**DECLARATION OF DOE II IN SUPPORT OF
PLAINTIFFS' MOTION FOR EXPEDITED DISCOVERY¹**

I, DOE II, declare as follows:

1. I am a plaintiff in this action. I have knowledge of the facts set forth herein, and if called to testify as a witness thereto, could do so competently under oath.

2. In early February 2007, a friend of mine told me that I was the subject of a

¹ The exhibits attached to this declaration, as well as the statements in this declaration taken from those exhibits, have been redacted to replace my name with DOE II and co-plaintiff's name with DOE I, in accordance with this Court's Order of June 18, 2007 granting Plaintiffs' motion to proceed anonymously.

message thread on AutoAdmit.com, a website which at that time I had never visited. After my friend told me about the message thread, I visited the AutoAdmit website and found the first of hundreds of message threads about me, most of which contained sexual and vulgar comments, and others that included threats of violence or rape and/or made false statements about me harmful to my reputation. A true and correct copy of this first thread, titled "Rate this HUGE breasted cheerful big tit girl from YLS" and authored by Defendant "HI," is attached hereto as **Exhibit 1**.

3. Among the many offensive, threatening and false comments that were posted about me by the defendants on AutoAdmit.com, some of the most egregious threads contained, for example, the following messages:

- "Ugly Women" posted a message stating, "[DOE II] (YLS 09) IS AN ANNOYING, SELFISH CUNT. I HOPE SHE GETS RAPED AND DIES. A true and correct copy of this post is attached hereto as **Exhibit 2**."
- "AK47" wrote, "Women named . . . [DOE II] should be raped." A true and correct copy of this post is attached hereto as **Exhibit 3**.
- "Dirty Nigger" wrote, "I wish to rape [DOE I] and [DOE II] in the ass." A true and correct copy of this post is attached hereto as **Exhibit 4** (see p. 2).
- "Ugly Women" falsely stated that I fantasized about being raped by my father. A true and correct copy of this post is attached hereto as **Exhibit 5** (see p. 4).
- "DRACULA" falsely stated that I enjoyed having sex while my family members watched. A true and correct copy of this post is attached hereto as **Exhibit 6** (see p. 3).
- "Sleazy Z" falsely stated that I was "into scat," and encouraged others to "punch me in the stomach" when seven months pregnant. True and correct copies of these posts are attached hereto as **Exhibit 7** and **Exhibit 5** (see p. 2), respectively.
- "Whamo" falsely alleged that I had the "clap." A true and correct copy of this post is attached hereto as **Exhibit 8** (see p. 18).
- "The Ayatollah of Rock-n-Rollah" falsely claimed that I engaged in "whoring." A true and correct copy of this post is attached hereto as **Exhibit 9** (see p. 2).
- "who is" stated falsely that I had checked into a rehabilitation program for heroin use. A true and correct copy of this post is attached hereto as **Exhibit 10**.

- A defendant using the pseudonym “Dean Harold Koh” falsely alleged that I performed fellatio on the dean of Yale Law School for a passing grade. A true and correct copy of this post is attached hereto as **Exhibit 11**.
- “playboytroll” falsely claimed that I posed in *Playboy*. A true and correct copy of this post is attached hereto as **Exhibit 12**.
- Two posters attempted to start rumors that I had died or committed suicide: “r@ygold” posted a message falsely stating “[DOE II] found dead in apartment!” and “azn, azn, azn” falsely stated “HOLY SHIT: [DOE II] dead; suicide suspected.” True and correct copies of these posts are attached hereto as **Exhibit 13** and **Exhibit 14**, respectively.
- “reminderdood” falsely accused me of “bashing gay people.” A true and correct copy of this post is attached hereto as **Exhibit 15**.
- In a thread entitled, “DOE II, YLS 1L, you’re a fucking cunt,” defendant “:D” gleefully encouraged further attacks on me and used anti-Semitic language to do so: “I’m doing cartwheels knowing this stupid Jew bitch is getting her self esteem raped.” A true and correct copy of this post is attached hereto as **Exhibit 16** (see p. 8).

