Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(c)(3) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 507(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, on the substantial or material change on the part of the organization, which results in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

(tax exempt Organisation by the IRS, US Dept of Treasury. The online book volume is titled now as "JUNGLE DEMOCRACY... Cat and Mouse Doctrine of oppressions. of the Rich or Powerful "PEOPLE" or nations to oppress own Nationals", or alien or Alien Nations for gain or "no gains", routed by basic animal instinct to kill or destroy/menace weaker animals etc, by use of a superior "Cat strength" compared to weaker rodents, around, who are weaker, but close to majority in populations. However in the process through a Gigantic proportion of abuses, there are many victims, some as the claimants, et el. There are definitely known and a few honest or stronger people around the societal systems all over the globe and as many systems (who do not resemble the "CATS" in any measures of abuses) and such people may be dedicated to human services of glorious standards and thus arouse true democratic themes of societal equities and justice. It was further alleged in the Book volume and alleged in this sworn affidavit that most news media do often behave like a "Captive lady" in Jungle democratic society, and are mostly blind to interests of weaker people, in Jungle democratic environments of oppressions of weaker people by the powerful s in so-called democracies. The scripts are forwarded to The New York times, an English daily news paper of New York city or elsewhere, to remind their claims efforts to publish news fit to publish, as per their self-styled advertisement to really confuse the weaker people of reality of situations of the daily publication to remind such weaker people, of their own stories of distress, making Newspaper publications atleast partly erratic as the weaker section of people make many stories of pains and suffering oriented issues in the Jungle Democracy, but news item as an equitable and truthful event of lives remain mostly suspended or ignored, though same should be as printworthy and be published for

.Most of the news media show similar attitudes to weaker section of so called democracies around the world and this is so unfortunte that one of the most develoed democracies, named USA do accommodate many ideas of JUNGLE democracy through many powerful bureaucrats who indulge inviolations on have_nots , poors and weakersections of people. Such media may not remain or act as a "sweet heart" to breakers of democratic values in lives and society and may not stay behind public cry for Justice to the "captive Lady", Thus away from societal justices , abuses continue like epidemics in the systems, all over the world for centuries, and truly poorer section started to believe that Most Gods of all regions of the World have failed them for centuries and the trend should not continue i.e acts of harming the weaker people in all societies by the powerful fewer of Society in the Jungle democracies. The attitudes must alter, as the weakers, at times ,rise to revolt against the odd values in the systems, even very violently, alike a pattern terrorist, who may not fight corruption imposed from top of administrations , nationally or internationally , to fight or protest openly, as in most wars, and as such they try to beat the administrations with terrors and destructiveperformances and they may honestly try to bring basic changes in Patterns of Regimes, of different elements of issues, even a mighty Regime , at the cureent times,may crumble and may break into pieces with their constant hit and run destructive ways. Leaders, now, may start dialogue with so called terrorists on issue based considerations of political systems most corrupt with Jungle democratic values devoid of equities for " WE THE PEOPLE" world_wide

closed for failure to prosecute, reopened, and closed for failure to prosecute. Needless to say, Mr. Roy never produced any of the promised documents or witnesses.

While payments were discontinued on Mr. Roy's PPD case with a different carrier and on all SIF cases, the Board did not actually make findings on the question of fraud. Rather, the case was continued ad nauseum while the claimant was given opportunity to produce promised documents, the case was closed, the case was reopened, etc. Carrier continued to anticipate some sort of resolution on this issue so that it could be applied to the present case of Nirban Roy. In the interim, Nirban Roy's case was being developed on the issue of degree of disability and payments were not being directed.

Payments have now been directed and, at this point, it is clear that Karuna Roy is never going to produce witnesses or documents to refute the evidence that Handicap Interests International, if it existed, never had any money and never paid any salary. Therefore, it could not have paid any salary to Nirban Roy.

It appears that each claimant filed the C-2 for the other and, essentially, each filed for the other pursuant to their claim for the auto accident that allegedly occurred. This was not quickly discovered because collusion between employer and claimant are rare and not suspected when the employers complete the C-2 forms.

