions contained in this Agreement. If Lender consists of more than one party, the obligations of each such party with respect to the amount it has agreed to loan to Borrower shall be several (and not joint and several) and shall be limited to its proportionate share of the Loan and of each advance.

(b) Lender agrees, upon Borrower's compliance with and satisfaction of all conditions precedent to the Loan Opening and provided the Loan is In Balance, no Material Adverse Change has occurred with respect to Borrower, or any Guarantor or the Project and no default or Event of Default has occurred and is continuing hereunder, to Open the Loan to reimburse Borrower for a portion of the costs incurred by Borrower in connection with the development of the Project and the construction of the Improvements, to the extent provided for in the Budget.

(c) After the Opening of the Loan, Borrower shall be entitled to receive further successive disbursements of the proceeds of the Loan in accordance with Articles 9, 12 and 13 within ten (10) Business Days after compliance with all conditions precedent thereto, provided that (i) the Loan remains In Balance; (ii) Borrower has complied with all conditions precedent to disbursement from time to time including the requirements of Section 3.2 and Articles 8, 9, 12 and 13; (iii) no Material Adverse Change has occurred with respect to Borrower, any Guarantor or Tenant, or the Project and (iv) no Event of Default and no material default exists hereunder or under any other Loan Document or Lease.

(d) To the extent that Lender may have acquiesced in noncompliance with any requirements precedent to the Opening of the Loan or precedent to any subsequent disbursement of Loan proceeds, such acquiescence shall not constitute a waiver by Lender, and Lender may at any time after such acquiescence require Borrower to comply with all such requirements.

(e) Borrower shall, prior to the Opening of the Loan, open an Operating Account. Borrower authorizes Lender to disburse Loan proceeds by crediting the Operating Account; provided, however, that Lender shall not be obligated to use such method. Lender is further authorized to pay any principal or interest due upon the Note when and as same shall become due by debiting funds on deposit in the Operating Account.

All principal, interest and other sums due under the Loan Documents shall be due and payable in full on the Maturity Date without relief from valuation and appraisement laws.

(a) All principal, interest and other sums due under the Loan Documents shall be due and payable in full on the Maturity Date. All references herein to the Maturity Date shall mean Initial Maturity Date, provided that Borrower shall have the one-time right to extend the Maturity Date for one additional six (6) month term (the "Extension Option"), thereby extending the Maturity Date to the six month anniversary of the Initial Maturity Date (the "Extended Maturity Date").

Any and all amounts due hereunder or under the other Loan Documents which remain unpaid more than ten (10) days after the date said amount was due and payable shall incur a fee (the "Late Charge") equal to the greater of (a) ten percent (10%) of said amount or (b) \$25.00, which payment shall be in addition to all of Lender's other rights and remedies under the Loan Documents, provided that no Late Charge shall apply to the final payment of principal on the Maturity Date.

Farmer, Jr. or The Spectra Group, Inc., own any interest, or is a qualified intermediary acting on behalf of The Spectra Group, Inc. or Jeff H. Farmer, Jr. in

connection with a 1031 exchange (collectively, a "Related Borrower") shall cross-collateralize its loan with the Loan. It is the intention of the parties hereto, The Spectra Group, Inc., Jeff H. Farmer, Jr. and such Related Borrowers that the notes, mortgages, and all other documents securing the Notes for such future loans shall evidence and secure the following: any and all loans, advances, debts, liabilities, obligations, covenants and duties owing by Borrower, Jeff H. Farmer, Jr., The Spectra Group, Inc. or any Related Borrower to Lender, or any direct or indirectly subsidiary or any Affiliate of Lender, or any parent or related party to Lender, of any kind or nature, present or future, whether direct or indirect, absolute or contingent, joint or several, due or to become due, now existing or hereinafter arising, whether or not (i) evidenced by any other note, guaranty or other instrument, (ii) arising under any agreement, instrument or document, (iii) for the payment of money, (iv) arising by reason of an extension of credit, opening of a letter of credit, loan, equipment lease or guaranty, or (v) arising under any interior or currently swap, future, option or other interest rate protection or similar agreement, including without limitation, an "Interest Rate Agreement" as hereinafter defined.

