**Subject:** Leader v. Facebook - Meet and Confer for Motion to Strike

Jeff,

As you know, Facebook filed 4 separate motions for judgment as a matter of law yesterday. Together, these motions total over 50 pages. However, the Delaware local rules restrict parties to filing a single 20 page motion for judgment as a matter of law. Furthermore, it appears that Facebook has filed motions for judgment as a matter of law regarding issues that were not before the jury. Accordingly, we request that Facebook withdraw 3 of its motions in order to come within the page limitations. If Facebook does not agree to withdraw its motions by tonight, we file a motion to strike Facebook's motions for exceeding the page limitations. If you would like to discuss, please call me at my office number below.

James
