CASE NO. 3:12-CV-00260-H
(WVG)

**ORDER CONFIRMING
SCHEDULING OF TRIAL
DATE**

On September 20, 2013, the Court scheduled this case for jury trial starting on March 18, 2014 at 9:00 am and has reserved that time on its calendar. (Doc. No. 357.) The Court understands that a trial was subsequently scheduled in another district that creates a scheduling conflict for trial counsel. This case was filed on February 1, 2012

1 and will soon be ready for trial. The Court would prefer to keep the March 18, 2014
2 trial date as scheduled, with trial counsel present. If there are trials set in other courts
3 that conflict with this date, the Court requests that counsel make this order available
4 to the court trying the conflicting cases for due consideration.

5 **IT IS SO ORDERED.**