## **ARTICLE 5 INTEREST**

### **5.1 Interest Rate.**

(a) The Loan will bear interest at the Applicable Rate, unless the Default Rate is applicable. The Adjusted Prime Rate shall be the "Applicable Rate", except that the Adjusted LIBOR Rate shall be the "Applicable Rate" with respect to portions of the Loan as to which a LIBOR Rate Option is then in effect. Borrower shall pay interest in arrears on the first day of every calendar month in the amount of all interest accrued and unpaid in accordance with the terms of the Note.

(b) Provided that no Event of Default exists, Borrower shall have the option (the "LIBOR Rate Option") to elect from time to time in the manner and subject to the conditions hereinafter set forth an Adjusted LIBOR Rate as the Applicable Rate for all or any portion of the Loan which would otherwise bear interest at the Adjusted Prime Rate.

(c) The only manner in which Borrower may exercise the LIBOR Rate Option is by giving Lender irrevocable notice (which may be verbal notice provided that Borrower delivers to Lender facsimile confirmation in the form of Exhibit E attached hereto within twenty-four (24) hours) of such exercise not later than 11:00 a.m. Cincinnati time on the second LIBOR Business Day prior to the proposed commencement of the relevant LIBOR Rate Interest Period, which written notice shall specify: (i) the portion of the Loan with respect to which Borrower is electing the LIBOR Rate Option, (ii) the LIBOR Business Day upon which the applicable LIBOR Rate Interest Period is to commence and (iii) the duration of the applicable LIBOR Rate Interest Period. The Applicable Rate for any portion of the Loan with respect to which Borrower has elected the LIBOR Rate Option shall revert to the Adjusted Prime Rate as of the last day of the LIBOR Rate Interest Period applicable thereto (unless Borrower again exercises the LIBOR Rate Option for such portion of the Loan). Lender shall be under no duty to notify Borrower that the Applicable Rate on any portion of the Loan is about to revert from an Adjusted LIBOR Rate

to the Adjusted Prime Rate. The LIBOR Rate Option may be exercised by Borrower only with respect to any portion of the Loan equal to or in excess of \$250,000.00. At no time may there be more than four (4) LIBOR Rate Interest Periods in effect with respect to the Loan.

(d) If Lender determines (which determination shall be conclusive and binding upon Borrower, absent manifest error) (i) that Dollar deposits in an amount approximately equal to the portion of the Loan for which Borrower has exercised the LIBOR Rate Option for the designated LIBOR Rate Interest Period are not generally available at such time in the London interbank market for deposits in Dollars, (ii) that the rate at which such deposits are being offered will not adequately and fairly reflect the cost to Lender of maintaining a LIBOR Rate on such portion of the Loan or of funding the same for such LIBOR Rate Interest Period due to circumstances affecting the London interbank market generally, (iii) that reasonable means do not exist for ascertaining a LIBOR Rate, or (iv) that an Adjusted LIBOR Rate would be in excess of the maximum interest rate which Borrower may by law pay, then, in any such event, Lender shall so notify Borrower and all portions of the Loan bearing interest at an Adjusted LIBOR Rate that are so affected shall, as of the date of such notification with respect to an event described in clause (ii) or (iv) above, or as of the expiration of the applicable LIBOR Rate Interest Period with respect to an event described in clause (i) or (iii) above, bear interest at the Adjusted Prime Rate until such time as the situations described above are no longer in effect or can be avoided by Borrower exercising a LIBOR Rate Option for a different LIBOR Rate Interest Period.

(e) Interest at the Applicable Rate (or Default Rate) shall be calculated for the actual number of days elapsed on the basis of a 360-day year, including the first date of the applicable period to, but not including, the date of repayment.

(f) Borrower shall pay all Breakage Costs incurred from time to time by Lender upon demand.