Accordingly, carrier respectfully requests that all awards and findings in the above captioned case be rescinded and that the above captioned case be restored to the calendar with the cases of Karuna Roy known to the Board as Joseph Geronimo (#0931 4088 d/a 2/26/93, SIF #37488442-016 and #0933 3688, d/a 6/7/93, SIF #38063442-016). All three cases should be reopened on the issue of fraud and possible penalties.

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(c)(3) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, on the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acted with knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are normally more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Hussain, now in custody of Joint forces of IRAQ Govt and Govt of USA,

+Background of this **complaint**. The legal issues have been cited in the Defendants' List and issues have been more clarified in relevant Marked Exhibits : M E # ' s : **"I am a killer virus : " J. G^m. I am born of human failures and motives of powerfults to oppress the weaker people. Human dignity is at a point of full eclipse as moon eclipses on earth's shades. Corruption oriented major power politics and major business houses may always be not harmful to commoners , weaker ,poors, senior Citizens et al but corruption and oppressions have grown in democratic systems, what appear to be generate some of the biggest crises of Human civilizations: I AM ANTI SOCIAL VIRUS VIZ "JUNGLE Democracy etc"** I have different strains. Most of weaker people in any political rule, I infect poors and have nots. But BILLIONS OF People beyond much segregations are my victims. A LL OVER THE World have been infected with me such persons are m host and carrier : Quoted from Joe's mobile literature , jungle democracy oppressions , etc (PL See below) , I am the # 1 Plaintiff of this civil action and complaints for relief for damages both Punitive and Compensatory. There are total five Plaintiffs and total sixty two Defendants, whereas some of ++ the plaintiff belonged to weaker section of democratic society, his and association' grievances were left unattended and due process of Laws were denied to Petitioners. Gods in USA failed plaintiffs as well as Gods do surrender blessings through people, and mostly powerful people, and they failed Plaintiffs. Compensations demanded as the amount is huge and staggering, the amount has been left to be determined by Jury, although minimum amount has been lawfully suggested below. Some non hostile Defendants are listed in Defendants' list as such persons may help trial and democratically obligated to defend themselves or the claims of Petitioners. As the individual plaintiff is very noble as most people in any democracy, he is partly disabled and poor. The requisite petition as a poor person has been enclosed for approval. ++ The U.N. O. world body virtually the playground of the superpower Nations and allies, and the interests of Nations of lesser money and Military powers became like slave nation members. Superpowers can almost unilaterally can decide of start a war of convenience against a member nation. This is high time now super power nations on a side and weaker democratic nations form and divide U N O as an essential act to fight and secure rights of weaker nations to achieve human true freedom and Dignity of nations and Associated people (Quoted from Jungle Democracy , cat and Mouse doctrine and syndrome of powerful Nations/ PEOPLE for perpetuating OPPRESSION TO WEAK and God theme to be witness of oppressors and the majority people as oppressed, and we introduce such GOD THEME as " WITNESS GOD" and words in orient to be written as "SAKSHI GOPAL" ++the Defendants are not hostile but they are lawfully obligated to witness and/or defend the action so that action becomes hopefully successful in Court with miscellaneous benefits to Plaintiffs , et al.

their population of citizenry love without disclosures in Public the Islam faith based nations generate most terrorists. Now is the true time in interests of common survival to learn to survive in coexistence of multi faiths and plurality of religions, and preferably The God's notions must be made democratic beyond religious faiths. The power and liability of any God of religious followings in multiple faiths, can be reviewed at span of say 50 years for adjustments with changes in societal changes, attitudes of human animals, administrative changes in democratic laws and regulations, diversities of power blocs of social and religious leaders, ecology, etc etc pertaining to groups of Human animals' democratic patterns of updated live style. Gods concepts,

