ENDORSEMENT ORDER

Pursuant to the colloquy with counsel held in open court on June 30, 2015 following jury selection, the following is ordered:

1. Defendants' Objections [Doc. # 406] to the Court's sequestration order are OVERRULED.
2. Plaintiffs' Motion [Doc. # 415] to Modify the Court's Ruling regarding Police Evidence is GRANTED in part and DENIED in part. Neither party will elicit testimony regarding whether or when Mr. and Mrs. Doe called the police. The jury will receive the following preliminary instruction: "The allegations here were reported to authorities in October 2009. What those authorities did or did not do is not an issue for your consideration and you will hear no evidence about it because it is not relevant. What is relevant is what the Darien Board of Education did or did not do based on what the Darien Board of Education officials knew or did not know. You are not to speculate about the actions of any other agencies."
