Re: Leader Technologies, Inc. v. Facebook, Inc., Civ. No. 08-862-JJF-LPS

Dear Judge Stark:

Pursuant to the Court's Order at the December 23, 2009 hearing, Plaintiff Leader Technologies, Inc. and Defendant Facebook, Inc. have met and conferred regarding proposed additional discovery relating to Facebook's false marking counterclaim. Facebook proposes that each party be allowed two additional interrogatories, two additional requests for production, and five additional requests for admission. All additional discovery requests must relate to Facebook's false marking counterclaim. These requests shall be served no later than February 5, 2010, and all responses shall be served 30 days thereafter.

As reflected in Exhibit A, James Hannah, counsel for Leader, has consented to Facebook's request for additional discovery.

Very truly yours,

/s/ Steven L. Caponi
