

Judge Martinez any details of settlement discussions, proposals or offers and demands.

Instead of filing dispositive motions, the parties intend to address any pure questions of law in the Joint Trial Memorandum that will be due shortly before trial.

Finally, the court addressed the plaintiff's motion (doc. #37) seeking sanctions for defense counsel's last-minute motion to continue the status conference (doc. #34). The motion is DENIED because the plaintiff was not harmed by the four-day delay. Nevertheless, defense counsel is admonished that he must file motions in a timely fashion to give the plaintiff an opportunity to voice any objection.

SO ORDERED at Hartford, Connecticut this 25th day of June, 2012.