4. Other AutoAdmit users joined in the free-for-all to harm me by posting, for example, messages that commented crudely on my breasts, explicitly described the poster’s desire to have sexual relations with me, falsely stated that I engaged in certain sexual activities, and encouraged others to continue to harass me. True and correct copies of these additional posts are attached hereto as **Exhibit 1** (see p. 8), **Exhibit 6**, (see p. 2), **Exhibit 8** (see pp. 2-3), **Exhibit 17** (see pp. 2, 5), **Exhibit 18** (see pp. 7, 8), **Exhibits 19 through 21**, and **Exhibit 22** (see pp. 2-3).

5. A few weeks later, various AutoAdmit posters started a website devoted to “rating” female law students from schools around the country, “t14talent—The ‘Most Appealing’ Women @ Top Law Schools,” located at <http://t14talent.googlepages.com>. (“t14” refers to some people’s idea of the country’s top 14 law schools.) A true and correct copy this website’s homepage is attached hereto as **Exhibit 23**.

6. A poster using the names “Todd Christopher” and “pauliewalnuts” was one of the principal organizers of the t14 site. True and correct copies of posts identifying this individual as the t14 site organizer are attached hereto as **Exhibits 24** and **25**.

7. The t14 contest also was featured on a web log located at <http://top14girls.blogspot.com>. A true and correct copy of this web log's home page is attached hereto as **Exhibit 26**.

8. This web log was created and maintained by defendant "kibitzer." True and correct copies of posts identifying this individual as the web log creator are attached hereto as **Exhibits 18** (see p. 12), **27** (see p. 19) and **28** (see p. 2).

9. Posters "pauliewalnuts," "kibitzer," and/or the other contest organizers copied, and then linked to, certain photographs of me without my consent or permission. True and correct copies of these t14 sites are attached hereto as **Exhibits 23** and **26**.

10. Certain anonymous defendants copied these photographs and published them by uploading them to the website located at <http://www.hidebehind.com> and linked to them through the t14 sites and the AutoAdmit message board. True and correct copies of these posts are attached hereto as **Exhibits 17, 21, and 29**. My pictures were also posted on other websites such as imagevenue.com.

11. I own the copyrights to five of those photographs and have registered those copyrights with the United States Copyright Office. True and correct copies of United States Copyright Office Certificates of Registration are attached hereto as **Exhibit 30**.

12. Defendant "pauliewalnuts" first posted the URL to my image on the t14 webpage on February 20, 2007, in a thread entitled "YLS 1L CGWBT." A true and correct copy this post is attached hereto as **Exhibit 31** (see p. 2).² On the t14 web log, links were posted to webpages containing pictures of me alongside pornographic or otherwise unflattering advertisements. *See Exhibit 26*.

13. I did not consent to the use of my likeness on the t14 website or web log.

14. On March 7, 2007, defendant "Joe1 Schellhammer" posted a message titled "YLS 1L CGWBT [DOE II] HAS A FELON FOR A FATHER!!! YALE LAW" on AutoAdmit.com,

² "CGWBT" is an acronym for "cheerful girl with big tits." *See Exhibit 32*, which is a true and correct copy of the entry for "CWBT" from the on-line Urban Dictionary.

which discussed a private and upsetting story about my father. A true and correct copy of this post is attached hereto as **Exhibit 33**.

15. The next day, “hitlerhitlerhitler” re-posted “Joe1 Schellhammer”’s message on AutoAdmit.com with additional private information about my father. A true and correct copy of this post is attached hereto as **Exhibit 34**.

