The Court has found that Lead Counsel, Liaison Counsel and the Executive Committee ("Class Counsel") have fairly and adequately represented the interests of the Indirect Purchaser Class and satisfied the requirements of Fed. R. Civ. P. 23(g).

4. The Court has jurisdiction over these actions, each of the parties, and all members of the Indirect Purchaser Class for all manifestations of this case, including this Settlement.

5. The notice of settlement (substantially in the form presented to this Court as Exhibit B to the Settlement Agreement) (the "Notice") directed to the members of the Class, constituted the best notice practicable under the circumstances. In making this determination, the Court finds that the Notice provided for individual notice to all members of the Indirect Purchaser Class who were identified through reasonable efforts. Pursuant to, and in accordance with, Rule 23 of the Federal Rules of Civil Procedure, the Court hereby finds that the Notice provided Indirect Purchaser Class members due and adequate notice of the Settlement, the Settlement Agreement, these proceedings, and the rights of Class members to opt out of the Indirect Purchaser Class and/or object to the Settlement.

6. Due and adequate notice of the proceedings having been given to the Indirect Purchaser Class and a full opportunity having been offered to the Indirect Purchaser Class to

participate in the July 19, 2018 Fairness Hearing, it is hereby determined that all Indirect Purchaser Class members are bound by this Order and Final Judgment.

7. The Settlement of this Indirect Purchaser Class Action was not the product of collusion between the Indirect Purchaser Class Plaintiffs and Defendants or their respective counsel, but rather was the result of *bona fide* and arm's-length negotiations conducted in good faith between Indirect Purchaser Class Counsel and counsel for Defendants, with the assistance of a mediator.

8. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, this Court hereby approves the Settlement in the amount of \$50,229,193.00, and finds that the Settlement is, in all respects, fair, reasonable and adequate to Indirect Purchaser Class members. The Court approves the amount deposited by Defendants into the Settlement Fund. The final net amount of the Settlement is \$50,229,193.00, which is the Settlement Fund Amount of \$54,000,000.00 minus the agreed-upon drawdown amount. Accordingly, the Settlement shall be consummated in accordance with the terms and provisions of the Settlement Agreement.

9. The Court hereby approves the Plan of Allocation of the Settlement Fund as proposed by Class Counsel (the "Plan of Allocation"), which was summarized in the Notice of Proposed Settlement and is attached to Indirect Purchaser Class Plaintiffs' Motion for Final Approval of Settlement, and directs A.B. Data, Ltd., the firm retained by Indirect Purchaser Class Counsel as the Claims Administrator, to distribute the net Settlement Fund as provided in the Plan of Allocation.
