)
 CORRECTIONAL CARE SOLUTIONS,)
 et al.,)
)
 Defendants.)

MEMORANDUM

I. INTRODUCTION

The plaintiff, Michael D. Edelin (“Edelin”), an inmate at the James T. Vaughn Correctional Center, Smyrna, Delaware, filed this lawsuit pursuant to 42 U.S.C. § 1983.¹ (D.I. 2.) He appears *pro se* and was granted permission to proceed *in forma pauperis* pursuant to 28 U.S.C. § 1915. (D.I. 5.) The court now proceeds to review and screen the complaint pursuant to 28 U.S.C. § 1915 and § 1915A.

II. BACKGROUND

Edelin, who is insulin dependent, alleges deliberate indifference to his serious medical needs. Named as defendants are two physicians, the contract medical care provider, and the Delaware Department of Correction (“DOC”).

III. STANDARD OF REVIEW

This court must dismiss, at the earliest practicable time, certain *in forma pauperis* and

¹When bringing a § 1983 claim, a plaintiff must allege that some person has deprived him of a federal right, and that the person who caused the deprivation acted under color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

prisoner actions that are frivolous, malicious, fail to state a claim, or seek monetary relief from a defendant who is immune from such relief. *See* 28 U.S.C. § 1915(e)(2) (*in forma pauperis* actions); 28 U.S.C. § 1915A (actions in which prisoner seeks redress from a governmental defendant); 42 U.S.C. § 1997e (prisoner actions brought with respect to prison conditions). The court must accept all factual allegations in a complaint as true and take them in the light most favorable to a *pro se* plaintiff. *Phillips v. County of Allegheny*, 515 F.3d 224, 229 (3d Cir. 2008); *Erickson v. Pardus*, 551 U.S. 89, 93 (2007). Because Edelin proceeds *pro se*, his pleading is liberally construed and his complaint, “however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers.” *Erickson v. Pardus*, 551 U.S. at 94 (citations omitted).

An action is frivolous if it “lacks an arguable basis either in law or in fact.” *Neitzke v. Williams*, 490 U.S. 319, 325 (1989). Under 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915A(b)(1), a court may dismiss a complaint as frivolous if it is “based on an indisputably meritless legal theory” or a “clearly baseless” or “fantastic or delusional” factual scenario. *Neitzke*, 490 at 327-28; *Wilson v. Rackmill*, 878 F.2d 772, 774 (3d Cir. 1989); *see, e.g., Deutsch v. United States*, 67 F.3d 1080, 1091-92 (3d Cir. 1995) (holding frivolous a suit alleging that prison officials took an inmate’s pen and refused to give it back).

The legal standard for dismissing a complaint for failure to state a claim pursuant to § 1915(e)(2)(B)(ii) and § 1915A(b)(1) is identical to the legal standard used when ruling on 12(b)(6) motions. *Tourscher v. McCullough*, 184 F.3d 236, 240 (3d Cir. 1999) (applying Fed. R. Civ. P. 12(b)(6) standard to dismissal for failure to state a claim under § 1915(e)(2)(B)). However, before dismissing a complaint or claims for failure to state a claim upon which relief

may be granted pursuant to the screening provisions of 28 U.S.C. §§ 1915 and 1915A, the court must grant Edelin leave to amend his complaint unless amendment would be inequitable or futile. *See Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002).

A well-pleaded complaint must contain more than mere labels and conclusions. *See Ashcroft v. Iqbal*, 556 U.S. 662 (2009); *Bell Atl. Corp. v. Twombly*, 550 U.S. 544 (2007). The assumption of truth is inapplicable to legal conclusions or to “[t]hreadbare recitals of the elements of a cause of action supported by mere conclusory statements.” *Id.* at 678. When determining whether dismissal is appropriate, the court conducts a two-part analysis. *Fowler v. UPMC Shadyside*, 578 F.3d 203, 210 (3d Cir. 2009). First, the factual and legal elements of a claim are separated. *Id.* The court must accept all of the complaint’s well-pleaded facts as true, but may disregard any legal conclusions. *Id.* at 210-11. Second, the court must determine whether the facts alleged in the complaint are sufficient to show that Edelin has a “plausible claim for relief.”² *Id.* at 211. In other words, the complaint must do more than allege Edelin’s entitlement to relief; rather it must “show” such an entitlement with its facts. *Id.* “[W]here the well-pleaded facts do not permit the court to infer more than a mere possibility of misconduct, the complaint has alleged - but it has not shown - that the pleader is entitled to relief.” *Iqbal*, 556 U.S. at 678 (quoting Fed. R. Civ. P. 8(a)(2)).

²A claim is facially plausible when its factual content allows the court to draw a reasonable inference that the defendant is liable for the misconduct alleged. *Iqbal*, 556 U.S. at 678 (quoting *Twombly*, 550 U.S. at 570). The plausibility standard “asks for more than a sheer possibility that a defendant has acted unlawfully.” *Id.* “Where a complaint pleads facts that are ‘merely consistent with’ a defendant’s liability, it ‘stops short of the line between possibility and plausibility of ‘entitlement to relief.’” *Id.*

IV. DISCUSSION

The DOC is a named defendant. The Eleventh Amendment of the United States Constitution protects an unconsenting state or state agency from a suit brought in federal court by one of its own citizens, regardless of the relief sought. *See Seminole Tribe of Fla. v. Florida*, 517 U.S. 44, 54 (1996); *Pennhurst State Sch. & Hosp. v. Halderman*, 465 U.S. 89 (1984); *Edelman v. Jordan*, 415 U.S. 651 (1974). Hence, as an agency of the State of Delaware, the DOC is entitled to immunity under the Eleventh Amendment. *See e.g. Evans v. Ford*, 2004 WL 2009362, at *4 (D. Del. Aug. 25, 2004) (dismissing claim against DOC, because DOC is state agency and DOC did not waive Eleventh Amendment immunity).

The State of Delaware has neither consented to plaintiff's suit nor waived its immunity. Therefore, it will be dismissed from this action.

V. CONCLUSION

For the above reasons, the DOC will be dismissed as a defendant pursuant to 28 U.S.C. § 1915(e)(2)(B) and § 1915A(b)(1) as it is immune from suit. Edelin will be allowed to proceed against the remaining defendants.

An appropriate order will be entered.
