

Leader's Proposed Instruction:

Compare the Facebook website with the asserted claims of the '761 Patent

Members of the jury, in considering all the evidence and determining if Leader has proven that Facebook infringes the asserted claims of the '761 Patent, you may only compare the Facebook website to the asserted claims of the '761 Patent. You should not compare any of Leader's products or its business with the Facebook website.

Stipulated: Do not consider what will happen after the trial

Members of the jury, in this case you may have heard or noticed inferences as to what may happen after this trial. You are to disregard any inferences as to what may happen after you have rendered your verdict.