(g) If the introduction of or any change in any Law, regulation or treaty, or in the interpretation thereof by any Governmental Authority charged with the administration or interpretation thereof, shall make it unlawful for Lender to maintain the Applicable Rate at an Adjusted LIBOR Rate with respect to the Loan or any portion thereof, or to fund the Loan or any portion thereof in Dollars in the London interbank market, or to give effect to its obligations regarding the LIBOR Rate Option as contemplated by the Loan Documents, then (1) Lender shall notify Borrower that Lender is no longer able to maintain the Applicable Rate at an Adjusted LIBOR Rate, (2) the LIBOR Rate Option shall immediately terminate, (3) the Applicable Rate for any portion of the Loan for which the Applicable Rate is then an Adjusted LIBOR Rate shall automatically be converted to the Adjusted Prime Rate, and (4) Borrower shall pay to Lender the amount of Breakage Costs (if any) incurred in connection with such conversion. Thereafter, Borrower shall not be entitled to exercise the LIBOR Rate Option until such time as the situation described herein is no longer in effect or can be avoided by Borrower exercising a LIBOR Rate Option for a LIBOR Rate Interest Period.

## **5.2 Interest Rate Agreements.**

(a) If Borrower purchases an Interest Rate Protection Product from Lender, Borrower shall enter into such party's customary form of agreement ("Interest Rate Agreement") relating to such Interest Rate Protection Product. Any indebtedness incurred pursuant to an Interest Rate

Agreement entered into by Borrower and Lender shall constitute indebtedness evidenced by the Note and secured by the Mortgage and the other Loan Documents to the same extent and effect as if the terms and provisions of such Interest Rate Agreement were set forth herein, whether or not the aggregate of such indebtedness, together with the disbursements made by Lender of the proceeds of the Loan, shall exceed the face amount of the Note.

(b) Borrower hereby collaterally assigns to agent for the benefit of Lender any and all Interest Rate Protection Products purchased or to be purchased by Borrower in connection with the Loan, as additional security for the Loan, and agrees to provide Lender with any additional documentation requested by Lender in order to confirm or perfect such security interest during the term of the Loan. If Borrower obtains an Interest Rate Protection Product from a party other than Lender, Borrower shall deliver to Lender such third party's consent to such collateral assignment. No Interest Rate Protection Product purchased from a third party may be secured by an interest in Borrower or the Project.

(c) Borrower shall, as a condition to the Opening of the Loan if required by Lender and otherwise within five (5) Business Days after Lender's request, institute an interest rate hedging program through the purchase of an interest rate swap, cap or such other interest rate protection product ("Interest Rate Protection Product") with respect to the Loan. The Interest Rate Protection Product, the portion of the Loan (if less than the entire Loan Amount) to which such Interest Rate Protection Product shall apply, and the financial institution providing the Interest Rate Protection Product, shall be subject to Lender's prior written approval in its sole discretion. Borrower shall afford Lender a right of first opportunity to provide all Interest Rate Protection Products but shall not be required to purchase such Interest Rate Protection Product from Lender.

## **ARTICLE 6 COSTS OF MAINTAINING LOAN**

### **6.1 Increased Costs and Capital Adequacy.**

(a) Borrower recognizes that the cost to Lender of maintaining the Loan or any portion thereof may fluctuate and, Borrower agrees to pay Lender additional amounts to compensate Lender for any increase in its actual costs incurred in maintaining the Loan or any portion thereof outstanding or for the reduction of any amounts received or receivable from Borrower as a result of:

- (i) any change after the date hereof in any applicable Law, regulation or treaty, or in the interpretation or administration thereof, or by any domestic or foreign court, (A) changing the basis of taxation of payments under this Agreement to Lender (other than taxes imposed on all or any portion of the overall net income or receipts of Lender), or (B) imposing, modifying or applying any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, credit extended by, or any other acquisition of funds for loans by Lender (which includes the Loan or any applicable portion thereof) (provided, however,

that Borrower shall not be charged again the Reserve Percentage already accounted for in the definition of the Adjusted LIBOR Rate), or (C) imposing on Lender, or the London interbank market generally, any other condition affecting the Loan, provided that the result of the foregoing is to increase the cost to Lender of maintaining the Loan or any portion thereof or to reduce the amount of any sum received or receivable from Borrower by Lender under the Loan Documents; or

- (ii) the maintenance by Lender of reserves in accordance with reserve requirements promulgated by the Board of Governors of the Federal Reserve System of the United States with respect to "Eurocurrency Liabilities" of a similar term to that of the applicable portion of the Loan (without duplication for reserves already accounted for in the calculation of a LIBOR Rate pursuant to the terms hereof).