16. On March 9, 2007, “Patrick Bateman” emailed multiple members of the Yale Law School faculty the following message:

From: Patrick Bateman <batemanhls08@hotmail.com>

Date: Mar 9, 2007 2:08 PM

Subject: Yale Law School faculty: Notice

To: [Member of the Yale Law School Faculty]

Cc: [DOE II]

Dear Yale Law faculty,

I write to you now about a very important issue that affects a non-trivial number of you. Although you undoubtedly deal with self-entitled, spoiled students on a regular basis, there’s one person in particular whose history I feel you must be made aware of before problems arise. [DOE II], a student in your 09 class, has a felon as a father who stole money [at her behest] One could make the argument that her character at ten is not representative of her values as an adult, if it wasn’t for the recent evidence to the contrary. She spent in excess of \$150 to remove material that was in the public domain, simply because she found it offensive that it emphasized her good looks. If such reckless use of money in the name of free speech suppression is not indicative of a damaged character, I don’t know what it is. Best of luck to you in managing this liability, it is regretful that the admissions process can’t encapsulate the entire person.

XOXO

HTH

Patrick Bateman (Harvard Law School 08)

A true and correct copy of this email is attached hereto as **Exhibit 35**.

17. Defendant “lonelyvirgin” then posted “Patrick Bateman”’s message on AutoAdmit.com. A true and correct copy of that post is attached hereto as **Exhibit 36** (see p. 3).

18. “Patrick Bateman”’s email to the YLS faculty contained false and exaggerated information. The moniker “Patrick Bateman” is a reference to the fictional serial killer in the novel and film, American Psycho. I believe the poster used this moniker to cause me to feel physically threatened. After I found out that this email had been sent to the Yale Law School

faculty, I felt humiliated. But more importantly I was scared for my safety. It was increasingly difficult for me to sleep at night, and I often stayed with friends or had friends escort me home because I did not feel comfortable being alone in my apartment.

19. In April 2007, a poster using the pseudonym “t14 gunner” posted the following message—which he claimed to have sent to my former employer—on AutoAdmit.com:

Date: April 28th, 2007 11:55 PM

Author: t14 gunner ([DOE II] works at a fourth tier toilet)

Just sent this using the feedback part of their site.

Greetings,

I want to bring your attention to some information potentially harmful to your firm’s reputation. Obviously your clients do not want to be represented by someone who is not of the highest character value, which is why I believe you should know a bit more about an employee of yours. I’ve recently discovered [DOE II] of Yale Law School is one of your summer hires. It is true that she does have a fine academic pedigree, but there is some distressing information about her readily available online. Some of what is written about her is of dubious value. Regardless, there is good reason to believe some of your clients may not be so careful in how they interpret what has been written—especially as to how it relates to the quality of your firm. Included below is a sample, but a simple Google search will return an even more extensive record.

A true and correct copy of this post is attached hereto as **Exhibit 37**.

20. After I found out that this email had been posted on AutoAdmit and possibly sent to my former employer, I felt embarrassed and feared that my former employers would question my character.

21. Outraged and upset by the messages posted on AutoAdmit, in early 2007 I wrote to the site administrators multiple times through the contact information listed on the website, asking them to permanently remove the offensive messages about me. In my requests, I told them explicitly of the harm I was experiencing because of the harassing, threatening and defamatory postings, including the fact that I had been forced to seek therapy. A true and correct copy of this email correspondence is attached hereto as **Exhibit 38**. The only response that I received was a link to a message posted on AutoAdmit.com, which threatened to post my request on the AutoAdmit site. A true and correct copy of this message, which was authored by “Great

Teacher Onizuka,” is attached hereto as **Exhibit 39** (see p. 2).

22. The numerous threats, false statements, and sexually explicit comments about me that were posted by the defendants on AutoAdmit.com have caused me physical illness and severe emotional distress, interfered with my educational progress, damaged my reputation, and caused me pecuniary harm.

23. The night the material about my father was posted on AutoAdmit, I had to go to emergency mental health services and was given sedatives to sleep. At one point later in the semester, after reading some egregious material on the site, I fainted in the hallway of the law school and had to be escorted to student health services by a classmate—the administrators wanted to call an ambulance to take me to the hospital but I insisted on going on my own to minimize attention from my classmates.

24. The extreme emotional distress that I suffered and continue to suffer includes depression, stress, fearful feelings, and anxiety. In addition, I also experienced and continue to experience frequent insomnia, loss of appetite, and stomach problems.

