RE: Case No. 4:06-mc-0028

Dear Judge Wilson:

On August 30, 2006, the University of Arkansas at Little Rock was served with a subpoena duces tecum in the case of Robert Steinbuch v. Jessica Cutler, USDC, DDC, case no. 01:05-CV-00970. Prior to the deadline for responding to the subpoena, the Plaintiff filed a Motion to Quash in this Court to which the Defendant has responded. The case number is referenced above.

I have spoken, and corresponded by email, with the attorneys for both parties to inform them that UALR would prefer to withhold production of the requested documents, pending this Court's decision on the Motion to Quash. Both attorneys expressed that they had no objection.

UALR therefore stands willing and able to comply with the subpoena but will await this Court's decision and instruction. Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Sarah James".