(b) If the application of any Law, rule, regulation or guideline adopted or arising out of the July, 1988 report of the Basle Committee on Banking Regulations and Supervisory Practices entitled "International Convergence of Capital Measurement and Capital Standards", or the adoption after the date hereof of any other Law, rule, regulation or guideline regarding capital adequacy, or any change after the date hereof in any of the foregoing, or in the interpretation or administration thereof by any domestic or foreign Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by Lender, with any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has the effect of reducing the rate of return on Lender's capital to a level below that which Lender would have achieved but for such application, adoption, change or compliance (taking into consideration the policies of Lender with respect to capital adequacy), then, from time to time Borrower shall pay to Lender such additional amounts as will compensate Lender for such reduction with respect to any portion of the Loan outstanding.

(c) Any amount payable by Borrower under subsection (a) or subsection (b) of this Section 6.1 shall be paid within five (5) days of receipt by Borrower of a certificate signed by an authorized officer of Lender setting forth the amount due and the basis for the determination of such amount, which statement shall be conclusive and binding upon Borrower, absent manifest error. Failure on the part of Lender to demand payment from Borrower for any such amount attributable to any particular period shall not constitute a waiver of Lender's right to demand payment of such amount for any subsequent or prior period. Lender shall use reasonable efforts to deliver to Borrower prompt notice of any event described in subsection (a) or (b) above, of the amount of the reserve and capital adequacy payments resulting therefrom and the reasons therefor and of the basis of calculation of such amount; provided, however, that any failure by Lender to so notify Borrower shall not affect Borrower's obligation to pay the reserve and capital adequacy payment resulting therefrom.

## **6.2 Borrower Withholding.**

If by reason of a change in any applicable Laws occurring after the date hereof, Borrower is required by Law to make any deduction or withholding in respect of any taxes (other than taxes imposed on or measured by the net income of Lender or any franchise tax imposed on

Lender), duties or other charges from any payment due under the Note to the maximum extent permitted by law, the sum due from Borrower in respect of such payment shall be increased to the extent necessary to ensure that, after the making of such deduction or withholding, Lender receives and retains a net sum equal to the sum which it would have received had no such deduction or withholding been required to be made.

## **ARTICLE 7 LOAN EXPENSE AND ADVANCES**

### **7.1 Loan and Administration Expenses.**

Borrower unconditionally agrees to pay all expenses of the Loan, including all amounts payable pursuant to Sections 7.2 and 7.3 and any and all other fees owing to Lender pursuant to the Loan Documents, and also including, without limiting the generality of the foregoing, all recording, filing and registration fees and charges, mortgage or documentary taxes, all insurance premiums, title insurance premiums and other charges of the Title Insurer, printing and photocopying expenses, survey fees and charges, cost of certified copies of instruments, cost of premiums on surety company bonds and the Title Policy, charges of the Title Insurer or other escrowee for administering disbursements, all fees and disbursements of Lender's Consultant, all appraisal fees, insurance consultant's fees, environmental consultant's fees, travel related expenses and all costs and expenses incurred by Lender in connection with the determination of whether or not Borrower has performed the obligations undertaken by Borrower hereunder or has satisfied any conditions precedent to the obligations of Lender hereunder and, if any default or Event of Default occurs hereunder or under any of the Loan Documents or if the Loan or Note or any portion thereof is not paid in full when and as due, all costs and expenses of Lender (including, without limitation, court costs and counsel's fees and disbursements and fees and costs of paralegals) incurred in attempting to enforce payment of the Loan and expenses of Lender incurred (including court costs and counsel's fees and disbursements and fees and costs of paralegals) in attempting to realize, while a default or Event of Default exists, on any security or incurred in connection with the sale or disposition (or preparation for sale or disposition) of any security for the Loan. Borrower agrees to pay all brokerage, finder or similar fees or commissions payable in connection with the transactions contemplated hereby and shall indemnify and hold Lender harmless against all claims, liabilities, costs and expenses (including attorneys' fees and expenses) incurred in relation to any claim by broker, finder or similar person.