25. The severe emotional distress that I experienced forced me to seek psychological counseling. In late February 2007, I started seeing a therapist once a week. In September 2007, I started taking medication to treat anxiety and depression directly arising from the aforementioned events. Presently, I still see a therapist and take medication to help with the emotional distress from which I continue to suffer.

26. The emotional distress that I suffered caused my performance in school to deteriorate. For example, I was unable to complete the coursework for two of my classes by the end of last semester because of my anxiety, depression, and inability to concentrate. Because of the impact of these events on my academic affairs, I also was unable to apply for the Yale Law Journal last spring, as well as several other academic and extracurricular activities and positions. This harmful attack on my character and reputation robbed me of a normal and productive experience during my first year of law school.

27. The stress and anxiety that I experienced as a result of the defendants’ conduct

affected my relationships with my family, friends, classmates, and colleagues. For example, long ago my paternal aunt set up a "Google alert" for my name, so that she would receive an email each time a new thread appeared about me on that search engine. When she discovered that negative content about me from AutoAdmit was accruing on Google, she experienced anxiety and depression. She also began to question my sexual behavior because of the nature of much of the content, and this created significant tension and conflict between my father and me. Because my father and aunt are Muslim, false statements made about my sexual behavior, as well as other sexually harassing comments about my body and the desire to assault me, are particularly damaging to my relationship with them. Since the onset of the postings, my father and aunt do not speak to me as often as they used to, and our relationship is distant and strained.

28. The depression and anxiety that I experienced as a result of the defendants' defamatory attacks also have affected my other inter-personal relationships. I have become largely withdrawn from the social activity of the law school. I no longer regularly attend my classmates' social functions because I feel uncomfortable with the possibility that other attendees may be or know the identities of anonymous posters. I am no longer social and enthusiastic upon meeting new people because of the fear that they will do an Internet search of my name and read the horrible things that have been written about me. As a result, I avoid giving my full name and email address to people that do not already have it, which makes it particularly difficult to make new friends.

29. Similarly, I have had difficulty dating and becoming involved in romantic relationships since the negative threads began to appear about me on AutoAdmit. I feel suspicious of men in general now, and have even ended some of my platonic relationships with male friends because of my newfound discomfort around most members of the opposite sex.

30. The defendants' defamatory attacks have also affected my professional relationships. For example, in the summer of 2007, while interning at the U.S. Attorney's Office for the Southern District of New York, one of my male supervisors informed me that he was aware of the things that had been published about me on the Internet. After learning this, I

became withdrawn and found it difficult to interact with him as well as other supervisors, colleagues and interns.

31. During the fall 2007 interview process at Yale, I feared that potential employers would read disparaging comments about me on AutoAdmit. In three interviews, I found it necessary to disclose the fact that I had been targeted by pseudonymous posters online, and I only received a call-back for further interviews from one of those firms.

32. I was deeply offended, mentally distressed and frightened by the invasion of my privacy and the publication of personal information about me on the AutoAdmit website. I was equally offended and distressed by the appropriation of my name and image without my permission and the publication of information that I believe placed me in a false light.

33. As a result of the defendants' threatening, defamatory and offensive conduct, I suffered damages, including but not limited to costs of medical treatment and other costs and expenses.

I declare under penalty of perjury that the foregoing is true and correct. Executed in New Haven, Connecticut on January 24, 2008.

I wish to rape [DOE I] and [DOE II] in the ass. And feel their pussies against my hard cock. This is because [DOE I] is so stupid she got a 159 on the LSATs and [DOE II] is a stupid slut whose dad stole money from poor African children and went to prison to buy her a fucking horse.

EDIT: I forgot to mention that the reason [DOE I] didn't get any offers is because she is also a complete retard, with a completely annoying personality.

I explored this solution, but it seems less than satisfactory. If the kid turns out to be a girl, then she might end up with the same huge fucking titties as her mother. You could have two sets of tits to suck and fuck.

Hi there!

I'm here to correct the record on [DOE II], YLS '09.

Fun fact: Did you know that [DOE II] is among the least liked people in our class? That she has alienated or repelled nearly every 1L, including males who would otherwise be attracted to her large breasts?

