**STIPULATION, UNOPPOSED MOTION, AND ORDER REGARDING  
CLAIM CONSTRUCTION DEADLINES AND PAGE LIMIT EXTENSION**

WHEREAS, pursuant to the Order of this Court, the parties' deadline to file opening claim construction briefs is Friday, November 12, 2010.

WHEREAS, the parties have agreed to an extended briefing schedule whereby both parties shall have an extension of time to file their opening claim construction briefs to Wednesday, November 17, 2010.

NOW, THEREFORE, IT IS HEREBY STIPULATED by and among the parties, subject to the approval of the Court, that the September 30, 2010 Stipulated Amended Scheduling Order (D.I. 104) shall be amended as follows:

<u>Activity</u>	<u>Former Date</u>	<u>New Date</u>
Due date for opening claim construction brief	November 12, 2010	November 17, 2010

All remaining dates, including the December 10, 2010 deadline to file answering claim construction briefs and the January 2011 Markman hearing, remain unchanged.

Defendant Google further moves for an extension of the page limit on the parties' claim construction briefs, such that the parties each have 30 pages for their opening briefs and 25

pages for their answering briefs. Plaintiff PUM believes that 25 pages is sufficient for both opening and answering briefs, but does not oppose Google's motion for an extension to 30 pages for the parties' opening briefs.

Therefore, Google respectfully requests that the Court enter an order giving the parties each 30 pages for their opening claim construction briefs and 25 pages for their answering briefs.