### **7.3 Exit Fee.**

Upon the repayment of the Loan (whether at Maturity or at any other date), Borrower will pay to Lender an exit fee equal to 0.25% percent of the maximum Loan Amount (the "Exit Fee"); unless the Loan is repaid in full with a construction loan from Lender for construction of an

approximately 77,369 foot shadow anchored retail center on approximately 6.0 acres of the Land. The Exit Fee shall be deemed to be earned upon the occurrence of the events described in the immediately preceding sentence of this Section 7.3.

#### **7.5 Time of Payment of Fees and Expenses.**

Borrower shall pay all expenses and fees incurred as of the Loan Opening on the Loan Opening Date (unless sooner required herein). At the time of the Opening of the Loan, Lender may pay from the proceeds of the initial disbursement of the Loan (to the extent provided for in the Budget) all Loan expenses and all fees payable to Lender. Lender may require the payment of outstanding fees and expenses as a condition to any disbursement of the Loan. Lender is hereby authorized, without any specific request or direction by Borrower, to make disbursements from time to time in payment of or to reimburse Lender for all Loan expenses and fees (whether or not, at such time, there may be any undisbursed amounts of the Loan allocated in the Budget for the same).

#### **7.6 Expenses and Advances Secured by Loan Documents.**

Any and all advances or payments made by Lender under this Article 7 from time to time, and any amounts expended by Lender pursuant to Section 20.1(a), shall, as and when advanced or incurred, constitute additional indebtedness evidenced by the Note and secured by the Mortgage and the other Loan Documents.

#### **7.7 Right of Lender to Make Advances to Cure Borrower's Defaults.**

In the event that Borrower fails to perform any of Borrower's covenants, agreements or obligations contained in this Agreement or any of the other Loan Documents (after the expiration of applicable grace periods, except in the event of an emergency or other exigent circumstances), Lender may (but shall not be required to) perform any of such covenants, agreements and obligations, and any amounts expended by Lender in so doing and shall constitute additional indebtedness evidenced by the Note and secured by the Mortgage and the other Loan Documents and shall bear interest at a rate per annum equal to the Applicable Rate (or Default Rate following an Event of Default).

**ARTICLE 8**  
**NON-CONSTRUCTION REQUIREMENTS PRECEDENT**

## **ARTICLE 10 BUDGET AND CONTINGENCY FUND**

### **10.1 Budget.**

Disbursement of the Loan shall be governed by the Budget for the Project, in form and substance acceptable to Lender in Lender's reasonable discretion. The Budget shall specify the amount of cash equity invested in the Project, and all costs and expenses of every kind and nature whatever to be incurred by Borrower in connection with the Project. The Budget shall include, in addition to the Budget Line Items described in Section 10.2 below, the Contingency Fund described in Section 10.3 below, and amounts satisfactory to Lender for soft costs and other reserves acceptable to Lender. The initial Budget is attached hereto as Exhibit H and made a part hereof. Once the Budget is approved by Lender all changes to the Budget shall in all respects be subject to the prior written approval of Lender.

### **10.2 Budget Line Items.**

The Budget shall include as line items ("Budget Line Items"), to the extent determined to be applicable by Lender in its reasonable discretion, the cost of all labor, materials, equipment, fixtures and furnishings needed for the completion of the Construction, and all other costs, fees and expenses relating in any way whatsoever to the Construction of the Improvements, sale of outlots to be developed on the Land, real estate taxes, and all other sums due in connection with Construction and operation of the Project, the Loan, and this Agreement. Borrower agrees that all Loan proceeds disbursed by Lender shall be used only for the Budget Line Items for which such proceeds were disbursed.

Borrower shall have the right to reallocate cost savings effected by final Change Order or other appropriate final documentation to other Budget Line Items subject to Lender's prior written consent not to be unreasonably withheld.

