Re: Leader Technologies, Inc. v. Facebook, Inc., Civ. No. 08-862-JJF-LPS

Dear Judge Stark:

We were surprised to see Mr. Rovner's *ex parte* communication with the Court since he did not confer with us before sending it. However, we also would like to take the opportunity to thank you for taking the case, and echo our willingness to help your Honor, however, we can. For the convenience of the Court we have attached a list indicating the 32 currently pending motions that must be resolved before any trial can commence in this case. Your Honor will note that some are potentially case dispositive, and that the summary judgment motions are currently being briefed pursuant to the procedure in Judge Farnan's standing order regarding summary judgment motions in patent cases. If the Court wishes to have courtesy copies of any of these motions, please do not hesitate to ask, we would be happy to deliver them.

Very truly yours,

/s/ Steven L. Caponi
