

**UNITED STATES DISTRICT COURT  
DISTRICT OF CONNECTICUT**

DOE I, and DOE II,

Case No. 3:07CV00909(CFD)

Plaintiffs,

v.

Individuals, whose true names are unknown, using the following pseudonyms: pauliewalnuts; neoprag; STANFORDtroll; :D; lkjhgf; yalelaw; Spanky; ylsdooder; HI; David Carr; vincimus; Cheese Eating Surrender Monkey; A horse walks into a bar; The Ayatollah of Rock-n-Rollah; DRACULA; Sleazy Z; Whamo; Ari Gold; Ugly Women; playboytroll; Dean\_Harold\_Koh; kr0nz; reminderdood; r@ygold; who is; Joel Schellhammer; Prof. Brian Leiter; hitlerhitlerhitler; lonelyvirgin; Patrick Zeke <patrick8765@hotmail.com>; Patrick Bateman <batemanhls08@hotmail.com>; [DOE I] got a 157 LSAT; azn, azn, azn; Dirty Nigger; leaf; t14 gunner; kbitzer; yalels2009; AK47,

Defendants.

**DECLARATION OF DOE I IN SUPPORT OF  
PLAINTIFFS' MOTION FOR EXPEDITED DISCOVERY**<sup>1</sup>

I, DOE I, declare as follows:

1. I am a plaintiff in this action. I have knowledge of the facts set forth herein, and if called to testify as a witness thereto, could do so competently under oath.
2. I am a third-year student at Yale Law School ("YLS").

---

<sup>1</sup> The exhibits attached to this declaration, as well as the statements in this declaration taken from those exhibits, have been redacted to replace my name with DOE I and co-plaintiff's name with DOE II, in accordance with this Court's Order of June 18, 2007 granting Plaintiffs' motion to proceed anonymously.

3. I learned through an acquaintance that I was the subject of a message thread on AutoAdmit.com.

4. The first thread that was posted about me on AutoAdmit.com was authored by a poster using the pseudonym "STANFORDtroll" and was titled "Stupid Bitch to Attend Yale Law." In the message, "STANFORDtroll" told my classmates to "watch out" for me. A true and correct copy of this post is attached hereto as **Exhibit A** (see p. 4).

5. Later, I learned that dozens of additional message threads about me had been posted on AutoAdmit.com. Many message threads contained sexual threats, and others contained false information about me. For example, one message thread titled "Stupid Bitch to Attend Yale Law" contained messages such as:

- "i'll force myself on her, most definitely." A true and correct copy of this message, which was posted by defendant "neoprag", is attached hereto as **Exhibit A** (see p. 7);
- "I think I will sodomize her. Repeatedly." A true and correct copy of this message, which also was posted by "neoprag", is attached hereto as **Exhibit A** (see p. 11); and
- "just don't FUCK her, she has herpes." A true and correct copy of this message, which was posted by defendant ":D", is attached hereto as **Exhibit A** (see p. 15).

6. The threatening, false and offensive comments about me that were posted by the defendants on AutoAdmit.com continued to proliferate while I was a student at YLS. For example:

- A defendant posting under the pseudonym "Dirty Nigger" threatened "I wish to rape [DOE I] and [DOE II] in the ass." A true and correct copy of this post is attached hereto as **Exhibit B** (see p. 2).
- One pseudonymous poster named "Spanky" posted a message stating "[c]learly she deserves to be raped so that her little fantasy world can be shattered by real life." A true and correct copy of this post is attached hereto as **Exhibit C** (see p. 2).

- Another pseudonymous poster—“ylsdooder”—threatened: “i would like to hate-fuck [DOE I] but since people say she has herpes that might be a bad idea.” A true and correct copy of this post is attached hereto as **Exhibit D**.
- A pseudonymous poster “lkjhgf” falsely stated that I had bribed officials at YLS to gain admission. A true and correct copy of this post is attached hereto as **Exhibit E** (see pp. 24-25).
- Another defendant using the pseudonym “[DOE I] got a 157 LSAT” falsely suggested that I had killed my parents or raped co-plaintiff DOE II. A true and correct copy of this post is attached hereto as **Exhibit E** (see p. 27).
- A pseudonymous poster “yalelaw” falsely stated that I had engaged in a lesbian affair with an administrator at YLS. A true and correct copy of this post is attached hereto as **Exhibit E** (see p. 37).
- “STANFORDtroll” started a thread titled “[DOE I] of Yale Law got a 159 on the LSAT” and falsely claimed that I received a lower-than-expected LSAT score for a Yale Law student. A true and correct copy of this post is attached hereto as **Exhibit F**.

7. After I discovered the messages on AutoAdmit.com, I sent approximately five email messages to the site administrators over a year-and-a-half period, asking them to remove the offensive, threatening and defamatory messages about me that were posted on the website. Anthony Ciolli, the site administrator, sent me an email response stating that the messages would not be removed.

8. In June 2007, a pseudonymous poster “Patrick Zeke” sent an email to many members of the YLS Faculty with the subject heading: “Yale Law Faculty concerning pending lawsuit.” The author of the email made false and harmful statements about me, including: “[DOE I] is barely capable of reading (159 LSAT),” and “it seems like the risk of contracting herpes from [DOE I] would convince any rational person to go to a prostitute first.” A true and correct copy of this email is attached hereto as **Exhibit G**.

9. Patrick Zeke's defamatory email was then posted as a thread on the AutoAdmit website by pseudonymous poster "lonelyvirgin." A true and correct copy of this post is attached hereto as **Exhibit H** (see pp. 1-2).

