SCHEDULING ORDER REGARDING CASE MANAGEMENT PLAN

The following dates are hereby adopted as reasonable and appropriate to serve the purposes of Fed. R. Civ. P. 1:

1. **Discovery Deadline:** All discovery, including all discovery relating to expert witnesses, will be completed (not just propounded) by **August 29, 2014**. Discovery requests must be served sufficiently in advance of the discovery cut-off date to allow reasonable time to comply with the request before the cut-off date. The pendency of a motion to compel or for a protective order does not extend the period for completing other discovery. In addition, the filing of a motion to dismiss does not stay discovery. Discovery will not be stayed except pursuant to a motion to stay demonstrating that the motion to dismiss is likely to be granted and will moot the need for discovery.

2. **Discovery Relating To Expert Witnesses:** An expert witness is anyone, including a treating physician, who may be used at trial to present evidence under Rules 702, 703, or 705 of the Federal Rules of Evidence. Unless otherwise ordered, a party intending to call

an expert witness must disclose a report signed by the witness containing the information required to be disclosed by Fed. R. Civ. P. 26(a)(2)(B) or (a)(2)(C), whichever applies. All such expert reports will be disclosed by plaintiff on or before **May 30, 2014**, and any such experts will be deposed on or before **June 30, 2014**. All such expert reports will be disclosed by defendant on or before **July 31, 2014**, and any such experts will be deposed by **August 29, 2014**.

3. **Damages Analysis:** Any party with a claim or counterclaim for damages will serve a damage analysis on or before **April 28, 2014**.

4. **Motions to Compel:** Any motion for an order compelling disclosure or discovery pursuant to Fed. R. Civ. P. 37(a) must be filed within 30 days after the due date of the response. Failure to file a timely motion in accordance with this scheduling order may constitute a waiver of the right to file a motion to compel.

NOTE: All discovery issues should be resolved in good faith by counsel in accordance with their obligations under the Federal and Local Rules of Civil Procedure. Before filing any motion relating to discovery, the parties are required to jointly confer with the Court by telephone, 860-240-3659.

5. **Joint Trial Memorandum:** A joint trial memorandum in the form described in the attached instructions will be filed on or before **November 26, 2014**. Counsel signing the memorandum must certify

that it is the product of consultation between the lawyers who will be trying the case.

6. **Trial Ready Date:** The case will be placed on the trial ready list for **December 2014**.

7. **Dispositive Motions:** No dispositive motion will be filed unless a prefiling conference is requested. Any request for a prefiling conference must be submitted in the form of a letter to the court (with copies to all counsel of record or pro se parties) briefly describing the nature and basis of the proposed motion. Except in cases involving pro se parties, no request for a prefiling conference may be submitted unless the attorney making the request has conferred with other counsel of record and discussed the proposed motion in a good faith effort to clarify the issues, eliminate or reduce the area of controversy and arrive at a mutually satisfactory resolution. Cf. D. Conn. L. Civ. R. 37(2) (requiring counsel to confer before filing motions relating to discovery disputes). Except in cases involving pro se parties, any request for a prefiling conference must include a statement that the attorney submitting the request has conferred with other counsel and must briefly describe the results of the conference. To be timely, any request for a prefiling conference regarding a motion for summary judgment must be submitted on or before **July 14, 2014**. Failure to submit a timely request may result in a waiver of the right to file a summary judgment motion. If a summary judgment

motion is filed, the joint trial memorandum will be due 30 days after a ruling on the motion.

8. **Joint Status Reports of Counsel:** A joint status report of counsel will be submitted on or before **May 27, 2014**. The report will address the matters listed in the attached summary. Joint status reports of counsel addressing those matters will be submitted every 90 days thereafter until the case is resolved.

9. **Extensions of Time:** All dates set forth in this order are firm and will be extended only for good cause. The good cause standard requires a particularized showing that despite due diligence, the party seeking the extension could not comply with this order. Because of the importance of the discovery deadline to the entire schedule, and the generous amount of time for discovery permitted by the discovery deadline of **August 29, 2014**, motions to extend the discovery deadline are unlikely to be granted.

Counsel will provide their clients with a copy of this order.

It is so ordered.

Dated at Hartford, Connecticut this 27th day of February 2015.

Joint Trial Memorandum Instructions

The parties will jointly prepare and file for approval by the Court a joint trial memorandum. **Counsel signing the memorandum must certify that it is the product of consultation between the lawyers who will be trying the case.** The memorandum will be in the form prescribed by the District Court's Standing Order Regarding Trial Memoranda in Civil Cases (see Local Rules of Civil Procedure), and must be certified that it is a joint product of consultation between the lawyers trying the case, with the following modifications:

a. **Witnesses:** Set forth the name and address of each witness to be called at trial. Provide a brief summary of the anticipated testimony of each witness and an estimate of the probable duration of his or her testimony (e.g. less than one hour, two to three hours, one full day). For each expert witness, set forth the opinion to be expressed, a brief summary of the basis of the opinion and a list of the materials on which the witness intends to rely. If a party objects to all or any part of the anticipated testimony of any witness, lay or expert, the objection must be stated in this section of the joint memorandum so that it can be addressed prior to trial.

b. **Exhibits:** The parties will prepare the list of exhibits required by the Standing Order. The list must specifically identify each exhibit by providing a brief description of the exhibit. The exhibits will be listed in numerical order starting with Plaintiff's Exhibit 1 and Defendant's Exhibit 1. If a party has an objection with regard to a designated exhibit, the objection must be stated in this section of the joint memorandum or it will be waived. Each party will prepare an original set of exhibits, plus a duplicate copy for the Court and every other party, marked with exhibit tags provided by the Clerk. The duplicate sets of exhibits must be submitted to the Court not later than the day before the final pretrial conference. Counsel will retain the original set of exhibits for use at trial.

c. **Jury Instructions:** In jury cases, the parties will meet and confer for the purpose of preparing and filing tailored jury instructions on the elements of the parties' claims and defenses. The proposed instructions will be submitted as an attachment to the joint trial memorandum. If the parties cannot agree as to the appropriateness of a particular instruction, each party must submit a proposed instruction supported by a brief explanation of its position, including citation to applicable authority.

d. **Anticipated Evidentiary Problems:** The parties will attach motions in limine with memoranda of law concerning any anticipated evidentiary problems.

e. **Verdict Form:** In jury cases the parties will submit as an exhibit to the joint trial memorandum a proposed verdict form suitable for submission to a jury. The form may require the jury to return a special verdict with special findings as permitted by Fed. R. Civ. P. 49(a) or a general verdict with or without written interrogatories as permitted by Fed. R. Civ. P. 49(b). If the parties are unable to agree as to the appropriateness of a proposed form, the objecting party must state the basis for the objection and provide an alternative proposal.

f. **Courtroom Technology:** List all equipment to be used during trial, including any equipment already installed in the courtroom (see attached list), and any arrangements that have been made for shared use of equipment; list any backup equipment that will be available in the event of an equipment failure; identify any presentation software to be used during trial, and state whether each party is able to receive and use digital files of presentation materials prepared by the other; and describe any expected use of videoconferencing. Any request for Courtroom Technology must be received by the Clerk's office two weeks prior to the scheduled hearing.