Lender shall not be obligated to disburse any amount for any category of costs set forth as a Budget Line Item which is greater than the amount set forth for such category in the applicable

Budget Line Item. Borrower shall pay as they become due all amounts set forth in the Budget with respect to costs to be paid for by Borrower.

### **10.3 Contingency Fund.**

The Budget shall contain a Budget Line Item designated for the Contingency Fund. Borrower may from time to time request that the Contingency Fund be reallocated to pay needed costs of the Project. Such requests shall be subject to Lender's written approval in its reasonable discretion.

Borrower agrees that the decision with respect to utilizing portions of the Contingency Fund in order to keep the Loan In Balance shall be made by Lender in its reasonable discretion, and that Lender may require Borrower to make a Deficiency Deposit even if funds remain in the Contingency Fund.

### **10.4 Optional Method for Payment of Interest.**

For Borrower's benefit, the Budget includes a Budget Line Item for interest payments on the Loan and, at Lender's option, amounts due from Borrower under any Interest Rate Agreement with respect to the Loan. Borrower hereby authorizes Lender from time to time, for the mutual convenience of Lender and Borrower, to disburse Loan proceeds to pay all the then accrued interest on the Note and to pay amounts due from Borrower under any Interest Rate Agreement with respect to the Loan, regardless of whether Borrower shall have specifically requested a disbursement of such amount. Any such disbursement, if made, shall be added to the outstanding principal balance of the Note and shall, when disbursed, bear interest at the Adjusted Prime Rate. The authorization hereby granted, however, shall not obligate Lender to make disbursements of the Loan for interest payments or any amount due under any Interest Rate Agreement (except upon Borrower's qualifying for and requesting disbursement of that portion of the proceeds of the Loan allocated for such purposes in the Budget) nor prevent Borrower from paying accrued interest or amounts due under any Interest Rate Agreement from its own funds.

## **ARTICLE 11 SUFFICIENCY OF LOAN**

### **11.1 Loan In Balance.**

Anything contained in this Agreement to the contrary notwithstanding, it is expressly understood and agreed that the Loan shall at all times be "In Balance", on a Budget Line Item and an aggregate basis. A Budget Line Item shall be deemed to be "In Balance" only if Lender in its reasonable discretion determines that amount of such Budget Line Item is sufficient for its intended purpose. The Loan shall be deemed to be "In Balance" in the aggregate only when the total of the undisbursed portion of the Loan less the Contingency Fund (subject to Borrower's reallocation rights under Section 10.3), equals or exceeds the aggregate of (a) the costs required to complete the construction of the Project in accordance with the Plans and Specifications and the Budget; (b) the amounts to be paid as retainages to persons who have

supplied labor or materials to the Project; (c) intentionally omitted; and (d) all other hard and soft costs not yet paid for in connection with the Project (including, but not limited to costs associated with the sale of outlots to be developed on the Land), as such costs and amounts described in clauses (a), (b), (c) and (d) may be estimated and/or approved in writing by Lender from time to time. Borrower agrees that if for any reason, in Lender's reasonable discretion, the amount of such undistributed Loan proceeds shall at any time be or become insufficient for such purpose regardless of how such condition may be caused, Borrower will, within ten (10) days after written request by Lender, deposit the deficiency with Lender ("Deficiency Deposit"). The Deficiency Deposit shall first be exhausted before any further disbursement of Loan proceeds shall be made. Lender shall not be obligated to make any Loan disbursements if and for as long as the Loan is not In Balance.

## **ARTICLE 12 CONSTRUCTION PAYOUT REQUIREMENTS**

### **12.1 Applicability of Sections.**

The provisions contained in this Article 12 shall apply to the Opening of the Loan and to all disbursements of proceeds during Construction.

### **12.2 Monthly Payouts.**

After the Opening of the Loan, further disbursements shall be made during Construction from time to time as the Construction progresses, but no more frequently than once in each calendar month. At Lender's option, disbursements may be made by Lender into an escrow and subsequently disbursed to Borrower by the Title Insurer. If such option is exercised, those Loan proceeds shall be deemed to be disbursed to Borrower from the date of deposit into that escrow and interest shall accrue on those proceeds from that date, regardless of the date such proceeds are released by the Title Insurer.