10. As a result of the threats of violence, defamatory attacks, and other offensive comments about me that were posted by defendants on AutoAdmit.com, I suffered extreme emotional distress, including stress, fearful feelings, insomnia and severe anxiety. During this time period, I frequently slept for only 3 or 4 hours each night and often had violent nightmares.

11. The emotional distress that I suffered caused my performance at work to deteriorate. For example, in June 2007 while I was meeting with my supervisor at a summer job, I received a copy of the "Patrick Zeke" email that was sent to the YLS faculty. I became extremely upset after the meeting, and for several days afterwards I was distracted from my work and slept terribly.

12. The stress and anxiety that I experienced as a result of the defendants' conduct also created rifts in my relationships with my classmates and colleagues. For example, in the Spring of 2007, several students with whom I worked at the Yale International Human Rights Clinic confronted me to say that they noticed I was distracted while I was at the clinic and appeared disengaged in work projects. I was distracted and felt disengaged from the work at the clinic because of the extreme emotional distress that I was experiencing. After the confrontation at the clinic, I felt uncomfortable around my colleagues, was no longer invited to their social gatherings, and felt as though my relationship with them outside of work had ended.

13. As a result of the stress, anxiety, and insomnia that I suffered, I withdrew socially and often isolated myself from my friends at school. I often did not attend social events at Yale or where Yale students might be present—my friends, however, often did attend these events. As a result, I rarely saw my friends outside of class and thus my relationships with them deteriorated.

14. My academic performance also deteriorated. Because of the stress that I experienced, I often could not attend classes and I was forced to take a reduced number of units

for my clinical coursework. As a result, I received an incomplete in two classes on my Spring 2007 transcript.

15. Due to the severe emotional distress that I suffered, I eventually was forced to take a leave of absence from school for the Fall 2007 semester.

16. I was deeply offended, mentally distressed and frightened by the invasion of my privacy and the publication of personal information about me on the AutoAdmit website. I was equally offended and distressed by the appropriation of my name without my permission and the publication of information that I believe placed me in a false light.

17. As a result of the defendants' threatening, defamatory and offensive conduct, I suffered damages, including but not limited to lost wages, increased student loans, and other costs and expenses.

I declare under penalty of perjury that the foregoing is true and correct. Executed in New Haven, Connecticut on January 24, 2008.

She will be a part of the class of 08, and her name is [DOE] . If you're going to Yale this fall, watch out for her.

I was in some of her classes and she's a total TTT.

I wish to rape [DOE I] and [DOE II] in the ass. And feel their pussies against my hard cock. This is because [DOE I] is so stupid she got a 159 on the LSATs and [DOE II] is a stupid slut whose dad stole money from poor African children and went to prison to buy her a fucking horse.

EDIT: I forgot to mention that the reason [DOE II] didn't get any offers is because she is also a complete retard, with a completely annoying personality.

Seriously.

The irony is that the stupidity which led her to come to this ridiculous conclusion most likely had a major role to play in her poor OCI performance.

I'm not sure why buying your way into Yale Law would make the school look bad (unless she paid an embarrassingly low amount to get in).

I'm thinking if the public knew you could pay 50k to let in a flagrantly underqualified person into the best law school in the nation...YLS would look pretty bad

But \$50k is an embarrassingly low amount when you consider that tuition is just a little less. I think if someone applied to Yale Law, his/her parents donated \$50M to the school, and he/she got accepted, no one would question the integrity of the school.

I think I read somewhere (maybe Anna Iveys book?) that 6 figures should get you in any school. This would make YLS look bad, no matter the amount...the public does not like to see people getting what they can;t have by simply shelling out money. Do you think the public wouldn't react negatively if there was hard evidence that Bush (or Kerry) paid their way into Yale?

if she applied to really excellent firms, going 4/16 isn't that crazy. Going 0 for 4 isn't that crazy either, especially if the interviews weren't in NYC. In SF I did 8 callbacks and only got 2 offers and I wasn't surprised.

Dear Yale Law faculty,

11/2/2007

As you may or may not be aware, there is a lawsuit underway whose plaintiffs (represented by the epitome of kikes, David Rosen) are two of your students. Here is a copy of their claims:

<http://online.wsj.com/public/resources/documents/aaComplaint.pdf> To be fair to the posters whose identities are going to be exposed, these are the names of the plaintiffs: Doe I = \_\_\_\_\_, Doe II = \_\_\_\_\_. If you can't put a face to those names, just remember [DOE I] is barely capable of reading (159 LSAT) and [DOE II]...well, she has big fake titties.

Should you take a look at the claims, you'll see this is an obvious case of people getting bent out of shape because free speech sometimes hurts. Why your colleagues thought this was worthy of wasting everyone's time is beyond me. My own pet theory is that Mr. Rosen has recently found two talented knob gobblers to take care of business for him, in exchange for "pro bono" work. I can't blame him for trying to exploit their predicament, but it seems like the risk of contracting herpes from [DOE I] would convince any rational person to go to a prostitute first. As for [DOE II], who wants that litigious cunt holding a sexual harassment lawsuit over their head?

I encourage you all to speak out against your intemperate colleagues who are trying to destroy fellow members of the legal community.

Sincerely,

The same d00d who wrote the first [DOE II] e-mail

P.S.-

To Mr. Rosen and his feminist/dyke allies- don't bother trying to find out who wrote this e-mail. As much as you like to think people can be held accountable for what they say, this is not the reality on the internet. I did get some serious lulz thinking about what type of claims you'd include in a lawsuit against me. Alas, three layers of anonymous proxies and a wireless access point ensure this suit will remain within the realm of fantasy land. Good thing too, because god knows I don't want to cut back on models and bottles.
