Re: *Personalized User Model LLP v. Google Inc.*, C.A. No. 09-525-LPS

Dear Judge Stark:

In its March 10, 2011 Opposition Brief to Google's Motion for Leave to file an early summary judgment motion on ownership of the patents-in-suit, PUM argued it still needed discovery regarding the issues underlying Google's brief, pointing to noticed Rule 30(b)(6) depositions of both Google and SRI International. (D.I. 215 at 2). Google respectfully files this letter to inform the Court that these depositions have now been taken.

Respectfully,

/s/ Richard L. Horwitz