++++++(1)+ VIRUS CONTINUED : I am so harmful to human developments, but I have developed in last centuries, a special love hate relationship with the most powerful people in any Democracy and they all are my favorites, and such people favor me as well very conveniently in power controlling game. I am so wide spread beyond continents, regions and groups, that I need no cover now, I am a most killing virus named "JUNGLE DEMOCRACY". I have no cure, no vaccine until HUMAN ANIMALS are reformed and surrender to humanity. Even Gods may not help people world wide to fully reform except people try to mend their ways and conscience of their own. Powerful people abuse me by using me. We have a love hate relationship. But it is my time to retire from my infecting game to people. As I am no Mother Nature produce, I am human generated due to moral handicaps. I am immune from any chemical medication. But I am virus and I kill interests of most of the common people world wide. I Am tire of Killing interest of people and real people in thousand, even in millions at times. History is ripe and manmade civilization may abuse me and may kill billions of real people around globe with a killing spree of both powerful and powerless without much discriminations in death as atomic bombing and nuclear weapons have no eye and ears. I start killing and continue game of destruction of human belongings including animal and vegetation assets of human ownership including Human animals live and freedom. My virus nomenclature is mostly known JUNGLE DEMOCRACY...OPPRESSIONS ETC on weaker people of civilization, aliens / foreign Nations for gain or no Gains to serve animal instinct of human animals etc, etc. I am a mobile book publication world wide, with pet name " JUNGLE DEMOCRACY". I may not have good reference from any doctor, researcher or pharmaceutical corp. But any common man may identify my presence, Human Gods, democratic devils and powerful People may hide my presence, but i am sure people like even Mr George Bush of USA know my Viral existence if he knows " BIRD FLU VIRUS", THERE IS NO WAY HE SKIPPED MY VIRAL NAME. MY PROMISE TO ALL PEOPLE AROUND Globe, "if U kill me" I won't strike You back before my death, rather I may surrender to billions of people world wide with one time blessing to the human race, : " ENJOY