Fun fact: Did you know that [DOE II] is painfully insecure to the point of psychological disorder, that she whored around like a feral cat first semester, and still makes pathetic plays for male attention even now that she's dating a loser from the Yale School of Management?

Fun fact: Did you know that [DOE II] is so emotionally fragile that she failed to come to class for something like three weeks straight because she found her picture had been remarked upon on XOXO and T14 girls? This despite the fact that she flaunts her tits everywhere she goes?

All true!

It's times like these I'm happy to have stumbled on PR so many years ago.

I wonder if her titties (along with all the slutting out she's been doing) are going to affect her back later in life? Hopefully it doesn't have an impact on her reverse cowgirl, which I have heard from several people is incredible. Until you get the clap.

hon, US law protects something called "intellectual property." People have ownership over things like photographs, and they cannot be reproduced, distributed, etc without the author's permission.

You're the one who is getting her panties in a bunch. We didn't steal them, they were in the public domain. Is it stealing if I save a picture of my friends from facebook onto my computer?

And just because something is within someone's rights, doesn't mean that they aren't a bitch for doing it.

I was again in danger of coming and had to slow down. I slumped forward onto her back, making her support my full weight, then reached forward to roughly squeeze her hanging tits. She gasped and groaned, pushing her bottom back into my groin. I took this as encouragement me to work her harder. I pistonned my hips and caught her nipples, twisting and pinching cruelly. She gasped that I was hurting her but in barely a minute she shuddered into an orgasm. I needed all my weight to stay in place, pressing my face against her sweaty neck and biting the soft hollow above her shoulder.

It took a while before the shudders died down. Giving her nipples a last twist I pulled back and smacked her buttocks again. I told her that her cunt was too wet to properly stimulate me and that I was going to fuck her arse. Catching her breath, she asked me not to, saying she'd give me a really good blow job to get me off. But I held her in place and pushed my dick against her crinkled pucker. She squirmed and struggled but I was relentless and my cock slowly slid into the hot hole.

Advertise on this site

It was a pretty good fuck and within a minute or so she was bucking back at me, taking my cock deep into her bowels, like she always does when I bum-fuck her. I worked her tits again and she soon came with me following shortly after.

The phone rings again, interrupting my reverie.

"OK," DOE II says in her breathy fuck-me-I'm-just-a-helpless-little-girl voice. "I guess we'll see how things work out after dinner." I remain silent. After a long pause, she relents. "If you want to do that again, I guess I'll go along with it." I grunt an assent. There is another long pause. Then, in a pleading whine, she adds "but don't put it in my mouth afterwards. It's really foul"

Please adhere to the following guidelines when making threads about big-titted Yale Law School student [DOE II] :

The thread must be categorized as on-topic, school-related.

The proper adjective to describe [DOE II] is "big-titted."

Big-titted [DOE II] 's name is spelled with a [DOE II], not [DOE II]

Big-titted [DOE II] 's name is never to be used in parts--it must always be "[DOE II]" at the least, and "big-titted [DOE II]" ideally.

Pictures must accompany all threads of big-titted [DOE II] :

Subject: [DOE II] (HUGE FUCKING TITTIES) is HATED at YLS!!!

Date: March 4th, 2007 8:01 PM

Author: yalels2009

Hi there!

I'm here to correct the record on [DOE II], YLS '09.

Fun fact: Did you know that [DOE II] is among the least liked people in our class?

Fun fact: Did you know that [DOE II] is painfully insecure to the point of psychological disorder, such that she whored around like a feral cat first semester, and still makes pathetic plays for male attention even now that she's dating a fucktard from the Yale School of Management?

Fun fact: Did you know that [DOE II] is so emotionally fragile that she failed to come to class for something like three weeks because she found her picture had been remarked upon on XOXO and T14 girls? This despite the fact that she flaunts her tits everywhere she goes?

All true!

Hi there!

I'm here to correct the record on [DOE II], YLS '09.

Fun fact: Did you know that [DOE II] is among the least liked people in our class? That she has alienated or repelled nearly every 1L, including males who would otherwise be attracted to her large breasts?

