David A. Allemandi, Sussex Correctional Institution, Georgetown, Delaware, Pro Se Plaintiff.

MEMORANDUM OPINION

September 26, 2016  
Wilmington, Delaware

STARK, U.S. District Judge:

## I. INTRODUCTION

Plaintiff David A. Allemandi (“Plaintiff”), an inmate at the Sussex Correctional Institution in Georgetown, Delaware, filed this action pursuant to 42 U.S.C. § 1983 alleging curtailment of his right to exercise religion.<sup>1</sup> (D.I. 1) He appears *pro se* and has been granted leave to proceed *in forma pauperis*. (D.I. 6) The Court proceeds to review and screen the complaint pursuant to 28 U.S.C. §§ 1915(e)(2) and 1915A(a).

## II. BACKGROUND

The complaint alleges that all named defendants, except for Staff Lieutenant Blades (“Blades”), have in some fashion restricted or curtailed Plaintiff’s right to freely exercise his religion. He seeks injunctive relief and compensatory damages.

## III. LEGAL STANDARDS

A federal court may properly dismiss an action *sua sponte* under the screening provisions of 28 U.S.C. § 1915(e)(2)(B) and § 1915A(b) if “the action is frivolous or malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief.” *Ball v. Famiglio*, 726 F.3d 448, 452 (3d Cir. 2013); *see also* 28 U.S.C. § 1915(e)(2) (*in forma pauperis* actions); 28 U.S.C. § 1915A (actions in which prisoner seeks redress from a governmental defendant); 42 U.S.C. § 1997e (prisoner actions brought with respect to prison conditions). The Court must accept all factual allegations in a complaint as true and take them in the light most favorable to a *pro se* plaintiff. *See Phillips v. County of Allegheny*, 515 F.3d 224, 229 (3d Cir. 2008); *Erickson v. Pardus*, 551 U.S. 89, 93 (2007). Because Plaintiff proceeds *pro se*, his pleading is liberally

---

<sup>1</sup>Pursuant to 42 U.S.C. § 1983, a plaintiff must allege that some person has deprived him of a federal right, and that the person who caused the deprivation acted under color of state law. *See West v. Atkins*, 487 U.S. 42, 48 (1988).

construed and his complaint, “however inartfully pleaded, must be held to less stringent standards than formal pleadings drafted by lawyers.” *Erickson*, 551 U.S. at 94 (citations omitted).

An action is frivolous if it “lacks an arguable basis either in law or in fact.” *Neitzke v. Williams*, 490 U.S. 319, 325 (1989). Under 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915A(b)(1), a court may dismiss a complaint as frivolous if it is “based on an indisputably meritless legal theory” or a “clearly baseless” or “fantastic or delusional” factual scenario. *Neitzke*, 490 at 327-28; *see also Wilson v. Rackmill*, 878 F.2d 772, 774 (3d Cir. 1989); *Deutsch v. United States*, 67 F.3d 1080, 1091-92 (3d Cir. 1995) (holding frivolous a suit alleging that prison officials took an inmate’s pen and refused to give it back).

The legal standard for dismissing a complaint for failure to state a claim pursuant to § 1915(e)(2)(B)(ii) and § 1915A(b)(1) is identical to the legal standard used when deciding Rule 12(b)(6) motions. *See Tourscher v. McCullough*, 184 F.3d 236, 240 (3d Cir. 1999) (applying Fed. R. Civ. P. 12(b)(6) standard to dismissal for failure to state claim under § 1915(e)(2)(B)). However, before dismissing a complaint or claims for failure to state a claim upon which relief may be granted pursuant to the screening provisions of 28 U.S.C. §§ 1915 and 1915A, the Court must grant a plaintiff leave to amend his complaint unless amendment would be inequitable or futile. *See Grayson v. Mayview State Hosp.*, 293 F.3d 103, 114 (3d Cir. 2002).

A complaint may be dismissed only if, accepting the well-pleaded allegations in the complaint as true and viewing them in the light most favorable to the plaintiff, a court concludes that those allegations “could not raise a claim of entitlement to relief.” *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 558 (2007). Though “detailed factual allegations” are not required, a complaint must do more than simply provide “labels and conclusions” or “a formulaic recitation of the elements of a cause of action.” *Davis v. Abington Mem’l Hosp.*, 765 F.3d 236, 241 (3d Cir. 2014) (internal quotation

marks omitted). In addition, a complaint must contain sufficient factual matter, accepted as true, to state a claim to relief that is plausible on its face. *See Williams v. BASF Catalysts LLC*, 765 F.3d 306, 315 (3d Cir. 2014) (citing *Ashcroft v. Iqbal*, 556 U.S. 662, 678 (2009) and *Twombly*, 550 U.S. at 570). Finally, a plaintiff must plead facts sufficient to show that a claim has substantive plausibility. *See Johnson v. City of Shelby*, \_\_\_U.S. \_\_\_, 135 S.Ct. 346, 347 (2014). A complaint may not be dismissed for imperfect statements of the legal theory supporting the claim asserted. *See id.* at 346.

Under the pleading regime established by *Twombly* and *Iqbal*, a court reviewing the sufficiency of a complaint must take three steps: (1) take note of the elements the plaintiff must plead to state a claim; (2) identify allegations that, because they are no more than conclusions, are not entitled to the assumption of truth; and (3) when there are well-pleaded factual allegations, the court should assume their veracity and then determine whether they plausibly give rise to an entitlement to relief. *See Connelly v. Lane Const. Corp.*, 809 F.3d 780, 787 (3d Cir. 2016). Elements are sufficiently alleged when the facts in the complaint “show” that the plaintiff is entitled to relief. *See Iqbal*, 556 U.S. at 679 (citing Fed. R. Civ. P. 8(a)(2)). Deciding whether a claim is plausible will be a “context-specific task that requires the reviewing court to draw on its judicial experience and common sense.” *Id.*

#### **IV. DISCUSSION**

Blades is named as a defendant in the caption of the complaint and in the “Defendant(s)” information section in the complaint. A civil rights complaint must state the conduct, time, place, and persons responsible for the alleged civil rights violations. *See Evancho v. Fisher*, 423 F.3d 347, 353 (3d Cir. 2005) (citing *Boykins v. Ambridge Area Sch. Dist.*, 621 F.2d 75, 80 (3d Cir. 1980); *Hall v. Pennsylvania State Police*, 570 F.2d 86, 89 (3d Cir. 1978)). In addition, “a[n individual government] defendant in a civil rights action must have personal involvement in the alleged wrongdoing.”

*Evancho v. Fisher*, 423 F.3d 347, 353 (3d Cir. 2005) (quoting *Rode v. Dellarciprete*, 845 F.2d 1195, 1207 (3d Cir. 1988)).

In the present case, Plaintiff does not associate any of his allegations with Blades, provides no facts to support a claim against him; the claim is facially insufficient. The Court finds that the claim against Blades lacks an arguable basis in law or in fact. It will be dismissed as frivolous pursuant to 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915A(b)(1).

## V. CONCLUSION

For the above reasons, the Court will: (1) dismiss the claims against Blades as legally frivolous pursuant to 28 U.S.C. § 1915(e)(2)(B)(i) and § 1915A(b)(1); and (2) allow Plaintiff to proceed against the remaining Defendants on the religion claims.

An appropriate Order follows.