### **12.3 Documents to be Furnished for Each Disbursement.**

As a condition precedent to each disbursement of the Loan proceeds (including the initial disbursement at the Opening of the Loan), Borrower shall furnish or cause to be furnished to Lender the following documents covering each disbursement, in form and substance satisfactory to Lender:

(a) A completed Borrower's Certificate in the form of Exhibit I attached hereto and made a part hereof and a completed Soft and Hard Cost Requisition Form in the form of Exhibit J attached hereto and made a part hereof, each executed by the Authorized Representative of Borrower;

(b) A completed standard AIA Form G702 and Form G703 signed by the General Contractor, subcontractors, and the Project engineer, together with General Contractor's sworn statements and unconditional waivers of lien, and all subcontractors', material suppliers' and laborers' conditional waivers of lien, covering all work, paid with the proceeds of the prior draw

requests, together with such invoices, contracts or other supporting data as Lender may require to evidence that all costs for which disbursement is sought have been incurred;

(c) Paid invoices or other evidence satisfactory to Lender that fixtures and equipment, if any, have been paid for and are free of any lien or security interest therein;

(d) An endorsement to the Title Policy issued to Lender covering the date of disbursement and showing the Mortgage as a first, prior and paramount lien on the Project subject only to the Permitted Exceptions and real estate taxes that have accrued but are not yet due and payable and particularly that nothing has intervened to affect the validity or priority of the Mortgage;

(e) Copies of any proposed or executed Change Orders on standard AIA G701 form which have not been previously furnished to Lender and which require and are not valid without the signatures of the General Contractor, Borrower and Architect;

(f) Copies of all construction contracts (including subcontracts) which have been executed since the last disbursement, together with any Bonds obtained or required to be obtained with respect thereto;

(g) All Required Permits;

(h) Satisfactory evidence that all Government Approvals have been obtained for development of the Project; and

(i) Such other instruments, documents and information as Lender or the Title Insurer may reasonably request.

Disbursements shall be made approximately ten (10) days after receipt of all information required by Lender to approve the requested disbursements.

#### **12.4 Retainages.**

At the time of each disbursement of Loan proceeds, ten percent (10%) of the total amount then due the General Contractor and the various contractors, subcontractors and material suppliers for costs of the Construction shall be withheld from the amount disbursed. The retained Loan amounts for the Construction costs will be disbursed only at the time of the final disbursement of Loan proceeds under Article 13 below; provided, however, upon the satisfactory completion of one hundred percent (100%) of the work with respect to any trade (including any trade performed by the General Contractor) or the delivery of all materials pursuant to a purchase order in accordance with the Plans and Specifications as certified by the Architect and the Lender's Consultant, Lender may decide on a case by case basis (but shall not be obligated) to permit retainages with respect to such trade or order, as the case may be, to be disbursed to Borrower upon the Lender's Consultant's approval of all work and materials and Lender's receipt of a final waiver of lien with respect to such completed work or delivered materials.

### **12.5 Disbursements for Materials Stored On-Site.**

Any requests for disbursements which in whole or in part relate to materials, equipment or furnishings which Borrower owns and which are not incorporated into the Improvements as of the date of the request for disbursement, but are to be temporarily stored at the Project, shall be made in an aggregate amount not to exceed \$25,000.00. Any such request must be accompanied by evidence satisfactory to Lender that (i) such stored materials are included within the coverages of insurance policies carried by Borrower, (ii) the ownership of such materials is vested in Borrower free of any liens and claims of third parties, (iii) such materials are properly insured and protected against theft or damage, (iv) the materials used in the Construction are not commodity items but are uniquely fabricated for the Construction, (v) the Lender's Consultant has viewed and inspected the stored materials, and (vi) in the opinion of the Lender's consultant the stored materials are physically secured and can be incorporated into the Project within forty five (45) days. Lender may require separate Uniform Commercial Code financing statements to cover any such stored materials.

### **12.6 Disbursements for Offsite Materials.**