Fun fact: Did you know that [DOE II] is painfully insecure to the point of psychological disorder, that she whored around like a feral cat first semester, and still makes pathetic plays for male attention even now that she's dating a loser from the Yale School of Management?

Fun fact: Did you know that [DOE II] is so emotionally fragile that she failed to come to class for something like three weeks straight because she found her picture had been remarked upon on XOXO and T14 girls? This despite the fact that she flaunts her tits everywhere she goes?

where's Reputation Defender when you need him?

BTW, someone should make a webpage dedicated just to this girl. host it on google pages. there is NO WAY they could force you to take it down.

just go sign up with www.googlepages.com and sign up the account as [DOE II]

the web address would be [DOE II].googlepages.com

you could put whatever you want up there. you could link to all the xoxo threads. you could include pictures. etc etc etc

then you could pwn Reputation Defender every time he posts here.

GTO did confirm that someone hired Rep Defender though... whoever is handling the matter for RD almost asuredly reads the board.... so pwning the schtick would be funny and also rub it in on [DOE II]

That wasn't [DOE I] or [DOE II] on Good Morning America. It was

Just do a Google search for " [DOE II] " She is a 1L at Yale Law School. There was a thread on here about her called "Hot Bitch Scores a 179 after taking Blueprint Prep (Pic Enclosed" It comes up in the Google Search ([http://www.google.com/search?hl=en&q=%22\[DOE II\]%22](http://www.google.com/search?hl=en&q=%22[DOE II]%22)). But if you click on the thread (http://www.xoxohth.com/thread.php?thread_id=350818&forum_id=2) It's gone!!! Luckily the Google cache of the thread is still there though: [http://209.85.165.104/search?q=cache:Cg-17DXQKxUJ:www.xoxohth.com/thread.php%3Fthread_id%3D350818%26forum_id%3D2+%22\[DOE II\]&hl=en&ct=clnk&cd=1&gl=us](http://209.85.165.104/search?q=cache:Cg-17DXQKxUJ:www.xoxohth.com/thread.php%3Fthread_id%3D350818%26forum_id%3D2+%22[DOE II]&hl=en&ct=clnk&cd=1&gl=us)

She has succeeded in her mission by forcing XO to take down the thread.

GTO & Rach have caved in to ReputationDefender.

I've already told you, I don't care if you extra google bomb [DOE II] & [DOE I]. That's already been done.

Now, did Anthony Ciolli tell you to harass [DOE II] and [DOE I]? Do you know whether Anthony Ciolli really took his male friend's anal cherry (which is said on his friendster page)?

The "Most Appealing" Women @ Top Law Schools

T14talent.googlepages.com

[Home](#)[Rules](#)[The Girls](#)[Voting](#)[Results](#)[WGWAG](#)[Contact Information](#)

On this site, we will nominate the hottest girls of the T14 for special recognition and participation in the 2007 "Most Appealing" t14 student contest. All nominations should include the school, nominee's name or initials, and AT LEAST one picture that will allow for reasonable judgments to be made. Upload pictures onto www.imageshack.us and submit the links to: t14talent@gmail.com.

Voting will commence once each school is sufficiently represented. First, we will vote on the hottest girl for each T14. Then the winners of that round will go head to head as we determine the definitively hottest T14.

Help Wanted: Don't ask for much, so here's a favor. E-mail me who MadCat is, along with pictures, her name, and her school/year. I have my reasons.

NOTE: Media outlets, please credit xoxo on this story; this includes you, *David Lat*.

If the pictures are down, use the Backup links.

We will not be removing images until after the contest is finished. Before you fall into too much self-pity at your plight, please put yourselves in the shoes of your classmates who were not nominated.

[DOE II] (and possibly her friends) have been very vigilant about getting pics removed from imageshack. only the hidebehind links work now. they're the second one in each set.

it takes a lot of work to get imageshack to remove something. you have to send them formal signed documents stating that you own the copyright to the pics and that they're posted against your will, etc.

theyre spending serious time if theyre getting them removed.