2) H I I – W R group makes research and advocates for issues in any society where people may lack general interests in many serious but not so emmeget issues but with far reaching problems for the society in USA or in the world, such issues we name as "handicap interests" among other issues. We lately noted that many large USA corpn did suffer ethics problems perhaps overlooked before. The problems were idetified and chief executives who were mostly founders of these large corpn were solely blamed by using many loopholes of current laws. We know any law is good until changed or expired. But loophole lies in system. Say one of the best talented ex top Executives of a lately very large corpn is placed before a jury of very average talent and truly incapable of grasping many issues *Complex enough for them to resolve as* of crime ,if at al did occur and such jury decide guilt or innocence of the accused Top executive. In fact many big businesses fail for changing ethics of shareholders, panick in business environments brought by technological inventions, social changhes, war, civil wars and "JUNGLE Democratic rules world wide. By the extremely larger power of nation or state say in USA *Executive or even a prof mis* it may be easier to convict any part honest of full honest with Basic calculations of a market *Complex error* condition any blame could be cited on the ex former Executive of a former large corpn , the later did *all life effort* enormous *and other help* growth of ancillary industries and National economies. The Chief executives lawfully *help grow* -run with Board of Directors as close guide to Chief executive. If some how corporation fail, It is greatly unwise to blame major problems associated with failing corpn solely on EX CHIEF EXECUTIVE, SAY MR EBBERS' MANY ERRORS, MISTAKES AS CHIEF EXECUTIVE OR SOME OR MANY WRONGFUL IDEAS CAN ONLY LEAD TO SOME FRAUD IN PUBLIC EYE WITH MASSIVE FIGURE OF Fraud of ***More than eleven million dollars, U.S. We use U.S freedom of speech to suggest that Ebbers was never richer than one billion US & WORTH, he could alone could not cause Eleveven Billion Dollar fraud without the approval, consent or errors of illegal behaviors of Board of Directors of Former corpn.All Members of Board of Directors of failing corpn should be criminally charged, if any. Accusing pattern of Chief Executives as in cases of Mr Ebbers, in cases of Enron and others are greatly erroneous. We demand pursuant to equitable process of Criminal Justice systems all the large Jail terms to former chief of US corporation should be condoned to half of Jail Terms provided by Many Judges. Leaving! th other half of Justice and jail terms due to all others responsible for failures in former large business corpn. : quoted from Jungle Democracy...doctrine " of Joe Geronimo Jr , an M,B,A (State University of New York Maritime College, Fort schuler , Bronx, New York City, in USA,(SS & ID 578 80 4399) Dfactorate in Divinity etc....(in Religions, Gods, Devil, and People etc), a partly disabled worker fighting to establish workers' right in New York. authorises their Bureaucrats to practise terrorism on weaker section of citizens in N Y, and possibly thus they controls Budget! s of NY. Governor Pataki should be held responsible for such fraud on people . In workers Compensation Board hearing demanded, Mr Pataki , The N.Y Times and named others et .al were made 3rd Party Respondents, as detailed below. U.S press and media are biased to N Y Govt , they never wanted tell people the truths of matter of rampant corruptions taking place In Workers Compenmsation Insurance Industry with assistance from Judges, attorneys, staff at Insurance office , et al. CPLR 4404 -Post appeal new evidences that SIF and travelers Insurance companies were engaged in malpractices and fraud to block settlement of WCB claims & the Attitude of biasness in publications thoses harm the poorer section in a society and evidence of publication of news media's certain false claims to confuse their useful attention and time, say the New York times of New York city and elsewhere make false propagandas that publish news that is fity to publish, this wrong publicity did practically harm we! aker citizens in society in related matters in print and publications if such intentions are imperfect , dubious and conflicting, The petitioners/claimants suffered as if they are in a Good administration of Government i.e is to say correctly that they print only optionally the News of fraudulent , wrong and harmful actions by the State . The U.S Senate hearing was demanded on the issues of Fraud etc by the STATE government fraud by the said Claimant Addl affidavits make to say In Pending WCB cases the updated 3rd party Respondents brought into 3 cases viz Joseph Geronimo Jr v. HANDICAP INTERESTS INTERNATIONAL INC (TWO OUTSTANDING CASES (INSURENCE CARRIER : THE STATE INSURANCE FUND nys; & KARUNA N ROY AKA KAMAL ROY AKA JOSEPH GERONIMO JR ss# 578804399 v. KENTUCKY FRIED CHIKEN, NEW YORK n y (Insurance CARRIER : TRAVELERS INSURANCE CO AND AS THE CASES WERE RUNNING TOGETHER THE 3RD PARTY RESPONDENTS WERE INTRODUCED AS BELOW: 1 u s a PRESEDENT HON GEORGE BUSH 2. HON DICK CHEN! EY, pRESIDENT usa SENATE, CAPITOL, WASHINGTON dc 2A Scott C FIRESTONE Judge appeals, WCB, Albany, NY 2B. Karl A Henry -do- 2C Frances LIBOUS -do- 2D. The City of New York c/o The Corporation Counsel City of New York 100 Church St, New York, N.Y 10007 per persons 2A to 2C wrote a false report on WC Board file and contents of file due to old age and/or blindness and/or in a conspiracy to corruption as alleged they together did also write false statement about Judgw D JEFFREY ROMEO WCB At Saranac Lake, NY 12983 as in open hearing Mr Romeo told claimant thar on 11.25.2003 he refused to grant temporary reliefs and no further action was planned by WCB at that statge, Judge Romeo is no 2D 3rd party respondent as claimant Geronimo has personally handed him copies of incorporation of H I I Inc. He may not be able to hide truth of facts In June of 2004 we informed WCB nys, APPEALS OFFICE FOR MISC IRREGULARITIES AT DECISION ! OF THE 3 UDGES PANEL AS FILED ON 4/8/2004, as the corrupt Judges altered Judge Romeo's decision filed for haering of 11. 25.2003. The Judge Romeo never closed any WCB Cases. The panel of judges make fictitious, illegal recording that Judge Romeo, WCLJ's decision not to reopen cases were affirmed etc, that a bunch of stupid court decisions on part of two nos of Panel of Judges for decisions filed on 1.24. 1996 & another on 4.8.2004 The motion was filed to amend decision of 3 panel Judges including one in June of 1984 duly received by counsels office , W C Board but no decision were made on the motion. On repeated enquiry to WC Board the did not provide any clue about status on Motions. This motion includes decision of WCL Judge Mr firestone and two others. In recent 1985 submissions we alleged that Fraud did take place where Judges are involved along with Staff and attorneys of S I Fund anf Travelers Insurance company as another case with tied up with cases of Carrier S I Fund.
